Learn German: By Reading Fantasy 2 Dima Zales,Mozaika Educational.2017-06-18 From a New York Times and USA Today bestselling author comes a new kind of textbook... After the success of the first edition of Learn by Reading, we decided to bring you the second volume. This book uses the second volume in the Sorcery Code series as the underlying text. If you haven't read volume 1, we recommend you start there. Though you could still get the educational benefits by starting from this volume, you will be missing critical information required for enjoyment of the story—and in our opinion, enjoyment is critical to the learning process.

The City of Dreaming Books Walter Moers.2008-09-02 In this whimsical fantasy adventure, a novelist's search for an author takes him to a magical city, a villainous literary scholar, and perilous catacombs. Optimus Yarnspinner's search for an author's identity takes him to Bookholm—the so-called City of Dreaming Books. On entering its streets, our hero feels as if he has opened the door of a gigantic second-hand bookshop. His nostrils are assailed by clouds of book dust, the stimulating scent of ancient leather, and the tang of printer's ink. Soon, though, Yarnspinner falls into the clutches of the city's evil genius, Pfistomel Smyke, who treacherously maroons him in the labyrinthine catacombs underneath the city, where reading books can be genuinely dangerous . . . In *The City of Dreaming Books*, Walter Moers transports us to a magical world where reading is a remarkable adventure. Only those intrepid souls who are prepared to join Yarnspinner on his perilous journey should read this book. We wish the rest of you a long, safe, unutterably dull, and boring life! Praise for *The City of Dreaming Books* "German author and cartoonist Moers returns to the mythical lost continent of Zamonia in his uproarious third fantasy adventure to be translated into English, a delightfully imaginative mélange of Shel Silverstein zaniness and oddball anthropomorphism à la Terry Pratchett's Discworld. . . . A wonderfully whimsical story that will appeal to readers of all ages." —Publishers Weekly "A salmagundi of whimsy, imagination and book lore—remarkable fun." —Cleveland Plain Dealer "Moers puts Tolkien through some sort of Willy Wonka sweetening process and comes up with characters such as Optimus Yarnspinner, who, names being fate and all, just has to be a storyteller." —Kirkus Reviews

German Short Stories for Intermediates German German Academy,Sarah Schoettler.2017-07-11 INTRODUCING: 10 Provocative Short Stories to Learn German (Including Lists of Vocabulary & Detailed Quizzes) Do you know what's the most popular, breakthrough way of learning a new language nowadays? There's something that's for sure: you already know it isn't common, old-fashioned type of language learning books. Those are incredibly boring and outdated. But there's so much more than that. Today, the most popular, hustle-free way of learning a foreign language is this: by reading short stories, fun tales, and captivating narratives that keep you hooked from beginning to end. Do we have your attention already? Great. Because that's exactly what this book is about. Captivating Stories + German Language = Learn Faster The best thing about using short stories to learn foreign languages is that you actually learn without realizing you're doing it. Think for a second, when was the last time you learned something new without much effort on your part? When was the last time you actually enjoyed the learning process and were eager to keep advancing, page after page, having fun the whole time? Most likely than not, it's tough to recall feeling like that. That's why learning German with short stories is catching up so much momentum lately: it works, it's fun, and it's pretty much hustle-free. In this volume you'll find ten exciting short stories intended for upper beginners and intermediate German learners. They've been prepared for A2, B1 and B2 levels of the CEFR (Common European Framework of Reference). You just have to focus on one story at a time and start reading. Each story contains 3000 to 4000 words, and they can be read quite effortlessly. The stories were built around multiple genres, including mystery, adventure, fantasy and romance, and most take place in Germany. We've prepared these tales to keep you entertained and motivated to continue reading until the very end of each story. We strongly believe that learning while enjoying yourself is the ideal approach to learning. INCLUDING: Lists of Vocabulary, Detailed Exercises & Summaries of Each Tale This volume contains ten short tales written in German. Each story is divided into three chapters. The first chapter introduces the characters and the general setting. Chapter 2 presents the conflict, and Chapter 3 solves it completely. After each chapter you'll find an Annex with a short summary of what you just read, a list with the most challenging vocabulary introduced in that chapter, and quizzes to expand your comprehension. READ: German Short Stories For Intermediates - 10 Provocative Short Stories to Learn German By Reading Fun Tales This volume contains hundreds of new words in German you can try in your next trip to Germany. These tales will push you to grow your German vocabulary. Keep in mind that the level of difficulty of each tale goes up as you advance. That's why we've chosen each set of vocabulary carefully, keeping an eye on how each student feels with each tale. What Do You Get From Reading This Book? First of all, you'll have a lot of fun reading fiction Secondly, you'll expand your vocabulary to unprecedented levels Third, you'll get a snapshot of the culture and habits of the German speaking world Fourth, we'll give you an excuse to put down all those boring grammar books you own Fifth, you'll feel way more comfortable with your German skills in your next trip to Germany And sixth, did we mention you're going to have a lot of FUN reading these tales? Think of this volume as your German language learning companion. All you need to do is pick a story from this book, prepare a cup of coffee or tea, and start reading. Are you ready to start reading? Measuring the World Daniel Kehlmann.2009-03-12 *Measuring the World* marks the debut of a glorious new talent on the international scene. Young

Austrian writer Daniel Kehlmann's brilliant comic novel revolves around the meeting of two colossal geniuses of the Enlightenment. Late in the eighteenth century, two young Germans set out to measure the world. One of them, the aristocratic naturalist Alexander von Humboldt, negotiates jungles, voyages down the Orinoco River, tastes poisons, climbs the highest mountain known to man, counts head lice, and explores and measures every cave and hill he comes across. The other, the reclusive and barely socialized mathematician Carl Friedrich Gauss, can prove that space is curved without leaving his home. Terrifyingly famous and wildly eccentric, these two polar opposites finally meet in Berlin in 1828, and are immediately embroiled in the turmoil of the post-Napoleonic world.

