**La República Romana** Captivating History.2018-08-09 Explora la Fascinante Historia de la República Romana Cuando pensamos en la antigua Roma, la primera idea que se nos viene a la mente es la del imperio, seguida de la imagen de un poderoso emperador, sus legiones, edificios colosales, y los gladiadores (o la retórica y poesía, dependiendo de los gustos). Algunos quizás recuerden la imagen de una Europa unificada bajo un solo soberano - el emperador de Roma. Sin embargo, Roma no se volvió poderosa en esta fase considerablemente tardía. De hecho, muchos historiadores ven la historia de Roma bajo el gobierno de los emperadores como un largo y gradual declive. Fue durante la República que Roma se convirtió en un imperio. Muchos de los logros que el primer emperador romano, Octavio Augusto, aseguraba haber alcanzado fueron, de hecho, forjados durante la República romana. En este libro, veremos más de cerca el comienzo de la civilización romana, la fundación de la ciudad y el Senado, la expansión de la República romana, su gloria, y su final. Algunos temas que se tratan en este libro son: l Pasado que lo Hizo Posible: La Fundación de Roma entre Mito e Historia Abajo los Reyes: El Pasado que lo Causó Los Comienzos de la República Logros Militares de los Comienzos de la República: Tomar Italia En Medio de la República: Las Guerras Púnicas y el Dominio del Mediterráneo El Dominio Militar versus el Dominio Cultural: La Civilización Romana ante el Mundo Griego Poder Ilimitado y el Comienzo del Fin: El período final de la República La era de los Generales: Pompeyo, Craso y César Senatos Populus-Que Romanus (SPQR) y su Caída El Ascenso y la Caída de Julio César y el Fin de la República Romana ¡Y Mucho Más Que No te Puedes Perder! ¡Obtiene el libro ya para aprender más acerca de la República Romana!

**Teatre popular romà** Enric Garriga Martí,Joan Pascual Mallada,Joan Rioné Tortajada.2016-12-01 Teatre Popular Romà vol ser la memòria dels darrers deu anys de l'Aula de Teatre de la Universitat Rovira i Virgili dedicats a l'estudi i reconstrucció dels gèneres populars del teatre romà: els titelles —amb dos espectacles—, la reconstrucció d'un frons scænæ de mida quasi natural —amb tres comèdies de Plaute—, les farses priàpiques —dos espectacles, les nostres primeres pantomimes, encara sense saber-ho!—, i una trilogia de comèdies basades en la pantomima, amb pantomima priàpica i danses pírriques incloses. Aquest és un llibre per a gaudir i aprofundir en el teatre popular romà, un recorregut pel seu potencial i la seva realitat. Un procés d'arqueologia teatral per a reflexionar sobre els nostres referents culturals i la nostra realitat escènica.

Historia 16 .2008

*The Roman Republic* Isaac Asimov.1966 A history of Rome from its start as the small town inhabited by a semicivilized tribe that, in 500 years, became the ruler of the western world.

**Roma antigua** Ana M.<sup>a</sup> Suárez Piñeiro.2020-04-02 Roma ha ejercido una influencia sin par, indeleble y duradera, en nuestras sociedades y, en paralelo, su historia y civilización no han dejado ni por un momento de cautivarnos, tanto en la esfera académica como en la cultura popular. Jamás ha perdido Roma un ápice de actualidad; además, la arqueología permite, con relativa frecuencia, descubrir nuevos hallazgos o completar hitos de una cultura que continúa deslumbrándonos.En verdad la historia de Roma aún nos importa y sentimos la necesidad de conocerla y comprenderla,

ya que somos parte de ella. Su dificultad estriba, en buena medida, en su extensión cronológica y espacial: alrededor de 1.200 años y un territorio que abarca varios continentes. Proponemos aquí recorrer un largo viaje por los acontecimientos y procesos esenciales que determinan su historia, un itinerario que arranca, a mediados del siglo VIII a.C., en una simple aldea de pastores situada en el monte Palatino y culmina en el Imperio que, tras dominar todo el mar Mediterráneo, acabó sucumbiendo, solo en su mitad occidental, en el siglo V d.C. Desde unos orígenes tan humildes, nada hacía presagiar el futuro desarrollo de este Estado. Roma antigua desvela y detalla las claves de esta expansión extraordinariamente veloz y contundente, capaz de integrar en una nueva entidad política a las grandes culturas mediterráneas (el mundo heleno-macedónico, la cultura cartaginesa, Egipto, Siria...). Y veremos también cómo este éxito abrirá, en buena medida, el camino hacia su propia disolución.

*Roma* Steven Saylor. 2007-03-06 Spanning a thousand years, and following the shifting fortunes of two families through the ages, this is the epic saga of Rome, the city and its people. Weaving history, legend, and new archaeological discoveries into a spellbinding narrative, critically acclaimed novelist Steven Saylor gives new life to the drama of the city's first thousand years — from the founding of the city by the ill-fated twins Romulus and Remus, through Rome's astonishing ascent to become the capitol of the most powerful empire in history. Roma recounts the tragedy of the hero-traitor Coriolanus, the capture of the city by the Gauls, the invasion of Hannibal, the bitter political struggles of the patricians and plebeians, and the ultimate death of Rome's republic with the triumph, and assassination, of Julius Caesar. Witnessing this history, and sometimes playing key roles, are the descendants of two of Rome's first families, the Potitius and Pinarius clans: One is the confidant of Romulus. One is born a slave and tempts a Vestal virgin to break her vows. One becomes a mass murderer. And one becomes the heir of Julius Caesar. Linking the generations is a mysterious talisman as ancient as the city itself. Epic in every sense of the word, Roma is a panoramic historical saga and Saylor's finest achievement to date.

