Muslims of Medieval Latin Christendom, c.1050-1614 Brian A.

Catlos.2014-03-20 Through crusades and expulsions, Muslim communities survived for over 500 years, thriving in medieval Europe. This comprehensive study explores how the presence of Islamic minorities transformed Europe in everything from architecture to cooking, literature to science, and served as a stimulus for Christian society to define itself. Combining a series of regional studies, Catlos compares the varied experiences of Muslims across Iberia, southern Italy, the Crusader Kingdoms and Hungary to examine those ideologies that informed their experiences, their place in society and their sense of themselves as Muslims. This is a pioneering new narrative of the history of medieval and early modern Europe from the perspective of Islamic minorities; one which is not, as we might first assume, driven by ideology, isolation and decline, but instead one in which successful communities persisted because they remained actively integrated within the larger Christian and Jewish societies in which they lived.

*Reconciliation After Violent Conflict* David Bloomfield, Terri Barnes, Lucien Huyse.2003 How does a newly democratized nation constructively address the past to move from a divided history to a shared future? How do people rebuild coexistence after violence? *The International IDEA Handbook on Reconciliation after Violent Conflict* presents a range of tools that can be, and have been, employed in the design and implementation of reconciliation processes. Most of them draw on the experience of people grappling with the problems of past violence and injustice. There is no right answer to the challenge of reconciliation, and so the Handbook prescribes no single approach. Instead, it presents the options and methods, with their

strengths and weaknesses evaluated, so that practitioners and policy-makers can adopt or adapt them, as best suits each specific context. Also available in a French language version.

**For the Love of Grace** Kimberly Rae Jordan.2017-09-07 When Bennett McFadden fell in love with Grace Moore as a nineteen-year-old, he'd thought they had a future together. Unfortunately, everything changed when Grace's grandmother died and Grace pulled away from him and the future he had dreamed they'd have

together. Several years later, Grace's husband passes away unexpectedly, and it reinforces her belief that anyone she allows to get too close to her dies. To prevent further heartache, Grace is once again determined to keep those she cares about at arm's length, but sometimes circumstances force a closeness that can't be avoided. Bennett hadn't like Grace's husband, Franklin, when they'd first met--for many reasons--but as the man had changed in recent months so had Bennett's level of respect for him.

Franklin's death shocks them all, but once again the Callaghan-McFadden family rallies around Grace just as they had during the past losses she'd endured. As Bennett spends time helping Grace in the months following Franklin's death, he finds the feelings he'd once had for her coming to the surface again. Unfortunately, the fear that bound Grace's heart before has an even tighter grip on her now. Though she supports Makayla and Ethan as they prepare to say their vows, she knows that never again will she allow herself to be that vulnerable. Love can overcome fear, but only if Grace is willing to take a chance even while knowing that loss might follow.

*The Clergyman's Wife* Molly Greeley.2019-12-03 For everyone who loved *Pride and Prejudice*—and legions of historical fiction lovers—an inspired debut novel set in Austen’s world. Charlotte Collins, nee Lucas, is the respectable wife of Hunsford’s vicar, and sees to her duties by rote: keeping house, caring for their adorable daughter, visiting parishioners, and patiently tolerating the lectures of her awkward husband and his condescending patroness, Lady Catherine de Bourgh. Intelligent, pragmatic, and anxious to escape the shame of spinsterhood, Charlotte chose this life, an inevitable one so socially acceptable that its quietness threatens to overwhelm her. Then she makes the acquaintance of Mr. Travis, a local farmer and tenant of Lady Catherine.. In Mr. Travis’ company, Charlotte feels appreciated, heard, and seen. For the first time in her life, Charlotte begins to understand emotional intimacy and its effect on the heart—and how breakable that heart can be. With her sensible nature confronted, and her own future about to take a turn, Charlotte must now question the role of love and passion in a woman’s life, and whether they truly matter for a clergyman’s wife.

