Essential Chinese Philip Yungkin Lee.2013-09-03 This portable, user-friendly Chinese language guide, phrasebook and dictionary is the cheapest and easiest way to learn Chinese before and during your trip. If you only want one Chinese language book—Essential Chinese is the way to go. Part of Tuttle Publishing's Essential Phrasebooks Series, it is a great first introduction and beginner guide to the language of China and Taiwan and is also designed as a great Chinese phrasebook, making it the most versatile Chinese language learning tool on the market. Perfect for business people or tourist traveling to China or for students who want to supplement their learning, this book's easy indexing feature allows it to act as a Mandarin phrase book or as English-Chinese Dictionary. A clever point to feature allows you to simply point to a phrase translated in Chinese without the need to say a single word or read a single character. You will soon find yourself turning to Essential Chinese again and again when visiting or working in China. In this book you will find: Over 1500 practical sentences for everyday use. A glossary of over 2000 terms and expressions. Terms and phrases covering essential aspects of traveling and living in China. Extensive information about Chinese grammar and pronunciation. This beginner Chinese book will help you quickly and easily learn Chinese. Your ability to read Chinese, write Chinese, speak Chinese, and comprehend Chinese will be vastly improved without having to take an entire Chinese language class. Other titles in this bestselling series of phrasebooks include: Essential Japanese, Essential Arabic, Essential Korean, Essential Tagalog, and Essential Arabic.

A Chinese Phrase A Day Practice Pad Sam Brier,Xia Lu.2008-11-01 A Chinese Phrase A Day is a fun, less-intimidating way to learn Chinese! Part of Tuttle's best-selling page-a-day line, this new edition teaches useful everyday phrases and words. Although more people are studying the Chinese language than ever before, others are still wary of starting because they believe, it's too difficult. But A Chinese Phrase A Day will show absolute beginners that Chinese is in many ways much easier than other languages and it will help intermediate Chinese learners review and improve upon their past studies and practice Chinese everyday. With almost no grammar or tense, no verb conjugation and a consistency that English, Spanish, French and Japanese learners can only wish for, Chinese enables you to start conversing relatively quickly. After a few weeks of gradual progress your ability to read Chinese, write Chinese and speak Chinese will grow tremendously. This calendar like desk companion is divided into monthly topics and builds upon itself, one day at a time. Chinese phrases are kept short, simple and functional. Each of the 365 pages include these four components: The simplified Chinese characters. The romanized Chinese (hanyu pinyin). The English phrase. The traditional Chinese characters./li Audio for all of the A Chinese Phrase A Day entries is available online. Listening and repeating after the native speakers in the audio files will help you to practice Chinese regularly and polish your spoken Mandarin Chinese and Mandarin listening comprehension. To get started, turn to Day One and begin studying the phrase, its meaning, pronunciation and cultural context. Then tear off the sheet and practice writing it a few times. In a matter of days you'll be on your way to reading and writing Chinese!

Mandarin Chinese Characters Language Practice Pad Xin Liang,Martha Lam.2018-03-06 Five minutes a day is all it takes to begin learning Chinese! The perfect guide for busy people who want to learn Chinese, Mandarin Chinese Characters Language Practice Pad helps even those completely unfamiliar with the language learn and write the 332 most essential Chinese characters--in just five minutes a day! Each page introduces one new character--showing how it is pronounced and written, along with its meaning and related vocabulary. The reverse side offers sample phrases and sentences to demonstrate how to use the words in their correct context. After studying the character and its compound forms, users can practice writing these in a notebook, with the ability to reference the mnemonic visual aids and stroke order included on each page. This is an ideal resource for HSK Levels 1 & 2 as well as AP Chinese Language and Culture Exam prep.