Learn German Mozaika Educational, Dima Zales. 2015-01-09 From the authors who brought you the Krinar Chronicles: Once a respected member of the Sorcerer Council and now an outcast, Blaise has spent the last year of his life working on a special magical object. Heidi Johanna Spyri. 2016-10-02 Heidi is an orphaned girl initially raised by her aunt Detie in Maienfeld, Switzerland after the early deaths of her parents, Tobias and Adelheid (Detie's sister and brother-in-law). Detie brings 6-year-old Heidi to her paternal grandfather's house, up the mountain from Dörfli. He has been at odds with the villagers and embittered against God for years and lives in seclusion on the alm. This has earned him the nickname Alm-Uncle. He briefly resents Heidi's arrival, but the girl's evident intelligence and cheerful yet unaffected demeanor soon earn his genuine, if reserved, affection. Heidi enthusiastically befriends her new neighbors, young Peter the goatherd, his mother, Bridget, and his blind maternal grandmother, who is Grannie to everyone. With each season that passes, the mountaintop inhabitants grow more attached to Heidi.

The Carpet Makers Andreas Eschbach. 2013-07-30 Since the time of pre-history, carpetmakers tie intricate knots to form carpets for the court of the Emperor. These carpets are made from the hairs of wives and daughters; they are so detailed and fragile that each carpetmaker finishes only one single carpet in his entire lifetime. This art descends from father to son, since the beginning of time itself. But one day the empire of the God Emperor vanishes, and strangers begin to arrive from the stars to follow the trace of the hair carpets. What these strangers discover is beyond all belief, more than anything they could have ever imagined... Brought to the attention of Tor Books by Orson Scott Card, this edition of The Carpet Makers contains a special introduction by Orson Scott Card. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Becoming Fluent in German Philipp Eich.2020-04 Learning German may seem like a difficult task. Especially when it comes to the nature of the German language. The good news is that's just a false presumption. Every language can be learned if you know the right technique and the right information. It is proven that the easiest way to learn a language is to hear it in action. Hearing a natural german conversation is the best thing you can do, it's like listening to a story. Natural is the keyword in that sentence. A natural approach to learning the language is the fastest and simplest approach to do it. Why do you think you hear people learning a language extremely fast when they move to another country? Because they hear it naturally, every day. Learn German with stories . Maybe the easiest language learning system ever created. How does that sound to you? People listen to other people's stories. The human mind is programmed to like stories because that's what our life is. A story. And because of this very reason, I've crafted stories that will easily cut you months of struggling to learn German. There will no longer be a struggle. Moving to Germany just to learn German is not a solution . That's why my book brings Germany to you. It brings stories to you. Learning German with my stories will grab your mind into believing that you will actually live into German conversations. When you're reading a story, you feel like you're there. The same concept applies to learning German with stories. Pirate Curse Kai Meyer.2007-04-10 The pirates of the Caribbean have a name for kids who can walk on water -- they call them polliwogs. As far as 14-year-old Jolly knows, she's the last polliwog still alive. She is valuable to the pirate captain who raised her, for she can sneak up on an enemy ship by walking over the waves. When someone sets a trap for Jolly's ship, Jolly alone escapes. She is washed up on a tiny island inhabited by a farming family -- and the ghosts who labor for them. The farmers have a son, Munk, who has been raised almost in hiding. Munk longs to go to sea, but his parents say that they are afraid of pirates, and they have forbidden Munk to reveal his true identity -- he, too, is a polliwog. But pirates are not the only threat in the Caribbean. Evil forces are stirring, and a demon from the sea attacks and murders Munk's parents. Was the demon really after Munk? And Jolly, too? Why are the polliwogs so valuable, and who wants them enough to kill for them? Jolly and Munk must sail with a strange crew of outcasts, led by the mysterious Ghost Trader, to avenge their loved ones and try to stop an ancient, malevolent force known as the Maelstrom. What it will cost both teens, no one can tell -- in this thrilling, swashbuckling fantasy from the extraordinary Kai Meyer.

The split between “free public domain ebooks” and “free original ebooks” is surprisingly even. A big chunk of the public domain titles are short stories and a lot of the original titles are fanfiction. Still, if you do a bit of digging around, you’ll find some interesting stories. Because this site is dedicated to free books, there’s none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site’s genres are presented on the homepage, so you don’t have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars). Myanonamouse is a private bit torrent tracker that needs you to register with your email id to get access to its database. It is a comparatively easier to get into website with easy uploading of books. It features over 2million torrents and is a free for all platform with access to its huge database of free eBooks. Better known for audio books, Myanonamouse has a larger and friendly community with some strict rules. The Kindle Owners' Lending Library has hundreds of thousands of free Kindle books available directly from Amazon. This is a lending process, so you'll only be able to borrow the book, not keep it. Google Books will remember which page you were on, so you can start reading a book on your desktop computer and continue reading on your tablet or Android phone without missing a page. The Online Books Page: Maintained by the University of Pennsylvania, this page lists over one million free books available for download in dozens of different formats. The browsing interface has a lot of room to improve, but it’s simple enough to use. Downloads are available in dozens of formats, including EPUB, MOBI, and PDF, and each story has a Flesch-Kincaid score to show how easy or difficult it is to read. Get in touch with us! From our offices and partner business' located across the globe we can offer full local services as well as complete international shipping, book online download free of cost Once you find something you're interested in, click on the book title and you'll be taken to that book's specific page.
