The Complete Poetry Guide and Workbook Gareth S.L. Jones.

A Life with Poetry Joan Peskin,David I. Hanauer.2023-02-22 This volume examines the development of poetic literacy including the specific processes used by expert poetry readers and professional poets. In doing so it provides a much needed synthesis of research findings across diverse domains such as human development, the scientific study of literature, cognitive psychology, neuroscience, psycholinguistics and education. An important feature of the book is its exploration of the new and relatively unexplored area of research on the development of poetic writing. Both theoretical and practical, the volume will be of interest to researchers as well as educators. The detailed explication of expert knowledge and the trajectory through which relative novices become relative experts should allow educators to make evidence-based decisions. Valuable guidelines for developmentally-appropriate practice in pedagogical settings are provided to better optimize learning and inspire students from preschool to graduate school and beyond.

Look Ma, "Hands" on Poetry Adele L. Steiner.2008-05 The workshops in Look Ma, Hands on Poetry are designed to help teachers and poets familiarize elementary through high school students with a variety of creative and fun ways to engage their imaginations and write poetry They do so by encouraging teachers and students to explore, together, the art of poetry; i.e., the art of employing the five senses to capture experience in language. The workshops also introduce young writers to a wide range of poets and the poetic techniques and styles that they have incorporated in their writing. As a result when students complete a series of workshops from this book, they will know how to write a poem They may enjoy reading more poetry, too, because they will have a solid understanding of how poetry works. Finally, there are exciting ideas in Look Ma, Hands, on Poetry for ways in which young writers can exhibit and perform their poetry. The workshops in this book run from 45-60 minutes with the time divided into three segments. In the first, the teacher reads and discusses poems that are examples of the types of poetry students will be writing. In the second, the teacher introduces the writing assignment and has students begin writing. Finally, students who finish poems are invited to share them in the remaining class time. Because poetry is the art of capturing experience in language, the workshops are structured around sight, smell, taste, touch, and sound. Each of the workshops in the first five chapters is geared toward exploring one of these senses, and the two later chapters contain workshops that require students to use all five to write their poems. As a result, workshops from each chapter may be used individually or in sequence to create one or two week poetry units that teachers and students can enjoy. Workshops in the book include the Sleight-of-Hand and Animal Mask Workshops wherein students use metaphor, simile, and personification to create imagery in poems. They use music and musical instruments to help them create sound and rhythm in the Native American, Chant, and Rap Workshops, and then they literally play with words to write Bingo and Multiple Voice Poems. Young people have opportunities to express their feelings through poetry in the Blues, Love Potion, and Ode Workshops; and finally, they use their five senses simultaneously when writing Bubble and Rainbow Poems and when they interpret paintings, sculpture, and music in Echphrastic Poems. The book's final section presents creative ideas for poetry readings, books, and displays. Suggestions for readings include the Poetry Cafe, which can incorporate any of the Coffee House, Tea Room, 1950's Diner, and/or Greco-Roman Garden venues discussed in this section. Student poetry books and chapbooks complete with student art and photos are described here, too, along with plans for poetry rainbows, sidewalks, mobiles, and poetry word collections.

Creating Writers is a practical writing manual for teachers to use with upper primary and lower secondary level pupils that covers poetry, fiction and non-fiction.

