Karma Sadhguru.2021-04-27 NEW YORK TIMES, USA TODAY, and PUBLISHERS WEEKLY BESTSELLER “Full of valuable insights to guide you.”—WILL SMITH “Thoughtful and life-affirming . . . a must-read.”—TONY ROBBINS “This book will put you back in charge of your own life.”—TOM BRADY A new perspective on the overused and misunderstood concept of “karma” that offers the key to happiness and enlightenment, from the world-renowned spiritual master Sadhguru. What is karma? Most people understand karma as a balance sheet of good and bad deeds, virtues and sins. The mechanism that decrees that we cannot evade the consequences of our own actions. In reality, karma has nothing to do with reward and punishment. Karma simply means action: your action, your responsibility. It isn't some external system of crime and punishment, but an internal cycle generated by you. Accumulation of karma is determined only by your intention and the way you respond to what is happening to you. Over time, it's possible to become ensnared by your own unconscious patterns of behavior. In Karma, Sadhguru seeks to put you back in the driver's seat, turning you from a terror-struck passenger to a confident driver navigating the course of your own destiny. By living consciously and fully inhabiting each moment, you can free yourself from the cycle. Karma is an exploration and a manual, restoring our understanding of karma to its original potential for freedom and empowerment instead of a source of entanglement. Through Sadhguru's teachings, you will learn how to live intelligently and joyfully in a challenging world.

Wisdom Of The Gita J.M MEHTA.2012-11-15 The small book acquaints the readers with the fundamentals of life, which include the human body and the soul, pleasure and pain, God and nature, good and evil, the different qualities inherent in human beings, yoga, meditation, desires and similar other aspects. The book has been specially designed for the busy man of the present day, who has no time to read voluminous titles! All the literature of the world is puny and insignificant in front of the Bhagwat Gita- once remarked the famous American writer and philosopher, H.D.Thoreau. This book is an outcome of a deep study of the Gita over a long period and broadly covers the main teachings enshrined in the scripture. In fact,Gita is not merely a holy book meant for reverence and ritual worship, but it is a fountain spring of true knowledge and wisdom and can be considered as a manual for righteous living. This small book acquaints the readers with the fundamentals of life, which include the human body and the soul, pleasure and pain, God and nature, good and evil, the different qualities inherent in human beings, yoga, meditation, desires and similar other aspects. The book has been specially designed for the busy man of the present day, who has no time to read voluminous titles! Some Glimpses: *The Goal of Life: The man who remains same in pain and pleasure, and who is wise makes himself fit for eternal life. *The Charity given as a matter of duty and without expectation of return, to the right and deserving person, at the right time and place is Satvik. *Whatsoever makes the unwavering and unsteady mind wander away, let him restrain and bring it back to the control of the self alone. *A true devotee is one who has no ill-will to any being, who is friendly and compassionate, free from egoism and self sense, even-minded in pain and pleasure, and patient. #v&spublishers
