

Taiko An Epic Novel Of War And Glory In Feudal Ja

Samurai Warfare Stephen R. Turnbull, Michael Boxall. 1997 A look at Samurai warfare and specific battles in which it was applied.

The Tokaido Road Lucia St. Clair Robson. 2005-11-29 After the execution of her father, the young and beautiful Lady Asano is in grave danger from the powerful Lord Kira. In order to save herself Asano must find Oishi, the leader of the fighting men of her clan. She believes he is three hundred miles to the southwest in the imperial city of Kyoto. Disguising her loveliness in the humble garments of a traveling priest, and calling herself Cat, Lady Asano travels the fabled Tokaido Road. Her only tools are her quick wits, her samurai training, and her deadly, six foot-long naginata. And she will need them all, for a ronin has been hired to pursue her, a mysterious man who will play a role in Cat's drama that neither could have ever imagined. . . . At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Oath of Fealty Richard Bodley Scott. 2009-07-21 While the Crusades raged in the Holy Land, Europe, too, was torn apart by war. From England's Anarchy to the slaughter of the Albigensian Crusade, Kings, nobles and clergy all vied for power and wealth. Out of this bloodshed, however, arose one of the most honored ideals of history, the Code of Chivalry. With new troop types, historical backgrounds and accompanying maps and artwork, Oath of Fealty allows Field of Glory generals to take up arms in defence of honour, faith and liege lord.

Uesugi Kenshin Eiji Yoshikawa. 2019-08-11 From the author of the epic novels Musashi, Taiko, and The Heike Story Warring States Era, Japan Betrayal Means War After a peace accord is shattered, two great generals clash for the fourth time at Kawanakajima, the island between the rivers. The spiritual but angry Uesugi Kenshin, the Dragon of Echigo, confronts the more experienced Takeda Shingen, the Tiger of Kai. Who will triumph? Uesugi Kenshin is a historical novel told through the eyes of two rivals by Eiji Yoshikawa, a master of the historical novel. If you are curious about warcraft between two ingenious warlords, strategic surprises like in a movie by Akira Kurosawa, and the hearts and minds of warriors in combat, then you'll love this brilliant retelling of a famous battle by Eiji Yoshikawa. Buy Uesugi Kenshin to witness the legendary Fourth Battle of Kawanakajima today!

Taiko Eiji Yoshikawa. 2012-08-03 In the tempestuous closing decades of the sixteenth century, the Empire of Japan writhes in chaos as the shogunate crumbles and rival warlords battle for supremacy. Warrior monks in their armed citadels block the road to the capital; castles are destroyed, villages plundered, fields put to the torch. Amid this devastation, three men dream of uniting the nation. At one extreme is the charismatic but brutal Nobunaga, whose ruthless ambition crushes all before him. At the opposite pole is the cold, deliberate Ieyasu, wise in counsel, brave in battle, mature beyond his years. But the keystone of this triumvirate is the most memorable of all, Hideyoshi, who rises from the menial post of sandal bearer to become Taiko—absolute ruler of Japan in the Emperor's name. When Nobunaga emerges from obscurity by destroying an army ten times the size of his own, he allies himself with Ieyasu, whose province is weak, but whose canniness and loyalty make him invaluable. Yet it is the scrawny, monkey-faced Hideyoshi—brash, impulsive, and utterly fearless—who becomes the unlikely savior of this ravaged land. Born the son of a farmer, he takes on the world with nothing but his bare hands and his wits, turning doubters into loyal servants, rivals into faithful friends, and enemies into allies. In all this he uses a piercing insight into human nature that unlocks castle gates, opens men's minds, and captures women's hearts. For Hideyoshi's passions are not limited to war and intrigue—his faithful wife, Nene, holds his love dear, even when she must share it; the chaste Oyu, sister of Hideyoshi's chief strategist, falls prey to his desires; and the seductive Chacha, whom he rescues from the fiery destruction of her father's castle, tempts his weakness. As recounted by Eiji Yoshikawa, author of the international best-seller Musashi, Taiko tells many stories: of the fury of Nobunaga and the fatal arrogance of the black-toothed Yoshimoto; of the pathetic downfall of the House of Takeda; how the scorned Mitsuhide betrayed his master; how once impregnable ramparts fell as their defenders died gloriously. Most of all, though, Taiko is the story of how one man transformed a nation through the force of his will and the depth of his humanity. Filled with scenes of pageantry and violence, acts of treachery and self-sacrifice, tenderness and savagery, Taiko combines the panoramic spectacle of a Kurosawa epic with a vivid evocation of feudal Japan.

