When Christ Comes Max Lucado.2014-01-07 Life with no end? Space with no bounds? And what about Armageddon, The Lake of Fire, The Mark of the Beast? Are we supposed to feel good about all this? When we wonder about these things, we aren't alone. There is much about the end of history we don't understand. But while thoughts on the final day will stir our questions, they needn't stir our fears. Regarding that day, Jesus urged, Don't let your hearts be troubled. Trust in God, and trust in me (John 14:1). Max Lucado believes the day Christ comes will be the beginning of the very best. And our primary task is to be prepared and peaceful while we wait. If we have some questions about the end of time ... If we have concerns about what will happen to us ... If we want to look to the end of times as a source of comfort and not chaos ... Then this is the book we need. New York Times best-selling author Max Lucado walks us through Scripture to find peace in the present and hope for the hereafter.

Can America Survive? John Hagee.2010-06-29 This paperback version of Pastor John Hagee's newest book has ripped-from-the-headlines updates. New material has been added regarding the death of the dollar, a nuclear Iran, and the rejection of Israel. Further, this New York Times best-selling author says the United States is heading into a "Perfect Storm." Titanic. John F. Kennedy's assassination. 9/11. John Hagee maintains that these American tragedies all have one element in common: they were unthinkable. And in the opening pages of his newest book, *Can America Survive?* Hagee uses these tragedies to prove two points: that the unthinkable can happen and, given the right conditions, the unthinkable can quickly become the inevitable. In *Can America Survive?* Hagee asserts that the seeds for tragedy are once again being sown, evidenced by the disturbing economic, geopolitical, and religious trends that now threaten to dismantle the very nation itself. "Think it can't happen?" Hagee asks in a theme repeated throughout the book. "Think again." Indeed, Hagee presents alarming examples of recent events, current research, scientific evidence, and biblical prophecy that are gathering to create a "perfect storm" that could bring down the "unsinkable" United States of America including: The U.S.'s negligent handling of Israel, and history's evidence of the danger to any nation that challenges Israel's God-mandated right to exist The dangerous belittling of Iran's nuclear threat by careless spy agencies—and the super-weapon that could stop the U.S. in its tracks instantly The chilling biblical prophecy that confirms Iran as one of six countries that will form an Islamic military force "as a cloud to cover the land" The real \$2.5 trillion price tag of healthcare reform, the international currency shifts, and the national economic trends that are poised to bring about the death of the American dollar The criminalization of Christianity around the world; *Can America Survive?* is not just a warning. It is a wake-up call and a rallying cry to Christian citizens everywhere to prevent the next unthinkable American disaster. After all, as Hagee points out, "those who do not remember the mistakes of the past are doomed to repeat them in the future." Think it can't happen? Think again.

Devil's Island John Hagee.2002-09-01 The apostle John pushed aside the incense. I will not make your sacrifice, he announced to the Roman tribune. There is one God, and his name is not Domitian. Standing next to John at the stone altar of the emperor's temple were other believers, including Asia's most wealthy citizen, Abraham of Ephesus, and his family. Will Abraham follow John's example? If he refuses to make the sacrifice, the shipping magnate's vast fortune will be confiscated by Rome, and he will either be executed or exiled to Patmos-Devil's Island. This exciting historical novel follows Abraham and his family as they make their choice to worship Ceasar or follow Christ, and it brings to life the days when Christians faced the lions in Rome's Coliseum-and when the exiled apostle received the great visions of Revelation. Previously published in hardcover (90785267875).

Rumors of wars, earthquakes, pestilence, and signs in the heavens have increased—and many believe that the End of the Age is upon us and a new age is about to be born. While some in power wish to promote that which is contrary to God’s Word, believers in Christ must continue to stand for righteousness and boldly speak the truth according to God’s Word. No man knows the day or the hour, but make no mistake...when the trumpet sounds, Jesus will be coming for His children. In *The End of the Age Study Guide*, New York Times bestselling author John Hagee examines the prophecies of the Bible in the context of the events taking place in our world. The next series of four blood moons occurs at Passover and Sukkot in 2014 and 2015. In this devotional study guide, Pastor Hagee challenges readers

to further explore the meaning behind blood moons, understand why Christians must recognize these signs that God refers to in Scripture, and absorb their prophetic significance. Christianity in Crisis Hank Hanegraaff.2012-06-18 Nearly two decades ago Hank Hanegraaff's award-winning *Christianity in Crisis* alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith. But in the 21st century, there are new dangers—new teachers who threaten to do more damage than the last. These are not obscure teachers that Hanegraaff unmasks. We know their names. We have seen their faces, sat in their churches, and heard them shamelessly preach and promote the false pretexts of a give-to-get gospel. They are virtual rock stars who command the attention of presidential candidates and media moguls. Through make-believe miracles, urban legends, counterfeit Christs, and twisted theological reasoning, they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe: "God cannot do anything in this earthly realm unless we give Him permission." "Keep saying it—I have equality with God'—talk yourself into it." "Being poor is a sin." "The Jews were not rejecting Jesus as Messiah; it was Jesus who was refusing to be the Messiah to the Jews!" "You create your own world the same way God creates His. He speaks, and things happen; you speak, and they happen." *Christianity in Crisis: 21st Century* exposes darkness to light, pointing us back to a Christianity centered in Christ. From the Preface: "Having lost the ability to think biblically, postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators. Pop culture beckons, and postmodern Christians have taken the bait. As a result, the biblical model of faith has given way to an increasingly bizarre array of fads and formulas."

Do I Stay Christian? Brian D. McLaren.2022-05-24 Dubbed a heroic gate-crasher by New York Times bestselling author Glennon Doyle, Brian D. McLaren explores reasons to leave or stay within the church and if so how... Brian's new book on remaining Christian knocks it out of the ballpark in terms of framing and naming the questions. I cannot stop reading it. Thank you, Brian! —Fr. Richard Rohr, OFM, founder of the Center for Action and Contemplation, author of *The Universal Christ* Any thoughtful Christian has been asking the questions McLaren tackles here, but many of us are afraid to voice them aloud. In *Do I Stay Christian?* we're gifted a gentle guide who opens ideas and voices the questions we cannot, naming our frustration, fear, and hesitant hope. —Rev. Dr. Amy Butler, former Senior Minister, The Riverside Church; Founder, Invested Faith *Do I Stay Christian?* addresses in public the powerful question that surprising numbers of people—including pastors, priests, and other religious leaders—are asking in private. Picking up where *Faith After Doubt* leaves off, *Do I Stay Christian?* is not McLaren's attempt to persuade Christians to dig in their heels or run for the exit. Instead, he combines his own experience with that of thousands of people who have confided in him over the years to help readers make a responsible, honest, ethical decision about their religious identity. There is a way to say both yes and no to the question of staying Christian, McLaren says, by shifting the focus from whether we stay Christian to how we stay human. If *Do I Stay Christian?* is the question you're asking—or if it's a question that someone you love is asking—this is the book you've been waiting for.
