[Why The Church Needs the Prophet's Ministry](#) Avian L. Christian.2011 The church today is in great need of the prophet's ministry. And yet, there exist much ignorance and misunderstanding of this important and vital ministry. This is partly due to the lack of teaching on the subject of the prophetic ministry, the lack of depth in the understanding of spiritual matters concerning the church, fear, distrust between leaders, pride, jealousy and disobedience to the Spirit of God and the will and plan of God for end-time-ministry. All of these things and such like are to be blamed for the ignorance and misunderstanding that currently exist concerning the prophet's ministry. As the church draws nearer to the end of the church-age prophets, prophetess and prophetic ministries will become more necessary and in increasing demand. The purpose of this book is to show biblical evidence for the ministry of the modern-day prophet/prophetess and to show they still exist within the New Testament Church. The purpose is also to establish knowledge of the workings of, the need of and the importance of the modern-day prophetic ministry. Without the ministry of the prophet/prophetess the body of Christ would indeed be incomplete. *Why The Church Needs The Prophet's Ministry* is an excellent guide for opening the doors of awareness to the prophet's ministry and for the bringing about of understanding that can lead to cooperation between the five-fold-ministry, as well as the entire body of Christian workers, adding to the completion of the end-time work of the ministry.

**Moving in the Prophetic** Gregory Haslam.2012-11-20 The gift of prophecy has always invited some degree of opposition and controversy. It is one of the most vivid displays of God's presence and power among his people. Many people struggle with the very concept of the validity of prophecy today. They are troubled by the possibility that God may have direct access to our minds. Greg Haslam argues that such concerns are misplaced. Following St Paul's injunction that we should be 'eager to prophesy' he considers how God speaks, and how we should hear him; how we can test and deliver a prophetic word; and how we can grow in confidence as we learn to discern what the Spirit is saying to the church.

*A Peculiar Prophet* Michael A. Turner.2010-09-01 There is no more trusted mentor of preachers in North American Christianity today than William H. Willimon. The author of over sixty books, a frequent preacher and teacher in pastors' schools and events, Willimon has earned a following as one of the people to whom preachers turn more often than any other. Turner and Malambri make Willimon's role as a mentor to preachers more available than ever. Both former students of Willimon's, they provide detailed and practical tools for learning from this peculiar prophet. They offer samples of Willimon's sermons, and commentary on them by other leading preachers and homilicians such as Tom Long and Peter Gomes. The point of this examination of Willimon's work is not simply to praise it, but to assess both its strengths and its weaknesses, and to help readers learn in the process how Willimon can be a model of what to do and--at times--what not to do in the pulpit. Written with the needs of practicing preachers in mind, this book will make a significant contribution, not only to understanding a great preacher, but also to preaching itself.

**Office of the Prophet** Janice E. Wagner.2020-02-28 This study came about from a teaching on the manifestation gifts of the Holy Spirit the author prepared for the altar workers at The People's Church of Santa Fe in New Mexico. That teaching has been incorporated into this study. During the discussion on the manifestation gift of prophecy, it was stated that operating through the gift of prophecy does not make someone a prophet. The question arose, "what is the difference between the gift of prophecy and the office of the prophet?" That was when this study was born. This book includes scriptural teaching on the office of the prophet which is one of the five-fold ministry gifts or offices. The book teaches how one knows he has been called to be a prophet. It discusses the manifestation gifts of the Holy Spirit as tools used by prophets to accomplish what the Lord has assigned them to say and do. There are also examples of how the Holy Spirit has operated in the life of the author over her 40 plus years of serving the Lord as a prophet of God.