First 100 Chinese Characters: Traditional Character Edition Laurence Matthews,Alison Matthews.2013-05-21 This book is a quick and easy way to learn basic Chinese Characters. All beginning Chinese language learners struggle to memorize and learn to write Chinese characters. The First 100

Chinese Characters adopts a structural approach which helps students to quickly master the basic characters that are fundamental to this language. Intended for beginning Chinese students, this character book presents characters that have been carefully selected for rapid and effective learning. The English meanings, pronunciations in hanyu pinyin and alternate forms (if any) for each Chinese character are presented along with a stroke order guide and spaces for writing practice. Printed with gray guidelines, the stroke order guides are designed to be traced over to teach students the standard sequence of strokes used to write the character. Related compounds and phrases are given to assist in vocabulary building. Three indexes at the back allow the characters to be looked up by their English meanings, hanyu pinyin pronunciations, or radicals. Extra practice sheets are also provided. This Chinese character book contains: Step-by-step stroke order diagrams show you how to write each character. Special boxes with grid lines help you practice writing them correctly. Compounds and sample sentences provide easy vocabulary building. Hanyu pinyin romanizations identify and help you pronounce every word.

Find out how Chinese Character Writing For Dummies can help you today!

Tuttle Learning Chinese Characters Alison Matthews, Laurence Matthews. 2011-12-20 This user-friendly book is aimed at helping students of Mandarin Chinese learn and remember Chinese characters. At last—there is a truly effective and enjoyable way to learn Chinese characters! This book helps students to learn and remember both the meanings and the pronunciations of over 800 characters. This otherwise daunting task is made easier by the use of techniques based on the psychology of learning and memory. Key principles include the use of visual imagery, the visualization of short stories, and the systematic building up of more complicated characters from basic building blocks. Although *Learning Chinese Characters* is primarily a book for serious learners of Mandarin Chinese, it can be used by anyone with an interest in Chinese characters, without any prior knowledge of Chinese. It can be used alongside (or after, or even before) a course in the Chinese language. All characters are simplified (as in mainland China) but traditional characters are also given, when available. Key features: Specially designed pictures and stories are used in a structured way to make the learning process more enjoyable and effective, reducing the need for rote learning to the absolute minimum. The emphasis throughout is on learning and remembering the meanings and pronunciations of the characters. Tips are also included on learning techniques and how to avoid common problems. Characters are introduced in a logical sequence, which also gives priority to learning the most common characters first. Modern simplified characters are used, with pronunciations given in pinyin. Key information is given for each character, including radical, stroke-count, traditional form, compounds, and guidance on writing the character. This is a practical guide with a clear, concise and appealing layout, and it is well-indexed with easy look-up methods. The 800 Chinese characters and 1,033 compounds specified for the original HSK Level A proficiency test are covered.

Reading and Writing Chinese William McNaughton, Li Ying. 1999 *Reading and Writing Chinese* has been the standard text for foreign students and self-teachers of the Chinese Writing System since Tuttle first published it over 20 years ago. This new, completely revised edition offers students a more convenient, efficient, and up-to-date introduction to the writing system.

Reading and Writing Chinese William McNaughton.2013-07-23 This is a complete and easy-to-use guide for reading and writing Chinese characters. Learning written Chinese is an essential part of mastering the Chinese language. Used as a standard by students and teachers learning to read Chinese and write Chinese for more than three decades, the bestselling Reading & Writing Chinese has been thoroughly revised and updated. Reading & Writing Chinese places at your fingertips the essential 1,725 Chinese characters' current definitions, derivations, pronunciations, and examples of correct usage by utilizing cleverly condensed grids. This guide also focuses on Pinyin, which is the official system to transcribe Hanzi, Chinese characters, into Latin script, now universally used in mainland China and Singapore. Traditional characters (still used in Taiwan and Hong Kong) are also included, making this a complete reference. Newly updated and revised, these characters are the ones officially prescribed by the Chinese government for the internationally recognized test of proficiency in Chinese, the Hanyu Shuiping Kaoshi (HSK). The student's ability to read and write Chinese are reinforced throughout the text. Key features of this newly-expanded edition include: The 1,725 most frequently used characters in both Simplified and Traditional forms. All 2,633 characters and 5,000+ compounds required for the HSK Exam. Standard Hanyu Pinyin romanizations. More mnemonic phrases and etymologies to help you remember the characters. An extensive introduction, alphabetical index, and index according to stroke count and stroke order. Completely updated/expanded English definitions. Convenient quick-reference tables of radicals. Updated and revised compounds, plus 25% more vocabulary now offered. Codes to assist those who are preparing for the AP exam or the HSK exam.