Fragments of a Past Eiji Yoshikawa. 1992

Musashi Eiji Yoshikawa. 2012-08-10 The classic samurai novel about the real exploits of the most famous swordsman. Miyamoto Musashi was the child of an era when Japan was emerging from decades of civil strife. Lured to the great Battle of Sekigahara in 1600 by the hope of becoming a samurai—without really knowing what it meant—he regains consciousness after the battle to find himself lying defeated, dazed and wounded among thousands of the dead and dying. On his way home, he commits a rash act, becomes a fugitive and brings life in his own village to a standstill—until he is captured by a weaponless Zen monk. The lovely Otsu, seeing in Musashi her ideal of manliness, frees him from his tortuous punishment, but he is recaptured and imprisoned. During three years of solitary confinement, he delves into the classics of Japan and China. When he is set free again, he rejects the position of samurai and for the next several years pursues his goal relentlessly, looking neither to left nor to right. Ever so slowly it dawns on him that following the Way of the Sword is not simply a matter of finding a target for his brute strength. Continually striving to perfect his technique, which leads him to a unique style of fighting with two swords simultaneously, he travels far and wide, challenging fighters of many disciplines, taking nature to be his ultimate and severest teacher and undergoing the rigorous training of those who follow the Way. He is supremely successful in his encounters, but in the Art of War he perceives the way of peaceful and prosperous governance and disciplines himself to be a real human being. He becomes a reluctant hero to a host of people whose lives he has touched and been touched by. And, inevitably, he has to pit his skill against the naked blade of his greatest rival. Musashi is a novel in the best tradition of Japanese story telling. It is a living story, subtle and imaginative, teeming with memorable characters, many of them historical. Interweaving themes of unrequited love, misguided revenge, filial piety and absolute dedication to the Way of the Samurai, it depicts vividly a world Westerners know only vaguely. Full of gusto and humor, it has an epic quality and universal appeal. The novel was made into a three-part movie by Director Hiroshi Inagai. For more information, visit the Shopping area

Japonius Tyrannus Jeroen Pieter Lamers. 2000 Oda Nobunaga (1534-82), one of the best-known figures in Japanese history, dominated the political scene in Japan between 1568 and 1582 as he gradually conquered the country's central region and initiated a process of military and political unification. However, no standard biography existed on this warlord. Japonius Tyrannus fills the gap in our knowledge about Nobunaga. The chronological narrative provides a thorough analysis of his political and military career. -- a solid, richly detailed political biography. -- Conrad Totman in Monumenta Nipponica

Fearless Gina Liano. 2015-04-01 Most people will know Gina Liano as the larger-than-life personality on The Real Housewives of Melbourne. But few know the real-life story behind her rise to fame on reality TV and in Australia's legal circles as a respected Melbourne barrister. Just like the woman herself, Fearless is up-front, inspiring and passionate. Born in Melbourne to Italian parents, Gina's happy childhood turned sour when her parents' business and marriage failed. Gina battled to finish her schooling, and while her ambition was to study law, she was a married mother of one by the time she was 23. Along with her talented sisters she would establish three highly successful fashion stores in stylish inner-Melbourne. But Gina never lost sight of her goal to study law and become a barrister, and at 33, after years of schooling, she was finally admitted to the bar. With a dream career, a new husband and a second child, she was ready to take on the world. But it was not to be; only four years later, she received a shock diagnosis of life-threatening cancer. With more twists and turns than any reality TV show, every step of Gina's unique journey is intimately recounted in Fearless with the frankness and honesty that audiences have come to expect from the straight-talking star of the Real Housewives series. 'Sassy and sophisticated. Tough and tender. Glamorous and gregarious. Everyone has an opinion of Gina Liano, but those who know even a little about her know she's a survivor, then a thriver and always a winner ... against all odds.' Eddie McGuire

A Short History of Japan Curtis Andressen. 2002-09-01 This comprehensive, readable history of the land of the rising Sun, from its ancient origins to its fascinating past, is an ideal introduction to Japan for travellers, business people and students, and a compelling read for those interested in this rich culture and fascinating history.

