Yoga Pant Nation Laurie Gelman.2021-07-13 A Good Morning America Buzz Pick From the author of Class Mom and You've Been Volunteered comes a new book on one mom's challenges through parenting and life, keeping her on her toes and perpetually in yoga pants. Jen Dixon of Overland Park, Kansas—fearless mother of a fifth-grade boy and two thirty-something daughters—is used to juggling a lot, from her mission to become a spin instructor, to stepping in as the most acerbic class mom ever (again), to taking care of her two-year-old granddaughter. But when the PTA president throws her a mandate to raise \$10,000 for the fifth-grade class, even unflappable Jen is going to need more than her regular spin class to get her through this final year at William Taft Elementary School. In the midst of new complications—organizing the class overnight to Topeka, an unexpected spin class fan in the form of her husband's crazy ex-wife, and trying to navigate her parents' sudden descent into apparent delusions—Jen hardly has the patience to listen to yet another half-baked idea (come on, ladies, another wrapping paper sale?) from WeFUKCT (We Fundraise Until Kingdom Come Team), her fundraising committee. But if anyone can get elementary parents to pull off the impossible, it's Jen Dixon. With her always irreverent and laugh-out-loud humor—boldly holding forth on those things you're thinking, but would never dare say out loud—Laurie Gelman shines a light on the indignities and hilarities of modern parenting.

Rage Against the Minivan Kristen Howerton.2020-06-09 “Howerton writes unflinchingly about what it means to be raising children in today's world and how to liberate ourselves from the myth of perfect motherhood.”—Glennon Doyle, author of Untamed and Love Warrior, founder of Together Rising In this smart and subversively funny memoir, Kristen Howerton navigates the emotional and sometimes messy waters of motherhood and challenges the idea that there's a “right” way to raise kids. Recounting her successes, trials, mishaps, and hard-won wisdom, this mother of four advocates for letting go of the expectations, the guilt, and the endless race to be the perfect parent to the perfect child in the perfect family. This book is for ● the parent who loves their kids like crazy but feels like parenting is making them crazy, too ● the parent who said “I will never . . .” and now they have ● the parent who looks like they have it all together but feels like a hot mess on the inside ● the parent who looks like a hot mess on the outside, too ● the parent who asks Am I good enough? Doing enough? Doing it right? What's wrong with me? What's wrong with these children? Are they eighteen yet? With her signature blend of vulnerability, sarcasm, and insight, Howerton shares her unexpected journey from infertility to adoption to pregnancy to divorce to dealing with the shock and awe of raising teens. As a mom of a multiracial family and as a marriage and family therapist, she tackles the thorny issues parents face today, like hard conversations about racism, disciplining other people's kids, the reality of Dad Privilege, and (never) attaining that elusive work/life balance. Rage Against the Minivan is a permission slip to let it go and allow yourself to be a “good enough” parent, focused on raising happy, kind, loving humans.

Save Money on Groceries Tiffany Doerr Guerzon.2018-08-13 Everyone wants to save money at the grocery store, right? The monthly food bill is the third-highest item in most family's budgets, after transportation and home costs. While the price of your mortgage or car payment are fixed, one place you can save money is by cutting the cost of groceries. But how? Food costs keep rising and many families have food allergies or intolerances that require the purchase of more expensive products. In this book, I share what I have learned about saving money on groceries through years of trial and error. My back to basics approach—such as buying in bulk, stocking up, cooking from scratch, buying on sale, and planning meals—can help you save significantly, without spending hours clipping coupons or driving to several stores each week. I also include information on saving apps, batch cooking, alternative buying methods such as food co-ops, and how to read price labels at the store to decipher the best deal, as well as tasty, nutritious recipes. This book will pay for itself in one grocery store trip if you apply these saving strategies that even the busiest of people can use.