Chinese Writing and Calligraphy Wendan Li.2010-05-31 Suitable for college and high school students and those learning on their own, this fully illustrated coursebook provides comprehensive instruction in the history and practical techniques of Chinese calligraphy. No previous knowledge of the language is required to follow the text or complete the lessons. The work covers three major areas: 1) descriptions of Chinese characters and their components, including stroke types, layout patterns, and indications of sound and meaning; 2) basic brush techniques; and 3) the social, cultural, historical, and philosophical underpinnings of Chinese calligraphy—all of which are crucial to understanding and appreciating this art form. Students practice brush writing as they progress from tracing to copying to free-hand writing. Model characters are marked to indicate meaning and stroke order, and well-known model phrases are shown in various script types, allowing students to practice different calligraphic styles. Beginners will find the author's advice on how to avoid common pitfalls in writing brush strokes invaluable. Chinese Writing and Calligraphy will be welcomed by both students and instructors in need of an accessible text on learning the fundamentals of the art of writing Chinese characters.

Hacking Chinese Olle Linge.2016-03-26 Learning Chinese can be frustrating and difficult, partly because it's very different from European languages. Following a teacher, textbook or language course is not enough. They show you the characters, words and grammar you need to become proficient in Chinese, but they don't teach you how to learn them! Regardless of what program you're in (if any), you need to take responsibility for your own learning. If you don't, you will miss many important things that aren't included in the course you're taking. If you study on your own, you need to be even more aware of what you need to do, what you're doing at the moment and the difference between them. Here are some of the questions I have asked and have since been asked many times by students: How do I learn characters efficiently? How do I get the most out of my course or teacher? Which are the best learning tools and resources? How can I become fluent in Mandarin? How can I improve my pronunciation? How do I learn successfully on my own? How can I motivate myself to study more? How can I fit learning Chinese into a busy schedule? The answers I've found to these questions and many others form the core of this book. It took eight years of learning, researching, teaching and writing to figure these things out. Not everybody has the time to do that! I can't go back in time and help myself learn in a better way, but I can help you! This book is meant for normal students and independent language learners alike. While it covers all major areas of learning, you won't learn Chinese just by reading this book. It's like when someone on TV teaches you how to cook: you won't get to eat the delicious dish just by watching the program; you have to do the

cooking yourself. That's true for this book as well. When you apply what you learn, it will boost your learning, making every hour you spend count for more, but you still have to do the learning yourself. This is what a few readers have said about the book: The book had me nodding at a heap of things I'd learnt the hard way, wishing I knew them when I started, as well as highlighting areas that I'm currently missing in my study. - Geoff van der Meer, VP engineering This publication is like a bible for anyone serious about Chinese proficiency. It's easy for anyone to read and written with scientific precision. - Zachary Danz, foreign teacher, children's theatre artist About me I started learning Chinese when I was 23 (that's more than eight years ago now) and have since studied in many different situations, including serious immersion programs abroad, high-intensity programs in Sweden, online courses, as well as on the side while working or studying other things. I have also successfully used my Chinese in a graduate program for teaching Chinese as a second language, taught entirely in Chinese mostly for native speakers (the Graduate Institute for Teaching Chinese as a Second Language at National Taiwan Normal University). All these parts have contributed to my website, Hacking Chinese, where I write regularly about how to learn Mandarin.

