The Life and Times of Chopin Adelaide Murgia.1968

Frederick Chopin As A Man And Musician Vol. 1 Frederick Niecks.2023-12 Frederick Chopin, as a Man and Musician through Frederick Niecks is a biographical and analytical study. Some stories are brutal and weird, while others creep up on you and draw you in slowly. As the title character is so indulgent, readers are forced to keep reading to find out what happens next. This work of story offers a comprehensive examination of Frédéric Chopin's life, personality, and creative talent as a Romantic-era composer and pianist. Niecks, a musicologist and historian, delves into Chopin's history, providing an intriguing portrait of the man behind the music. He recounts Chopin's youth in Poland, his musical schooling in Warsaw, and his subsequent travels and life in Paris, where he rose to fame and reputation as a composer and performer. One of the book's strengths is Niecks' thorough examination of Chopin's compositions. He dissects Chopin's music's structure, manner, and depth of feeling, revealing crucial insights into his work's technical and imaginative components. Niecks also looks at the influence of Polish culture and folk music on Chopin's compositions, emphasizing his unique and creative qualities.

A Descriptive Catalogue of Early Editions of the Works of Frédéric Chopin in the University of Chicago Library George W. Platzman.2003 This catalogue of the University of Chicago Library's Chopin Collection provides detailed descriptions of over 400 first and early editions of musical works by Chopin—information important to scholars and bibliographers, given that Chopin's works were often published concurrently in several countries with variant texts. Each description has a wealth of data, including title-page transcription, details of printing and publishing histories, and notes on the individual copy. Appendices provide comparisons of variant works and collect chronologies, plate numbers, and data on publishers. This second edition of the catalogue expands significantly on the first, adding descriptions of approximately 130 additional scores and several new features, including descriptions of title-page stamps and an index presenting a consolidated quick-reference view of the collection. This trove of information forms an ideal accompaniment to the University of Chicago Library's digital collection, Chopin Early Editions at chopin.lib.uchicago.edu. This site contains digitized images of the collected scores, with data searchable by title, genre, plate number,

publisher, and other elements.

Fredric Chopin William Smialek.2021-10-28 Important books, articles, reviews, and theses on Fr d ric Chopin (1810-1849) in Western European languages and in Polish are cited; selected references in languages such as Russian, Czech, and Japanese are included as well. The Chopin legend is considered through studies of the performance tradition and a discography of recent and reissued recordings. Short essays outline the historiography of Chopin research and the current direction of scholarship. Index.

Chopin's Letters Frédéric Chopin.1971 Nearly 300 letters reveal Chopin as both man and artist and illuminate his fascinating world -- Europe of the 1830s and 1840s. ...delightful gossip...merry rather than malicious...engagingly witty. -- Books. Preface. Index.

Frederic François Chopin Charles Willeby.1892

Life of Chopin Franz Liszt.2023-02-14 Life of Chopin, has been acknowledged as a major work throughout human history, and we have taken precautions to assure its preservation by republishing this book in a modern manner for both present and future generations. This book has been completely retyped, revised, and reformatted. The text is readable and clear because these books are not created from scanned copies.

Chopin Franz Liszt.2015-05-13T00:00:00+02:00 Scritto a pochi mesi dalia morte di Frédéric Chopin, questo libro non è una tradizionale biografia, ma un intenso esercizio di ammirazione, in cui l'affetto per l'uomo e il riconoscimento del genio convivono indissolubili. Franz Liszt - amico generoso, osservatore critico e interprete appassionato di Chopin - analizza con cura le radici polacche della sua musica, ricostruisce la storia d'amore con George Sand, racconta il tormentato rapporto con il pubblico e scandisce la cronaca dell'acuirsi della malattia, mentre la membrana che separa le passioni dell'anima dall'espressione artistica sembra farsi sempre più sottile. Ed è proprio l'identificazione romantica di arte e vita, incarnata all'estremo dal compositore polacco, che costituisce il cuore del libro. Attorno a questo centro pulsante, Liszt intreccia il filo dei ricordi e dissemina le sue profonde, divaganti riflessioni sulla musica e sul processo creativo. Con una prefazione di Michele Campanella, considerato uno dei maggiori virtuosi e interpreti lisztiani a livello internazionale.

Chopin Gastone Belotti.1984

Chopin: the Man and His Music James Huneker.2012-06-04 Frédéric François Chopin 1810-1849 was a Polish composer and virtuoso pianist of French-Polish parentage. He is considered one of the great masters of Romantic music. Chopin was born in Zelazowa Wola, a village in the Duchy of Warsaw. A renowned child-prodigy pianist and composer, Chopin grew up in Warsaw and completed his music education there; he composed many mature works in Warsaw before leaving Poland in 1830 at age 20, shortly before the November 1830 Uprising.Following the Russian suppression of the Uprising, he settled in Paris as part of Poland's Great Emigration. During the remaining 19 years of his life, Chopin gave only some 30 public performances, preferring the more intimate atmosphere

of the salon; he supported himself by sales of his compositions and as a piano teacher. After some romantic dalliances with Polish women, including an abortive engagement, from 1837 to 1847 he carried on a relationship with the French writer Amantine Dupin (pen name George Sand). For most of his life, Chopin suffered from poor health; he died in Paris in 1849 at age 39. The vast majority of Chopin's works are for solo piano, though he also wrote two piano concertos, a few chamber pieces and some songs to Polish texts. His piano works are often technically demanding, with an emphasis on nuance and expressive depth. Chopin invented the instrumental ballade and made major innovations to the piano sonata, mazurka, waltz, nocturne, polonaise, étude, impromptu, scherzo and prélude.

Chopin Justo Romero. 2015-07-20 La música de Chopin es uno de los puntos de partida de la escritura pianística de la segunda mitad del siglo XIX y de todo el siglo XX. Además del fascinante carácter romántico asociado a su vida, Chopin mantiene fresca la capacidad germinal de una obra que dinamitó los criterios formales de su época, lo que llevó al piano a un proceso de emancipación sin retorno. Este libro, uno de los más rigurosos y extensos estudios dedicados al genial compositor polaco, añade una nueva perspectiva a la obra de Chopin a la vez que incorpora datos inéditos sobre su vida. Con erudición y soltura, Justo Romero aporta una visión diferente y demuestra que cada época añade nuevos atributos a los clásicos.
