**Love, Cecil** Lisa Immordino Vreeland.2017-10-17 In Love, Cecil, Lisa Immordino Vreeland offers an evocative por-trait of this talented whirlwind whose creative work captured many facets of the 20th century. Using photography, drawings, letters, and scrapbooks by Beaton and his contemporaries, along with excerpts from his sparkling diaries and other writ-ings, Immordino Vreeland brings his spirit to life in a way that no previous book has been able to do. Immordino Vreeland organizes her book around the circles of Beaton's daily life: the people who inspired and influenced him, his colorful friends, his fellow photographers, his Hollywood conquests, his wartime service, and his English roots. This cavalcade offers a shimmering vision of high style, but it also captures often-troubled souls struggling to create the open, tolerant, creative worlds of art and culture that we have inherited today.

**Devil Red** Joe R. Lansdale.2017-01-12 Meet Hap and Leonard, the unlikely detective duo now on screen in the highly praised series starring James Purefoy, Michael K. Williams and Christina Hendricks. If there's one thing Hap Collins and Leonard Pine like, it's trouble - and they especially like getting paid to find it. So when their friend and sometime boss Marvin Harmon asks the boys to look into a cold-case double homicide, they're happy to oblige. It turns out that both victims were set to inherit some serious money, and one of them ran with an honest-to-goodness vampire cult. The more closely Hap and Leonard look over the crime scene photos, the more trouble they see. The image of a red devil's head is painted on a tree. A little research turns up a slew of murders with that same fiendish signature. And if things aren't weird enough, Leonard has taken to wearing a deerstalker cap... Will this be the case that finally sends Hap over the edge?

**Gypsy in Auschwitz** Otto Rosenberg.2022-08-04 Otto Rosenberg is 9 and living in Berlin, poor but happy, when his family are first detained. All around them, Sinti and Roma families are being torn from their homes by Nazis , leaving behind schools, jobs, friends, and businesses to live in forced encampments outside the city. One by one, families are broken up, adults and children disappear or are 'sent East'. Otto arrives in Auschwitz aged 16 and is later transferred to Buechenwald and Bergen-Belsen. He works, scrounges food whenever he can, witnesses and suffers horrific violence and is driven close to death by illness more than once. Unbelievably, he also joins an armed revolt of prisoners who, facing the SS and certain death, refuse to back down. Somehow, through luck, sheer human will to live, or both, he survives. The stories of Sinti and Roma suffering in Nazi Germany are all too often lost or untold. In this haunting account, Otto shares his story with a remarkable simplicity. Deeply moving, A Gypsy in Auschwitz is the incredible story of how a young Sinti boy miraculously survived the unimaginable darkness of the Holocaust.

**The Christmas Cookie Club** Ann Pearlman.2011-10-25 Ann Pearlman's irresistible novel provides the perfect ingredients for a fun and touching read about a group of women who gather each year to share a journey of friendship, hope, heartbreak—and recipes. Every year at Christmastime, Marnie and her closest girlfriends mark their calendars for the cookie exchange. Everyone has to bring a batch of homemade cookies and a bottle of wine, but this year, it's their stories that are especially important—the passion and hopefulness of new romance, the betrayal and disillusionment some relationships bring, the joys and fears of motherhood, the stress of financial troubles. On this evening, at least, the sisterly love they have for one another rises above it all. Celebrating courage and joy in spite of hard times and honoring the importance of women's friendships as well as the embracing bonds of community, Ann Pearlman's delightful novel speaks to us all.

**Alan Cole Is Not a Coward** Eric Bell.2017-09-05 Perfect for fans of Tim Federle and Gary Schmidt, this is a hilarious and poignant tale about the trials of middle school when you're coming of age—and coming out. Alan Cole can't stand up to his cruel brother, Nathan. He can't escape the wrath of his demanding father, who thinks he's about as exceptional as a goldfish. And—scariest of all—he can't let the cute boy across the cafeteria know he has a crush on him. But when Nathan discovers Alan's secret, his older brother announces a high-stakes round of Cole vs. Cole. Each brother must complete seven nearly impossible tasks; whoever finishes the most wins the game. If Alan doesn't want to be outed to all of Evergreen Middle School, he's got to become the most well-known kid in school, get his first kiss, and stand up to Dad. Alan's determined to prove—to Nathan, to the world, to himself—that this goldfish can learn to swim. May the best Cole win.