Chinese Characters Workbook for Kids Basic Words Animals with Pinyin Chung Huang.2019-03-19 Whether your child already speaks Chinese or is learning Chinese as a second language, these simple Chinese characters will help set down the foundation for learning to write in Chinese. The earlier children are introduced to a second language, the more likely they will find ease and develop fluency in their non-native language. This notebook is made for beginners or kids who want to learn Chinese.

First 100 Chinese Characters: Simplified Character Edition Laurence Matthews, Alison Matthews.2013-12-24 This book is a quick and easy way to learn basic Chinese Characters. All beginning Chinese language learners struggle to memorize and learn to write Chinese characters. The First 100 Chinese Characters adopts a structural approach which helps students to quickly master the basic characters that are fundamental to this language. Intended for beginning Chinese students, this character book presents characters that have been carefully selected for rapid and effective learning. The English meanings, pronunciations in hanyu pinyin and alternate forms (if any) for each Chinese character are presented along with a stroke order guide and spaces for writing practice. Printed with gray guidelines, the stroke order guides are designed to be traced over to teach students the standard sequence of strokes used to write the character. Related compounds and phrases are given to assist in vocabulary building. Three indexes at the back allow the characters to be looked up by their English meanings, hanyu pinyin pronunciations, or radicals. Extra practice sheets are also provided. This Chinese character book contains: Step-by-step stroke order diagrams show you how to write each character. Special boxes with grid lines help you practice writing them correctly. Compounds and sample sentences provide easy vocabulary building. Hanyu pinyin romanizations identify and help you pronounce every word.

Mandarin Chinese Language Composition Notebook Tuttle Publishing.2020-08-25 This beautiful notebook makes studying a pleasure! Each double page spread has squared paper on the right-hand side for practicing formation of the Chinese characters, and lined paper on the left-hand side for note-taking. The Way of the Linguist Steve Kaufmann.2005-11 The Way of The Linguist, A language learning odyssey. It is now a cliché that the world is a smaller place. We think nothing of jumping on a plane to travel to another country or continent. The most exotic locations are now destinations for mass tourism. Small business people are dealing across frontiers and language barriers like never before. The Internet brings different languages and cultures to our finger-tips. English, the hybrid language of an island at the western extremity of Europe seems to have an unrivalled position as an international medium of communication. But historically periods of cultural and economic domination have never lasted forever. Do we not lose something by relying on the wide spread use of English rather than discovering other languages and cultures? As citizens of this shrunken world, would we not be better off if we were able to speak a few languages other than our own? The answer is obviously yes. Certainly Steve Kaufmann thinks so, and in his busy life as a diplomat and businessman he managed to learn to speak nine languages fluently and observe first hand some of the dominant cultures of Europe and Asia. Why do not more people do the same? In his book The Way of The Linguist, A language learning odyssey, Steve offers some answers. Steve feels anyone can learn a language if they want to. He points out some of the obstacles that hold people back. Drawing on his adventures in Europe and Asia, as a student and businessman, he describes the rewards that come from knowing languages. He relates his evolution as a language learner, abroad and back in his native Canada and explains the kind of attitude that will enable others to achieve

second language fluency. Many people have taken on the challenge of language learning but have been frustrated by their lack of success. This book offers detailed advice on the kind of study practices that will achieve language breakthroughs. Steve has developed a language learning system available online at: www.thelinguist.com.

