Millionaires for the Month Stacy McAnulty.2022-05-03 How would you spend five million dollars in 30 days? A billionaire's wallet, a bizarre challenge, and an unlikely friendship send two kids on a wild adventure. From the author of *The Miscalculations of Lightning Girl*. Felix Rannells and Benji Porter were never supposed to be field-trip partners. Felix is a rule follower. Benji is a rule bender. They're not friends. And they don't have anything to talk about. Until . . . They find a wallet. A wallet that belongs to tech billionaire Laura Friendly. They're totally going to return it-but not before Benji borrows twenty dollars to buy hot dogs. Because twenty dollars is like a penny to a billionaire, right? But a penny has value. A penny doubled every day for thirty days is \$5,368,709.12! So that's exactly how much money Laura Friendly challenges Felix and Benji to spend. They have thirty days. They can't tell anyone. And there are LOTS of other rules. But if they succeed, they each get ten million dollars to spend however they want. Challenge accepted! They rent cool cars, go to Disney World, buy pizza for the whole school-and that's just the beginning! But money can't buy everything or fix every problem. And spending it isn't always as easy and fun as they thought it would be. . . . As smart as it is entertaining, *Millionaires for the Month* is a thought-provoking story about friendship, privilege, and the value of a penny.

How to Make Money as a Kid Caleb Maddix.2018-07-30

Imagine your kid being 18, having enough money to pay for their college education, living on their own, and having the car of their dreams. Hey, my name is Caleb Maddix and for a while I thought this was impossible, until I had a life changing experience. I was over at my friends house, and we were on the couch hanging out. But than, his friends mom walked up to him, and handed him a piece of paper. I looked at it, and realized that it was a TWENTY DOLLAR BILL! I asked him how he got the \$20, and he said that he did something called chores.. Everytime he threw out the trash, or cleaned up his room, he got \$20. I felt SCAMMED, and ran home, asking my dad if I could be paid to do chores. And he said.. NO! I was shocked! Didn't he want me to have good work ethic? Didn't he want me to grow up and be self sufficient? He said however, that he would pay me \$20 for every single SUCCESS BOOK that I read. So I started reading different success books, and before you knew it I started making money from what I learned in the books. And as soon as this happened, I realized IT IS possible to make money as a kid... After using all that I have learned, and literally becoming a self made millionaire by age 16 I decided to write a book for kids teaching them how to do the same.