**Wynema** Sophia Alice Callahan.2021-02-23 *Wynema: A Child of the Forest* (1891) is a novel by Muscogee American writer Sophia Alice Callahan. Published when the author was only 23 years old, *Wynema: A Child of the Forest* is the first novel written by an American Indian woman. Although it gained little, if any, attention upon publication, the novel was rediscovered and reprinted in 1997. *Wynema: A Child of the Forest* is an essential record of the Massacre at Wounded Knee and the subsequent Lakota Ghost Dance movement, a work of fiction which looks at the suffering of American Indians through the eyes of an assimilated Muscogee woman, a character not unlike Callahan herself. *Wynema* is a young Muscogee girl. Raised in Indian Territory, she is educated in English and becomes a teacher at a local mission school. There,

she befriends a white coworker, whose brother she eventually marries. In time, the couple gives birth to a child and begins to raise their family. However, following the Massacre at Wounded Knee, and horrified by stories of orphaned Lakota children left to fend for themselves, Wynema and her husband decide to expand their family by adopting a young Lakota girl. Through this family narrative, Callahan examines the assimilation of American Indians into Western culture while providing a critical comparison of Christianity and the Ghost Dance religion. In its description of the events at Wounded Knee, the novel portrays heroic Lakota women risking their lives to save children from the onslaught of American soldiers, a circumstance unreported in the press's presentation of the Massacre. *Wynema: A Child of the Forest* is an important and vastly unknown novel from the first woman novelist of American Indian heritage. With a beautifully designed cover and professionally typeset manuscript, this edition of Sophia Alice Callahan's *Wynema: A Child of the Forest* is a classic of American Indian literature reimagined for modern readers.

*I Love Jesus, But I Want to Die* Sarah J. Robinson. 2021-05-11 A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching

honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

*Hello, Shadowlands* Patrick Winn.2018-06-07 'Reads like a thriller you can't put down' - Megha Rajagopalan, China Bureau Chief, BuzzFeed News 'ensures you'll never think about Southeast Asia in the same way ever again.' - Geographical Magazine Essential to understanding Southeast Asia in the 21st century, *Hello, Shadowlands* reveals a booming underworld of organised crime across a region in flux— a \$100 billion trade that deals in narcotics, animals and people —and the staggering human toll that is being steadily ignored by the West. From Myanmar's anarchic hills to the swamplands of Vietnam, jihadis are being pitted against brothel workers, pet thieves against vigilantes and meth barons against Christian vice squads. *Hello, Shadowlands* takes a deep plunge into crime rings both large and small. It also examines how China's rise and America's decline is creating new opportunities for transnational syndicates to thrive. Focusing on human stories on both sides of this crime wave, the acclaimed Bangkok-based broadcaster and journalist Patrick Winn intimately profiles the men and women of the region who are forced to make agonizing choices in the absence of law.

Just Peace Theory Book One Valerie Elverton Dixon.2012-11 In these essays I often refer to social contracts such as the Declaration of Independence, the Constitution of the United States, the Universal Declaration of Human Rights, and other

international conventions that describe a vision of just human relations, especially in the area of culture and health care. We do not live behind a veil of ignorance where we enter into contemplation of questions of right and wrong without an awareness of our own particularities. Moreover, we do not always determine what is right based on reason. But, we do make decisions every day about how we will live within the social contracts that govern our lives. Many of us go along to get along with a let's-not-rock-the-boat-preserve-the-status-quo-caution. Then there are those of us who use the documents of our social contracts to secure more justice and more peace. The purpose is to rock the boat and to disrupt the status quo when it is unjust. . . . . I understand Christ as a title not as a person. It is a designation of an anointing. This, in my opinion, is the anointing of radical love. Christ is the human incarnation of divine love. We each ought to strive to become this whether or not we are Christian, whether or not we are even believers. Those of us who are Christians believe that Jesus paid it all. There is no more need for blood-shed sacrifice. Murder is never holy. God does not need it or want it. Our work now is to become living sacrifices that will redeem this world through justice and peace. That is the meaning of these essays. (From the Introduction)