Descent into Darkness Edward C. Raymer.2012-03-15 On December 7, 1941, as the great battleships Arizona, Oklahoma, and Utah lie paralyzed and burning in the aftermath of the Japanese attack on Pearl Harbor, a crack team of U.S. Navy salvage divers headed by Edward C. Raymer are hurriedly flown to Oahu from the mainland. The divers have been given a Herculean task: rescue the sailors and Marines trapped below, and resurrect the pride of the Pacific fleet. Now for the first time, the chief diver of the Pearl Harbor salvage operations, Cmdr. Edward C. Raymer, USN (Ret.), tells the whole story of the desperate attempts to save crewmembers caught inside their sinking ships. *Descent into Darkness* is the only book available that describes the raising and salvage operations of sunken battleships following the December 7th attack. Once Raymer and his crew of divers entered the interiors of the sunken shipwrecks—attempting untested and potentially deadly diving techniques—they experienced a world of total blackness, unable to see even the faceplates of their helmets. By memorizing the ships’ blueprints and using their sense of touch, the divers groped their way hundreds of feet inside the sunken vessels to make repairs and salvage vital war material. The divers learned how to cope with such unseen dangers as falling objects, sharks, the eerie presence of floating human bodies, and the constant threat of Japanese attacks from above. Though many of these divers were killed or seriously injured during the wartime salvage operations, on the whole they had great success performing what seemed to be impossible jobs. Among their credits, Raymer’s crew raised the sunken battleships West Virginia, Nevada, and California. After Pearl Harbor they moved on to other crucial salvage work off Guadalcanal and the sites of other great sea battles.

Music in Antiquity Joan Goodnick Westenholz, Yossi Maurey, Edwin Seroussi.2014-04-02 Music was one component of the cultural continuum that developed in the contiguous civilizations of the ancient Near East and of Greece and Rome. This book covers the range and gamut of this symbiosis, as well as scrutinizes archeological findings, texts, and iconographical materials in specific geographical areas along this continuum. The book, volume VIII of Yuval - Studies of the Jewish Music Research Centre at the Hebrew University, provides an updated scholarly assessment of the rich soundscapes of ancient civilizations.

The Way of the Samurai Eiji Yoshikawa.1990-11

Dragon Sword and Wind Child Noriko Ogiwara.2010-11-16 The forces of the God of Light and the Goddess of Darkness have waged a ruthless war across the land of Toyoashihara for generations. But for 15-year-old Saya, the war is far away and unimportant—until the day she discovers that she is the reincarnation of the Water Maiden and a princess of the Children of the Dark. Raised to love the Light and detest the Dark, Saya must come to terms with her heritage even as she tumbles into the very heart of the conflict that is destroying her country. The armies of the Light and Dark both seek to claim her, for she is the only mortal who can awaken the legendary Dragon Sword, the fearsome weapon destined to bring an end to the war. Can Saya make the dreadful choice between the Light and Dark, or is she doomed—like all the Water Maidens who came before her...? -- VIZ Media
Shinju Laura Joh Rowland.2011-12-14 When beautiful, wealthy Yukiko and low-born artist Noriyoshi are found drowned together in a shinju, or ritual double suicide, everyone believes the culprit was forbidden love. Everyone but newly appointed yoriki Sano Ichiro. Despite the official verdict and warnings from his superiors, the shogun's Most Honorable Investigator of Events, Situations, and People suspects the deaths weren't just a tragedy -- they were murder. Risking his family's good name and his own life, Sano will search for a killer across every level of society -- determined to find answers to a mystery no one wants solved. No one but Sano... As subtle and beautiful as the culture it evokes, *Shinju* vividly re-creates a world of ornate tearooms and gaudy pleasure-palaces, cloistered mountaintop convents and deathly prisons. Part love story, part mystery, *Shinju* is a tour that will dazzle and entertain all who enter its world. BONUS: This edition includes an excerpt from Laura Joh Rowland's *The Shogun's Daughter*.

