Create, print, and sell professional-quality photo books, magazines, trade books, and eBooks with Blurb! Choose from several free tools or use Adobe InDesign or ...\$this_title. eBooks are available as PDF, EPUB, Kindle and plain text files, though not all titles are available in all formats. Ebook Bike is another great option for you to download free eBooks online. It features a large collection of novels and audiobooks for you to read. While you can search books, browse through the collection and even upload new creations, you can also share them on the social networking platforms. In addition to these basic search options, you can also use ManyBooks Advanced Search to pinpoint exactly what you're looking for. There's also the ManyBooks RSS feeds that can keep you up to date on a variety of new content, including: All New Titles By Language. Project Gutenberg is one of the largest sources for free books on the web, with over 30,000 downloadable free books available in a wide variety of formats. Project Gutenberg is the oldest (and quite possibly the largest) library on the web, with literally hundreds of thousands free books available for download. The vast majority of books at Project Gutenberg are released in English, but there are other languages available. With more than 29,000 free e-books at your fingertips, you're bound to find one that interests you here. You have the option to browse by most popular titles, recent reviews, authors, titles, genres, languages, and more. These books are compatible for Kindles, iPads and most e-readers. Unlike the other sites on this list, Centsless Books is a curator-aggregator of Kindle books available on Amazon. Its mission is to make it easy for you to stay on top of all the free eBooks available from the online retailer. It's worth remembering that absence of a price tag doesn't necessarily mean that the book is in the public domain; unless explicitly stated otherwise, the author will retain rights over it, including the exclusive right to distribute it. Similarly, even if copyright has expired on an original text, certain editions may still be in copyright due to editing, translation, or extra material like annotations. You can browse the library by category (of which there are hundreds), by most popular (which means total download count), by latest (which means date of upload), or by random (which is a great way to find new material to read).