**Scrapbooks, Snapshots and Memorabilia** Glen McGillivray.2011 Scrapbooks, Snapshots and Memorabilia: Hidden Archives of Performance asks the questions: What constitutes an archive? What is worthy of being archived? And who decides? Performances are ephemeral, so archival questions of selection and appraisal determine which performances will be remembered by history and which will not. The essays in this collection each explore a different facet of the ephemerality of performance, and the traces it leaves behind: from photographic stills of actors or sets; draft scripts and production notes, theatre programs and reviews; the language used to evoke the experience of watching a dance; to the memories contained within a site which has been used for a site-specific performance. Each of the contributors to Scrapbooks, Snapshots and Memorabilia employs pertinent case studies to reveal performances that are so often 'hidden' from the authoritative archival view; for example, those by women, indigenous people, amateurs and working people, and those outside metropolitan centres. In this way, they build a powerful argument for reconsidering - or at the very least, broadening - notions of what the performance archive can be.

**Music, Emotion and Identity in Ulster Marching Bands** Gordon Ramsey.2011 Ulster's marching bands form perhaps the most vibrant participatory folk music tradition in contemporary Europe, and are one of the most significant and visible elements of working-class loyalist culture in the divided society of Northern Ireland. Their significance springs largely from the central place they have assumed in the lives of their members. This book presents an ethnography of three County Antrim flute bands from the very different genres of 'part-music', 'melody' and 'blood and thunder'. The author explores the emotional rewards of communal music-making and the way that identities are formed through the acquisition of tastes, competences and skills within specific communal contexts, paying particular attention to the impact of class position. These issues are examined in the context of the competitions, concerts and street parades that are central to the social lives of thousands of band members and supporters in Northern Ireland.

**Post-Agreement Northern Irish Literature** Birte Heidemann.2016-06-23 This book uncovers a new genre of 'post-Agreement literature', consisting of a body of texts - fiction, poetry and drama - by Northern Irish

writers who grew up during the Troubles but published their work in the aftermath of the Good Friday Agreement. In an attempt to demarcate the literary-aesthetic parameters of the genre, the book proposes a selective revision of postcolonial theories on 'liminality' through a subset of concepts such as 'negative liminality', 'liminal suspension' and 'liminal permanence.' These conceptual interventions, as the readings demonstrate, help articulate how the Agreement's rhetorical negation of the sectarian past and its aggressive neoliberal campaign towards a 'progressive' future breed new forms of violence that produce liminally suspended subject positions.

**Yes, You Are Trans Enough** Mia Violet.2018-06-21 LONGLISTED FOR THE POLARI FIRST BOOK PRIZE 'Honest, raw, moving' CHRISTINE BURNS 'Radical vulnerability at its finest' OWL FISHER 'Highly recommended' SAN FRANCISCO REVIEW OF BOOKS This is the deeply personal and witty account of growing up as the kid who never fitted in. Transgender blogger Mia Violet reflects on her life and how at 26 she came to finally realise she was 'trans enough' to be transgender, after years of knowing she was different but without the language to understand why. From bullying, heartache and a botched coming out attempt, through to counselling, Gender Identity Clinics and acceptance, Mia confronts the ins and outs of transitioning, using her charged personal narrative to explore the inaccuracies of trans representation and confront what the media has gotten wrong. Deeply affecting, and narrated with warmth and honesty, this is an essential read for anyone who has had to fight to be themselves.