Samurai Rising Pamela S. Turner.2018-03-13 Minamoto Yoshitsune should not have been a samurai. But his story is legend in this real-life saga. This epic warrior tale reads like a novel, but this is the true story of the greatest samurai in Japanese history. When Yoshitsune was just a baby, his father went to war with a rival samurai family—and lost. His father was killed, his mother captured, and his surviving half-brother banished. Yoshitsune was sent away to live in a monastery. Skinny, small, and unskilled in the warrior arts, he nevertheless escaped and learned the ways of the samurai. When the time came for the Minamoto clan to rise up against their enemies, Yoshitsune answered the call. His daring feats and impossible bravery earned him immortality.

Musashi's Dokkodo (the Way of Walking Alone) Miyamoto Musashi.2015-11-08 The authors have made classic samurai wisdom accessible to the modern martial artist like never before. - Goran Powell, award winning author of *Chojun* and *A Sudden Dawn* It's fascinating stuff! - Steve Perry, New York Times bestselling author The precepts offer priceless advice to anyone. - Kate Vitasek, University of Tennessee The five point perspective inspired deep introspection. I have been elevated to higher and deeper levels of personal and professional growth by reading this book. - Laela Erickson, Senior Business Development Executive Miyamoto Musashi (1584 - 1645) was arguably the greatest swordsman who ever lived, a legendary figure whose methods of thought and strategy have been studied and adopted across a wide spectrum of society, from martial artists to military leaders to captains of industry. The iconic sword saint of Japan was clearly a genius, yet he was also a functional psychopath—ruthless, fearless, hyper-focused, and utterly without conscience. Shortly before he died, Musashi wrote down his final thoughts about life for his favorite student Terao Magonojo to whom *Go Rin No Sho*, his famous *Book of Five Rings*, had also been dedicated. He called this treatise *Dokkodo*, which translates as *The Way of Walking Alone*. The book you hold in your hands is the definitive interpretation of Musashi's final work. Readers are oftentimes subject to a single perspective about what some famous author from the past had to say, yet we are more holistic here. This treatise contains Musashi's original 21 precepts of the *Dokkodo* along with five different interpretations of each passage written from the viewpoints of a monk, a warrior, a teacher, an insurance executive, and a businessman. Each contributor has taken a divergent path from the others, yet shares the commonality of being a lifelong martial practitioner and published author. In this fashion you are not just reading a simple translation of Musashi's writing, you are scrutinizing his final words for deeper meaning. In them are enduring lessons for how to lead a successful and meaningful life.

The New Chushingura Eiji Yoshikawa.2022-06-12 A dish best served cold... The revenge of the forty-seven ronin is the famous story of samurai vengeance from feudal Japan. Briefly, Lord Asano, the daimyo of Ako, tries to kill Lord Kira, the chief master of ceremonies, in the shogun's castle in Edo during a visit of imperial envoys from Kyoto. The shogun handed down the sentence of seppuku, ritual suicide, to be carried out the same evening but only for Lord Asano. Some, but not all, of Asano's retainers found the punishment unjust and vowed to deliver Lord Kira's head to the grave of their lord. No one knows the full true story of the forty-seven ronin, but Eiji Yoshikawa weaves an exciting tale of the players on this historic stage. He tells a tale of the many players, their motivations and conflicts, and the series of events that affect Japan to this day. An early retelling of this incident was a puppet play titled *Chushingura*, which is translated as *The Treasury of Loyal Retainers*. Eiji Yoshikawa's *The New Chushingura* was serially published in *Hinode* magazine from January 1935 to January 1937.

