**CNC Lathe Technological Documentation Book** Kose Books.2020-05-23 If you want to speed up production, reduce machine setup and changeover times, increase repeatability of production series and eliminate operator errors.Our book will provide you with repeatability in setting up the machine.The book contains over one hundred easy-to-use technology templates that the operator fills when setting up the machine for the first time for each part. The templates were created based on several years of production experience. They contain key settings necessary to set up the machine for the production of each part. This ensures that the machine will be set up the same when re-producing the part. To dispel any doubts about the use of our book, we have included an example of a completed technology template.Check also our other items. Machine Maintenance Book.