Chinese Character a Day Practice Volume 2 Philip Yungkin Lee.2014-10-07 This calendar-like practice pad allows you to effectively practice Chinese characters and learn a year's worth of characters in just minutes a day. Although more people are studying the Chinese language than ever before, others are still wary of starting because they believe, it's too difficult. But *A Chinese Character A Day, Volume 2* will show beginner-intermediate students that learning Mandarin Chinese characters is highly manageable when absorbed in small doses. It will help intermediate and advanced Chinese learners review and improve upon their past studies and practice written Chinese every day. Chinese characters (hanzi) are fascinating pictographic symbols that each have a specific meaning. After a few weeks of gradual progress your ability to read Chinese, write Chinese and pronounce Chinese will grow tremendously. This calendar like desk companion starts with the most basic Chinese characters and builds upon itself, one day at a time. For easy reference and review, a booklet listing the 365 Chinese characters is included. Each of the 365 pages contain these six components: The featured Chinese character. The English meaning. The pronunciation written in romanized Chinese (hanyu pinyin). Related compounds with their meanings and pronunciations. Stroke-order diagrams. 28 practice squares. To get started with *A Chinese Character a Day*, turn to Day One and begin by studying the character, its readings, meanings and sample compounds. Then tear off the sheet and, using the stroke-order guide, practice writing the character in the spaces provided. In a matter of days you'll be on your way to reading and writing Chinese with ease!

Mandarin Chinese Characters Made Easy Michael L. Kluemper,Kit-Yee Nam Nadeau.2016-10-18 This highly-visual book introduces an effective new method for learning Chinese characters using visual stimuli and pictographs. Learning the necessary characters used to write even simple Chinese sentences can be a long and arduous process. *Chinese Characters Made Easy* makes the learning process fun and easy by presenting the 1,000 most common characters using a new mnemonic approach that associates each character with a memorable visual and verbal clue--making memorization easy. The character for person, for example, is superimposed over a sketch of a man representing a person standing on two legs—drawing the reader's attention to the distinctive shape of the character and associating the sketch with the character's meaning. The Chinese characters are presented in groups or clusters all sharing common elements and meanings, for context and ease of identification. These groups of characters all share common root symbols known as radicals or relate to a particular theme or topic such as colors, numbers, animals, or body parts. Pronunciations, meanings and vocabulary compounds are provided for each character in the group. Key features of *Chinese Characters Made Easy* include: An introduction to the history and structure of the Chinese writing system 1,000 characters and over 3,000 words for beginning learners of Chinese This Chinese character book's visual approach is a powerful learning tool. It can be used by serious students and is entertaining and useful to general readers who are curious about how the Chinese writing system works and how it developed.

Find Mandarin Chinese Characters Language Practice Pad

Wikibooks is a collection of open-content textbooks, which anyone with expertise can edit – including you. Unlike Wikipedia articles, which are essentially lists of facts, Wikibooks is made up of linked chapters that aim to teach the reader about a certain subject. The free Kindle books here can be borrowed for 14 days and then will be automatically returned to the owner at that time. Similar to PDF Books World, Feedbooks allows those that sign up for an account to download a multitude of free e-books that have become accessible via public domain, and therefore cost you nothing to access. Just make sure that when you're on Feedbooks' site you head to the "Public Domain" tab to avoid its collection of "premium" books only available for purchase. The Open

Library has more than one million free e-books available. This library catalog is an open online project of Internet Archive, and allows users to contribute books. You can easily search by the title, author, and subject. If you have an eBook, video tutorials, or other books that can help others, KnowFree is the right platform to share and exchange the eBooks freely. While you can help each other with these eBooks for educational needs, it also helps for self-practice. Better known for free eBooks in the category of information technology research, case studies, eBooks, Magazines and white papers, there is a lot more that you can explore on this site. You can literally eat, drink and sleep with eBooks if you visit the Project Gutenberg website. This site features a massive library hosting over 50,000 free eBooks in ePu, HTML, Kindle and other simple text formats. What's interesting is that this site is built to facilitate creation and sharing of e-books online for free, so there is no registration required and no fees. PixelScroll lists free Kindle eBooks every day that each includes their genre listing, synopsis, and cover. PixelScroll also lists all kinds of other free goodies like free music, videos, and apps. Thanks to public domain, you can access PDF versions of all the classics you've always wanted to read in PDF Books World's enormous digital library. Literature, plays, poetry, and non-fiction texts are all available for you to download at your leisure. Learn more about using the public library to get free Kindle books if you'd like more information on how the process works.