The Lone Samurai William Scott Wilson.2013-03-12 Miyamoto Musashi (1584?1645) was the legendary samurai known throughout the world as a master swordsman, spiritual seeker, and author of the classic book on strategy, the *Book of Five Rings*. Over 350 years after his death, Musashi and his legacy still fascinate us and continue to inspire artists, authors, and filmmakers. Here, respected translator and expert on samurai culture William Scott Wilson has created both a vivid account of a fascinating period in feudal Japan and a portrait of the courageous, iconoclastic samurai who wrestled with philosophical and spiritual ideas that are as relevant today as they were in his time. For Musashi, the way of the martial arts was about mastery of the mind rather than simply technical prowess—and it is this path to mastery that is the core teaching in his *Book of Five Rings*. This volume includes supplemental material on Musashi’s legacy as a martial arts icon, his impact on literature and film, and the influence of his *Book of Five Rings*.

African Samurai Thomas Lockley, Geoffrey Girard.2019-04-30 This biography of the first foreign-born samurai and his journey from Africa to Japan is “a readable, compassionate account of an extraordinary life” (*The Washington Post*). When Yasuke arrived in Japan in the late 1500s, he had already traveled much of the known world. Kidnapped as a child, he had ended up a servant and bodyguard to the head of the Jesuits in Asia, with whom he traversed India and China learning multiple languages as he went. His arrival in Kyoto, however, literally caused a riot. Most Japanese people had never seen an African man before, and many of them saw him as the embodiment of the black-skinned Buddha. Among those who were drawn to his presence was Lord Nobunaga, head of the most powerful clan in Japan, who made Yasuke a samurai in his court. Soon, he was learning

the traditions of Japan's martial arts and ascending the upper echelons of Japanese society. In the four hundred years since, Yasuke has been known in Japan largely as a legendary, perhaps mythical figure. Now African Samurai presents the never-before-told biography of this unique figure of the sixteenth century, one whose travels between countries and cultures offers a new perspective on race in world history and a vivid portrait of life in medieval Japan. "Fast-paced, action-packed writing. . . . A new and important biography and an incredibly moving study of medieval Japan and solid perspective on its unification. Highly recommended." —Library Journal (starred review) "Eminently readable. . . . a worthwhile and entertaining work." —Publishers Weekly "A unique story of a unique man, and yet someone with whom we can all identify." —Jack Weatherford, New York Times—bestselling author of Genghis Khan

An Encyclopedia of Japanese History Chris Spackman.2022-10-27 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. The Maker of Modern Japan A L Sadler.2014-04-16 Tokugawa Ieyasu founded a dynasty of rulers, organized a system of government and set in train the re-orientation of the religion of Japan so that he would take the premier place in it. Calm, capable and entirely fearless, Ieyasu deliberately brought the opposition to a head and crushed in a decisive battle, after which he made himself Shogun, despite not being from the Minamoto clan. He organized the Japanese legal and educational systems and encouraged trade with Europe (playing off the Protestant powers of Holland and England against Catholic Spain and Portugal). This book remains one of the few volumes on Tokugawa Ieyasu which draws on more material from Japanese sources than quotations from the European documents from his era and is therefore much more accurate and thorough in its examination of the life and legacy of one of the greatest Shoguns.

The Art of War Eiji Yoshikawa.1989-03 Translated from the Japanese by Charles E. Terry.

Hideyoshi Mary Elizabeth Berry.2020-05-18 Here is the first full-length biography in English of the most important political figure in premodern Japan. Hideyoshi—peasant turned general, military genius, and imperial regent of Japan—is the subject of an immense legendary literature. He is best known for the conquest of Japan's sixteenth-century warlords and the invasion of Korea. He is known, too, as an extravagant showman who rebuilt cities, erected a colossal statue of the Buddha, and entertained thousands of guests at tea parties. But his lasting contribution is as governor whose policies shaped the course of Japanese politics for almost three hundred years. In Japan's first experiment with federal rule, Hideyoshi successfully unified two hundred local domains under a central authority. Berry explores the motives and forms of this new federalism which would survive in Japan until the mid-nineteenth century, as well as the philosophical question it raised: What is the proper role of government? This book reflects upon both the shifting political consciousness of the late sixteenth century and the legitimation rituals that were invoked to place change in a traditional context. It also reflects upon the architect of that change—a troubled parvenu who acted often with moderation and sometimes with explosive brutality.