**Goethe** Richard Friedenthal.2017-07-28 The study of Goethe's life is a task that each generation must undertake anew. Thus writes Richard Friedenthal, author of this rich biography. Spanning eight momentous decades of war, revolution, and social upheaval, Goethe's life reveals itself as one of conflict and dynamic development, of inner contradiction and unceasing creativity.As novelist, dramatist, and poet, Goethe produced epochal works of fiery romanticism, only later to dedicate himself to a classical ideal of purity and measure. His superb love lyrics immortalize a succession of ardent relationships; yet, in him too, was a strain of frigid egotism mingled with an Olympian detachment. The new introduction serves to place in perspective this outstanding work on the German master.He was capable of tirelessly exploring the external world as physiologist, geologist, and botanist. He was equally capable of plunging to the depths of profound subjective analysis. A minister of state, a model of distinguished probity, Goethe nonetheless lived a life of passionate seeking, eternally questioning official values. Nothing perhaps better sums up this vast complexity than his lifelong work, Faust, the supreme dramatization of man's quest on earth.

**Catch The Lightning** Catherine Asaro.1997-10-15 Asaro returns to the interstellar Skolian Empire in Catch the Lightning to tell a tale of politics, love, and war, the story of a young girl from Earth taken into the future and made the focus of a murderous plot to bring down the empire.

**Larrikin Lads** Paul Freeman.2018-06-30 A book of male nude portraits shot in the great outdoors.

**Consumer Behavior over the Life Course** George P. Moschis.2019-01-31 This book examines consumer behavior using the "life course" paradigm, a multidisciplinary framework for studying people's lives, structural contexts, and social change. It contributes to marketing research by providing new insights into the study of consumer behavior and illustrating how to apply the life course paradigm's concepts and theoretical perspectives to study consumer topics in an innovative way. Although a growing number of marketing researchers, either implicitly or explicitly, subscribe to life course perspectives for studying a variety of consumer behaviors, their efforts have been limited due to a lack of theories and methods that would help them study consumers over the lifecycle. When studying consumers over their lifespan, researchers examine differences in the consumer behaviors of various age groups (e.g., children, baby boomers, elderly, etc.) or family life stages (e.g., bachelors, full nesters, empty nesters, etc.), inferring that consumer behavior changes over time or linking consumption behaviors to previous experiences and future expectations. Such efforts, however, have yet to benefit from an interdisciplinary research approach. This book fills this gap in consumer research by informing readers about the differences between some of the most commonly used models for studying consumers over their lifespan and the life course paradigm, and providing implications for research, public policy, and marketing practice. Presenting applications of the life course approach in such research topics as decision making, maladaptive behaviors (e.g., compulsive buying, binge eating), consumer well-being, and cognitive decline, this book is beneficial for students, scholars, professors, practitioners, and policy makers in consumer behavior, consumer research, consumer psychology, and marketing research.

**The Birth of Orientalism** Urs App.2011-06-06 Modern Orientalism is not a brainchild of nineteenth-century European imperialists and colonialists, but, as Urs App demonstrates, was born in the eighteenth century after a very long gestation period defined less by economic or political motives than by religious ideology. Based on sources from a dozen languages, many unavailable in English, The Birth of Orientalism presents a completely new picture of this protracted genesis, its underlying dynamics, and the Western discovery of Asian religions from the sixteenth to the nineteenth century. App documents the immense influence of Japan and China and describes how the Near Eastern cradle of civilization moved toward mother India. Moreover, he shows that some of India's purportedly oldest texts were products of eighteenth-century European authors. Though Western engagement with non-Abrahamic Asian religions reaches back to antiquity and can without exaggeration be called the largest-scale religiocultural encounter in history, it has so far received surprisingly little attention—which is why some of its major features and their role in the birth of modern Orientalism are described here for the first time. The study of Asian documents had a profound impact on Europe's intellectual makeup. Suddenly the Bible had much older competitors from China and India, Sanskrit threatened to replace Hebrew as the world's oldest language, and Judeo-Christianity appeared as a local phenomenon on a dramatically expanded, worldwide canvas of religions and mythologies. Orientalists were called upon as arbiters in a clash that involved neither gold and spices nor colonialism and imperialism but, rather, such fundamental questions as where we come from and who we are: questions of identity that demanded new answers as biblical authority dramatically waned.