The Rainbow Prince Adrian Onyando.2019-07-18 Former US President Barack Obama has penned a popular book, aptly titled, Dreams from My Father. But what does his father, or to be precise, his fatherland dream about him? The question becomes even more prompt as Obama's visits to Africa (five as of July 2018) become significant homecoming events. Here, for the first time in an epic poetical way, is a brilliant exploration of what Africa thinks of Obama, their dreams, illusions and disillusionment about him. The Rainbow Prince is history and biography that quickly alternates between myth and love story, politics and satire, North-South dialogue and monologues, a jest and a cry. As an epic, the poem traces the beginnings of the heroic career in a rescue out of an apocalyptic volcanic explosion from where a baby and mother are rescued, because of love (Because of love, /I've dived into volcanoes). The epic then goes into the history of the continent, slavery, imperialism, colonialism and neo-colonialism-and then interrogates the postcolonial relationship between the West and Africa. Obama's life is sketched in painfully heroic terms, including his near mythical roots, visits to Africa, the hopes and the anticlimax with the end of his term in office ushering in the reign of the rich fool who sees others as invasive weeds, /Who has banned banana boats, /Reasoning that they are from shit holes. The rich fool, obviously an epithet of the current US president, has got more broadsides such as the accusation that he is extinguishing the yeast of nations/The dream of the United States of the World/The dream of a global rainbow. In other words, he is doing a good job of reversing what Obama stood for. Obama himself does not escape broadsides for neglecting Africa and being part of the deadly vulture system that feeds on Africa's carcass. But in his speech that is yet to be read anywhere, and certainly will not be read in Africa, Obama reveals his true identity and defends himself against accusations. Then there is the poem on Michelle Obama in which she is seen not as a digression, but part of a progression in a love story and in a history straddling slavery and freedom, beauty and brains (What a marvel that in/Twenty-one centuries of being/Caged/Picked/And quartered/A lovebird would still sing, dance and reign!) On the whole, this long poem-the only epic about an American president-is about the hope of resolving contradictions and diversity (the rainbow) that Obama offers, and the fact that his presidency should not be the peak (kingship) of his power, but the glimpse of a prince charming who is still legible enough to play a big role in the world politics and culture. It is couched in appropriate poetic devices that puts it at a par with all great poetry. It is full of sound (some parts being played to musical instruments), sense, sensibility, landscapes and beautiful high-quality picture

THE TEACHING PROBLEMS OF ENGLISH POETRY IN THE ENGLISH DEPARTMENTS Najat Ismaeel Sayakhan.2014-07-09 Teachers often complain that students find poetry difficult and intimidating. Some undergraduate students arrive at university with little or no interest in poetry. They confess that they do not know how to read it and therefore cannot understand or appreciate it. The distinctive features of poetry create some problems for the learner of English language, yet, if taught properly, poetry can be an effective tool in urging students to learn the language.

And Still I Rise Maya Angelou.2011-08-17 Maya Angelou's unforgettable collection of poetry lends its name to the documentary film about her life, And Still I Rise, as seen on PBS's American Masters. Pretty women wonder where my secret lies. I'm not cute or built to suit a fashion model's size But when I start to tell them, They think I'm telling lies. I say, It's in the reach of my arms, The span of my hips, The stride of my step, The curl of my lips. I'm a woman Phenomenally. Phenomenal woman, That's me. Thus begins "Phenomenal Woman," just one of the beloved poems collected here in Maya Angelou's third book of verse. These poems are powerful, distinctive, and fresh—and, as always, full of the lifting rhythms of love and remembering. And Still I Rise is written from the heart, a celebration of life as only Maya Angelou has discovered it. "It is true poetry she is writing," M.F.K. Fisher has observed, "not just rhythm, the beat, rhymes. I find it very moving and at times beautiful. It has an innate purity about it, unquenchable dignity. . . . It is astounding, flabbergasting, to recognize it, in all the words I read every day and night . . . it gives me heart, to hear so clearly the caged bird singing and to understand her notes."

Calling a Wolf a Wolf Kaveh Akbar.2017-09-25 The struggle from late youth on, with and without God, agony, narcotics and love is a torment rarely recorded with such sustained eloquence and passion as you will find in this collection. --Fanny Howe This highly-anticipated debut boldly confronts addiction and courses the strenuous path of recovery, beginning in the wilds of the mind. Poems confront craving, control, the constant battle of alcoholism and sobriety, and the questioning of the self and its instincts within the context of this never-ending fight. From Stop Me If You've Heard This One Before Sometimes you just have to leave whatever's real to you, you have to clomp through fields and kick the caps off all the toadstools. Sometimes you have to march all the way to Galilee or the literal foot of God himself before you realize you've already passed the place where you were supposed to die. I can no longer remember the being afraid, only that it came to an end. Kaveh Akbar is the founding editor of Divedapper. His poems appear recently or soon in The New Yorker, Poetry, APR, Tin House, Ploughshares, PBS NewsHour, and elsewhere. The recipient of a 2016 Ruth Lilly and Dorothy Sargent Rosenberg Fellowship from the Poetry Foundation and the Lucille Medwick Memorial Award from the Poetry Society of America, Akbar was born in Tehran, Iran, and currently lives and teaches in Florida.