The Heike Story Eiji Yoshikawa.2011-04-10 The Heike Story is a modern translation of a Japanese classic. Kyoto in the twelfth century was a magnificent city, but crime, disorder, and lust were rampant. The people were abused by the nobility, while armed Buddhist monks terrorized court and commoner alike. In despair, the Emperor called upon the Heike and Genji clans to quell civil disturbances. Although the clans succeeded, they quarreled over the spoils of war and plunged the country into a century of warfare. The Heike Story describes the rise to power of Kiyomori of the Heike clan during this turbulent time. From a youth sunk in poverty, Kiyomori eventually rose to become the Emperor's Chief Councilor. Although he was a gentle, enlightened man, he left a trail of bloodshed and ruin in his wake. The strange twists of Kiyomori's fate are the core of this epic novel. Its exotic atmosphere, narrative power, pageantry, and poetry will enthrall readers and provide an entertaining introduction to an important source of Japanese culture. This new edition features a foreword by Dr. Davinder Bhowmik that introduces this celebrated author and book to modern readers.

Samurai and Ninja Antony Cummins.2016-08-09 The myths of the noble Samurai and the sinister Ninja are filled with romantic fantasy and fallacy. Samurai and Ninja expert Antony Cummins shatters the myths and exposes the true nature of these very real—and very lethal—medieval Japanese warriors. The Samurai and Ninja were in fact brutal killing machines trained in torture and soaked in machismo. Many were skilled horsemen and sword-fighting specialists, while others were masters of deception and sabotage. Some fought for loyalty, others for personal gain. What these warriors all shared in common was their unflinching personal bravery, skill and brutality. In Samurai and Ninja, Cummins separates myth from reality and shows why the Japanese were the greatest warriors of all time: He describes the Samurai and the Ninja as they really were in earlier times when battles raged across Japan—not in later times when war became obsolete and Japanese warriors became philosophers, scholars and courtiers. He describes the social context of the day and the feudal world into which the warriors were trained to fight and die for their lords. He exposes the essentially brutal nature of warfare in medieval Japan. This book is illuminated by many rare Japanese manuscripts and texts which are translated into English for the very first time.

Japan in the Muromachi Age John Whitney Hall, Toyoda Takeshi.2022-07-15 This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1977.

The Fighting Spirit of Japan E. J. Harrison.2022-08-16 DigiCat Publishing presents to you this special edition of The Fighting Spirit of Japan by E. J. Harrison. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Sengoku Jidai. Nobunaga, Hideyoshi, and Ieyasu Danny Chaplin.2018 Japan's Sengoku jidai ('Warring States Period') was a time of crisis and upheaval, a chaotic epoch when the relatively low-born rural military class of 'bushi' (samurai warriors) succeeded in overthrowing their social superiors in the court throughout much of the country. Into this tumultuous age of constant warfare came three remarkable individuals: Oda Nobunaga (1534-1582), Toyotomi Hideyoshi (1537-1598), and Tokugawa Ieyasu (1543-1616). Each would play a unique role in the re-unification of the disparate, fragmented collection of warring provinces which constituted Japan in the sixteenth and early seventeenth-centuries. This new narrative history of the sengoku era draws together the epic strands of their three stories for the first time. It offers a coherent survey of the Azuchi-Momoyama Period (1568-1600) under both Nobunaga and Hideyoshi, followed by the founding years of the Tokugawa shogunate (1600-1616). Every pivotal battle fought by each of these three hegemonies is explored in depth from Okehazama (1560) and Nagashino (1575) to Sekigahara (1600) and the Two Sieges of Osaka Castle (1614-15). In addition, the political and administrative underpinnings of their rule is also examined, as well as the marginal role played by western foreigners ('nanban') and the Christian religion in early modern Japanese society. In its scope, the story of Japan's three unifiers ('the Fool', 'the Monkey', and 'the Old Badger') is a sweeping saga encompassing acts of unimaginable cruelty as well as feats of great samurai heroism which were venerated and written about long into the peaceful Edo/Tokugawa period.