**Bondi Urban** Paul Freeman.2005 This stunning volume is the follow-up to the very successful Bondi Classic the first book in the Bondi Series by Paul Freeman. Despite the unappealing architecture of the area, it has developed among the warm climate and natural wonders a free-spirited subculture of young men. It is a mecca for young men from all over the world. Paul Freeman's work captures that free-wheeling and devil-may-care attitude of this current youth culture.

Not only that, in getting to grips with the panic attacks that have stopped her getting married, Harri discovers that what she understood about her life up to now is all wrong. Can she find herself again and, if she does, will it be too late for love?

**What I Believe** Hans Küng.2010-09-16 Hans Kung is one of the most celebrated theologians of the present day. His audience, which is strong within his own Roman Catholic Church, is equally solid among Christians of other denominations, among those outside the churches and indeed among those at the frontiers of organised religion. From the start, he has been a rebel, being Swiss and a lover of personal freedom. Many of his books such as Infallible? and On Being a Christian have rocked the Papal boat. Now after publishing two magnificent and acclaimed volumes of memoirs, Kung has written a much shorter and more personal book to explain his own beliefs. If one sets aside all scientific knowledge and learning, all formal theological language and the skilful construction of theories, what remains as the core of faith? What do we need for our lives? What is indispensable to us? Kung writes of trust in life, joy in life and suffering in life and in so doing gives us a summa of his own faith - and life.

*Identity Through a Language Lens* Kamila Ciepiela.2011 «This collection of articles is a sociolinguistic response to the recent explosion of scholarly interest in issues of identity. Identity is central to all human beings as we are all concerned with how to conceive of ourselves, present ourselves and comprehend our relationships with others. The book tackles the problem of how personal identity is made visible and intelligible to others through language, and how this may be constrained. Part One, Emblematic identities, focuses on the construction of self-definitions based on various forms of group identities, including national and ethnic ones. Part Two, Multicultural Identities, looks at negotiation of identities in multicultural contexts involving relations of power, drawing on examples from Europe and the Americas. Finally, Part Three, Emergent Identities, collects empirical studies based on a close reading of texts in which identities are being articulated and negotiated.» (Hanna Pułaczewska, University of Regensburg)

*Wild at Heart* Patricia Gaffney.2022-12-27 New York Times-Bestselling Author: In an oppressive Victorian world, a woman is drawn to a man untouched by civilization . . . The daughter of an anthropologist in late nineteenth-century Chicago, Sydney is a young widow being wooed by a proper, ambitious—and somewhat suffocating—professor. But her life is about to change thanks to the “lost man” her father is studying. Found in the Canadian wild, he is a puzzle to be solved, kept captive in a guesthouse—from which he keeps trying to escape . . . Her suitor sees him as something of a zoo animal—and a ticket to fame. Sydney, however, sees something else, something that stirs her heart. His loneliness is palpable, and she can tell he feels drawn to her as well. But society will not be so understanding as a passionate bond grows between them, and as they attempt to uncover the tragic mystery behind his past . . . Praise for Patricia Gaffney “Gaffney’s books are always heartfelt and wise.” —Janet Evanovich “With a lyrical voice and keen wit, Patricia Gaffney weaves compelling stories that echo in the human heart.” —Nora Roberts “Gaffney writes with power and passion.” —Romantic Times

**Blogging as Change** April Luehmann,Raffaella Borasi.2011 New literacies have many functions in schools and learning, but science and mathematics education are among the contexts where their full potential has yet to be explored. This book both illustrates and critically analyzes the practice of blogging and its possibilities for fostering different ways of communicating, interacting, learning, and thinking in these subjects. Grounded in empirical data gathered from teachers and students using blogs in a variety of contexts, the book examines which specific uses of blogging can be most conducive to transforming science and mathematics classrooms into places that are more equitable and just - places that invite and nurture new, more social, comprehensive, and authentic forms of participation and learning.