The Making of Modern Japan Marius B. Jansen.2009-07-01 Magisterial in vision, sweeping in scope, this monumental work presents a seamless account of Japanese society during the modern era, from 1600 to the present. A distillation of more than fifty years' engagement with Japan and its history, it is the crowning work of our leading interpreter of the modern Japanese experience. Since 1600 Japan has undergone three periods of wrenching social and institutional change, following the imposition of hegemonic order on feudal society by the Tokugawa shogun; the opening of Japan's ports by Commodore Perry; and defeat in World War II. The Making of Modern Japan charts these changes: the social engineering begun with the founding of the shogunate in 1600, the emergence of village and castle towns with consumer populations, and the diffusion of samurai

values in the culture. Marius Jansen covers the making of the modern state, the adaptation of Western models, growing international trade, the broadening opportunity in Japanese society with industrialization, and the postwar occupation reforms imposed by General MacArthur. Throughout, the book gives voice to the individuals and views that have shaped the actions and beliefs of the Japanese, with writers, artists, and thinkers, as well as political leaders given their due. The story this book tells, though marked by profound changes, is also one of remarkable consistency, in which continuities outweigh upheavals in the development of society, and successive waves of outside influence have only served to strengthen a sense of what is unique and native to Japanese experience. *The Making of Modern Japan* takes us to the core of this experience as it illuminates one of the contemporary world's most compelling transformations.

Taira No Masakado Eiji Yoshikawa.2020-03-14 Being honest to a fault and trusting of others do not always end well. Masakado is a sixteen-year-old orphan when his uncles send him to the capital city to study and become a civilized man capable of leading his powerful and wealthy clan. The country boy from a frontier province gets his first lesson the moment he steps foot in the city. After a long time away, he returns home to his younger brothers and family estate to build a better life for all. But his brothers grew up to be meek and cowardly young men, and his uncles had picked his inheritance clean. Masakado asks his uncles to return what is his. Their response is a beating. Next, he appeals to the government. Unfortunately, the superstitious elite class in the government worry only about themselves and the pirates in the southern seas. In time, this family squabble explodes into war. This rebellion went down in history as one of the greatest threats to Japan's central government. The great Japanese historical novelist Eiji Yoshikawa tells this story of a life of loyalty, insurgency, compassion, treachery, and love. Buy *Taira no Masakado* now to read this telling of the life of the warrior rebel.

The Imjin War Samuel Hawley.2014-09-15 In May of 1592, Japanese dictator Toyotomi Hideyoshi sent a 158,800-man army of invasion from Kyushu to Pusan on Korea's southern tip. His objective: to conquer Korea, then China, then the whole of Asia. The resulting seven years of fighting, known in Korea as imjin waeran, the Imjin invasion, after the year of the water dragon in which it began, dwarfed contemporary conflicts in Europe and was one of the most devastating wars to grip East Asia in the past thousand years. *THE IMJIN WAR* is the most comprehensive account ever published in English of this cataclysmic event, so little known in the West. It begins with the political and cultural background of Korea, Japan and China, explores the diplomatic impasse that led to the war, describes every major incident and battle from 1592 to 1598 and introduces a fascinating cast of characters along the way. There is Hideyoshi, hosting garden parties as his armies march toward Beijing; Korean admiral Yi Sun-sin, emerging from a prison cell to take on the Japanese navy with just thirteen ships; Chinese commander Zhao Chengxun, suffering defeat after promising to scatter the Japanese to the four winds; the courtesan Chu Non-gae, luring a samurai warrior into her arms and jumping into the Nam River with him locked in her embrace. One nation fighting to expand, another to survive. Shockwaves extending across China and beyond. *THE IMJIN WAR* is an epic tale of grand perspective and intimate detail of an upheaval that would shape East Asia for centuries to come.

Ideals of the Samurai Gregory Lee.1982 An anthology of 12 samurai manuscripts showing the meaning and guiding principles of samurai life.

World Music Terry E. Miller,Andrew Shahriari.2013-07-24 Authors Terry E. Miller and Andrew Shahriari take students around the world to experience the diversity of musical expression. *World Music: A Global Journey*, now in its third edition, is known for its breadth in surveying the world's major cultures in a systematic study of world music within a strong pedagogical framework. As one prepares for any travel, each chapter starts with background preparation, reviewing the historical, cultural, and musical overview of the region. Visits to multiple 'sites' within a region provide in-depth studies of varied musical traditions. Music analysis begins with an experimental first impression of the music, followed by an aural analysis of the sound and prominent musical elements. Finally, students are invited to consider the cultural connections that give the music its meaning and life. Features of the Third Edition Over 3 hours of diverse musical examples. with a third audio CD of new musical examples Listening Guides analyze the various pieces of music with some presented in an interactive format online Biographical highlights of performers and ethnomusicologists updated and new ones added Numerous pedagogical aids, including On Your Own Time and Explore More sidebars, and Questions to Consider Popular music incorporated with the traditional Dynamic companion web site hosts new Interactive Listening Guides, plus many resources for student and instructor. Built to serve online courses. The CD set is available separately (ISBN 978-0-415-89402-9) or with its Value Pack and book (ISBN 978 0415- 80823-1). Please find instructions on how to obtain the audio files in the contents section of the eBook.

War in Japan 1467-1615 Stephen Turnbull.2014-06-06 In 1467 the Onin War ushered in a period of unrivalled conflict and rivalry in Japan that came to be called the Age of Warring States or Sengoku Jidai. In this book Stephen Turnbull offers a masterly exposition of the Sengoku Jidai, detailing the factors that led to Japan's disintegration into warring states after more than a century of peace; the years of fighting that followed; and the period of gradual fusion when the daimyo (great names) strove to reunite Japan under a new Shogun. Peace returned to Japan with the end of the Osaka War in 1615, but only at the end of the most violent, turbulent and cruel period in Japanese history.

The Iron Will of Vishvamitra Dr. Sukhi Ram Rawat.2016-04-08 *The Iron Will of Vishvamitra* is based on a creative interpretation of the causes and effects of two mythological water-wars fought during the Rigvedic period on the banks of the rivers Ravi and Yamuna. This book tells the reader that when natural water resources are exploited forcibly and unreasonably, without caring for environment and agriculture, a fierce struggle breaks out between the rival claimants. Nature plays havoc with the perpetrator as well as the sufferer. The perpetrator's greed and avarice bring about the doom of the good and the bad alike. When exploitation and misuse of natural water resources continue unhindered and all efforts of persuasion fail, a man of iron will like Vishvamitra takes up the cudgels to save the earth and teaches the wrong-doers a lesson. On the surface, this is what the book is about, but readers may delve deep into it to understand the unseen meaning. Also available as e-book on all major online platforms such as Amazon Kindle, Kobbo, Rockstand and Google Play.

Blue Nippon E. Taylor Atkins.2001

Extreme Exoticism W. Anthony Sheppard.2019-09-20 To what extent can music be employed to shape one culture's understanding of another? In the American imagination, Japan has represented the most alien nation for over 150 years. This perceived difference has inspired fantasies--of both desire and repulsion--through which Japanese culture has profoundly impacted the arts and industry of the U.S. While the influence of Japan on American and European painting, architecture, design, theater, and literature has been celebrated in numerous books and exhibitions, the role of music has been virtually ignored until now. W. Anthony Sheppard's *Extreme Exoticism* offers a detailed documentation and wide-ranging investigation of music's role in shaping American perceptions of the Japanese, the influence of Japanese music on American composers, and the place of Japanese Americans in American musical life. Presenting numerous American encounters with and representations of Japanese music and Japan, this book reveals how music functions in exotic representation across a variety of genres and media, and how Japanese music has at various times served as a sign of modernist experimentation, a sounding board for defining American music, and a tool for reshaping conceptions of race and gender. From the Tin Pan Alley songs of the Russo-Japanese war period to Weezer's Pinkerton album, music has continued to inscribe Japan as the land of extreme exoticism.

Heike Story, The Yoshikawa, Eiji.1956 A retelling of the medieval Japanese novel Heike monogatari.

AN ARTIST'S LETTERS FROM JAPAN. John La Farge.1898

Taiko An Epic Novel Of War And Glory In Feudal Ja Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Taiko An Epic Novel Of War And Glory In Feudal Ja PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Taiko An Epic Novel Of War And Glory In Feudal Ja PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Taiko An Epic Novel Of War And Glory In Feudal Ja free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Taiko An Epic Novel Of War And Glory In Feudal Ja Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