**The Double Life of Mistress Kit Kavanagh** Marina Fiorato.2016-02-11 First published in hardback as *Kit*. An unforgettable historical romance based on an astonishing true story from international bestseller Marina Fiorato - perfect for fans of *Poldark* and *The Scandalous Lady W*. Dublin 1702. Irish beauty Kit Kavanagh has everything she could want in life. Newly married, she runs a successful alehouse with her beloved husband Richard. The wars that rage in Europe over the Spanish throne seem a world away. But everything changes on the night that Richard simply disappears. Finding the Queen's shilling at the bottom of Richard's tankard, Kit realizes that her husband has been taken for a soldier. Kit follows Richard's trail across the battlefields of Italy in the Duke of Marlborough's regiment. Living as a man, risking her life in battle, she forms a close bond with her wry and handsome commanding officer Captain Ross. When she is forced to flee the regiment following a duel, she evades capture by dressing once more as a woman. But the war is not over for Kit. Her beauty catches the eye of the scheming Duke of Ormonde, who recruits her to spy upon the French. In her finery she meets Captain Ross once again, who seems just as drawn to the woman as he was to the soldier. Torn between Captain Ross and her loyalty to her husband, and under the orders of the English Crown, Kit finds that her life is in more danger now than on the battlefield.

Serial Images Jennifer Dyer, Jennifer Dyer Harnish. 2011 This book argues that in the works of Degas, Mondrian, Bacon, Schiele and Warhol, serial iteration articulates a process of free, constructive becoming which they interpret in different ways. Not only does the serially iterative structure of the images show that activity and novelty are primary concerns, but it involves the viewer in the activity presented in the images. For these reasons, serial iteration is fundamentally connected both to modernist aspects of the work and to other concerns such as the structure of subjectivity and the movement of history. Serially iterative structure opens up the meaning of these five artists images by relating them to concerns in contemporary art and thought.

**Georgia's Kitchen** Jenny Nelson. 2010-08-03 At thirty-three, talented chef Georgia Gray has everything a woman could want—the top job at one of Manhattan's best restaurants; a posse of smart and savvy gal pals who never let her down; and a platinum-set, cushion-cut diamond engagement ring courtesy of Glenn, the handsome entertainment lawyer who Georgia's overbearing mother can't wait for her to marry. The table is set for the ambitious bride-to-be until a scathing restaurant review destroys her reputation. To add salt to her wounds, Glenn suddenly calls off the wedding. Brokenhearted, Georgia escapes to the Italian countryside, where she sharpens her skills at a trattoria run by a world-class chef who seems to have it all—a devoted lover, a magnificent villa, and most important, a kitchen of her own. Georgia quells her longings with Italy's delectable offerings: fine wine, luscious cheeses, cerulean blue skies, and irresistible Gianni—an expert in the vineyard and the bedroom. So when Gianni tempts Georgia to stay in Italy with an offer no sane top chef could refuse, why can't she say yes? An appetite for something larger than love weighs heavy on Georgia's heart—the desire to run her very own restaurant. But with a ruined career in New York and no business partner in sight, she must stir up more than just the courage to chase after her dreams if she is to find her way home.

**And the Bride Closed the Door** Ronit Matalon. 2019-10-01 A young bride shuts herself up in a bedroom on her wedding day, refusing to get married. In this moving and humorous look at contemporary Israel and the chaotic ups and downs of love everywhere, her family gathers outside the locked door, not knowing what to do. The bride's mother has lost a younger daughter in unclear circumstances. Her grandmother is hard of hearing, yet seems to understand her better than anyone. A male cousin who likes to wear women's clothes and jewelry clings to his grandmother like a little boy. The family tries an array of unusual tactics to ensure the wedding goes ahead, including calling in a psychologist specializing in brides who change their mind and a ladder truck from the Palestinian Authority electrical company. The only communication they receive from behind the door are scribbled notes, one of them a cryptic poem about a prodigal daughter returning home. The harder they try to reach the defiant woman, the more the despairing groom is convinced that her refusal should be respected. But what, exactly, ought to be respected? Is this merely a case of cold feet? A feminist statement? Or a mourning ritual for a lost sister? This provocative and highly entertaining novel lingers long after its final page.