Antigua Roma Captivating History. 2019-06-27 Si quiere descubrir historias cautivadoras de personas y eventos de la antigua Roma, entonces siga leyendo... La civilización romana es probablemente la civilización más importante de la historia del planeta. Su expansión definió a Europa. Su constitución formó sociedades desde Rusia en el este hasta los Estados Unidos y América Latina en el oeste. Ni siquiera sus conquistadores fueron inmunes a la cultura romana superior. En este nuevo libro de historia cautivadora, aprenderá todo lo que necesita saber sobre las instituciones y la política romana. Pero nuestro enfoque estará en las historias cautivadoras y las curiosas personalidades de los emperadores, políticos y generales romanos, desde Rómulo, César, Augusto, Trajano y Adriano, hasta Constantino, Justiniano y Belisario. Igualmente importantes (y quizás aún más interesantes) son las historias de mujeres influyentes: madres, esposas y amantes, desde Cleopatra y Agripina hasta Teodora y Zoé, con los ojos negros como el carbón, cuyos esquemas a menudo redirigieron el curso de la historia. Estos son algunos de los temas tratados en la Antigua Roma: Una introducción fascinante a la República Romana, El ascenso y la caída del Imperio Romano y el Imperio bizantino: : Los siete reyes de las siete colinas: la fundación de Roma y sus primeros gobernantes La República Naciente Las guerras púnicas y la dominación mediterránea: la República Media Decadencia, corrupción y guerras civiles: Finales de la República Cayo Julio César, cruzando el Rubicón y la muerte que sacudió la ciudad El ascenso del primer emperador romano Principios del Imperio romano: Princeps Augustus y Dinastía Julio-Claudia La Dinastía Flavia La Dinastía Antonina Finales del Imperio El imperio de Constantino Dinastía Constantiniana Decadencia y caída del Imperio romano occidental El milenio bizantino ¡Y mucho, mucho más!

¡Obtenga este libro ahora para conocer más sobre la antigua Roma!

*Roma. La creación del Estado Mundo* Josiah Osgood.2020-05-25 La visión tradicional del último siglo de la República romana, deudora de la obra de contemporáneos como Salustio o Cicerón, es el de un periodo de caótica entropía, en el que políticos sin escrúpulos sumieron al Estado en una violenta espiral de autodestrucción. Múltiples fueron los retos que Roma hubo de afrontar, desde la rebelión de los aliados itálicos en pos de la ciudadanía al levantamiento de esclavos y campesinos empobrecidos que fue la revuelta de Espartaco, desde la amenaza del temible Mitrídates a la invasión de cimbrios y teutones. Y todo ello enmarcado por continuas luchas fratricidas, desplazado el debate político de las instituciones al campo de batalla, trocada la oratoria por las espadas de un Mario, un Sila, un Pompeyo o un César. Ante esta coyuntura atroz, ¿cómo pudo Roma evitar su desintegración? Josiah Osgood, profesor de la Universidad de Georgetown, desgrana el relato de ese tiempo axial para demostrar que fue entonces cuando se plantaron los cimientos del Estado mundo que sería el Imperio. Se desarrollaron nuevas ideas y prácticas políticas y de ciudadanía, la economía del Mediterráneo experimentó un florecimiento sin precedentes, y la propia ciudad de Roma, metrópoli con más de un millón de habitantes, se convirtió en un centro intelectual sin parangón. Osgood supera las viejas narrativas centradas en los conflictos políticos y amplía su lente a todo el Mediterráneo, para integrar aspectos culturales, sociales y económicos, en un relato apasionante, crónica de agilidad pasmosa y de calado intelectual profundo, que desafía las viejas concepciones para poner el acento en cómo Roma, siempre resiliente, fue capaz de superar el marasmo, aunque esto abocara a su transformación y al nacimiento del primer Estado mundo.

**La República Romana** Isaac Asimov.2011-05 La serie informalmente titulada «Historia Universal Asimov» reúne las obras dedicadas por el gran novelista y divulgador científico a la evolución política, cultural y material de la especie humana. «La República Romana» abarca el lapso transcurrido entre la fundación de Roma en 753 a.C. y el 29 a.C. momento en el que Octavio se hace con el poder absoluto , y comprende el periodo monárquico, el ascenso de Roma a gran potencia tras su triunfo en las Guerras Púnicas y las diferentes guerras civiles que pusieron fin al periodo

republicano.

**Historia de Roma** Captivating History.2019-08-03 Cuando pensamos en la antigua Roma, la primera idea que se nos viene a la mente es la del imperio, seguida de la imagen de un poderoso emperador, sus legiones, edificios colosales, y los gladiadores (o la retórica y poesía, dependiendo de los gustos).

**Pablo de Tarso** Ana Martos Rubio.2010-01-01 Pablo de Tarso es la primera figura del cristianismo que puede rastrearse históricamente, además, su conversión y el cristianismo que predica le convierten en una de las figuras más polémicas de la religión. Pablo de Tarso es una de las figuras más controvertidas del cristianismo, no sólo por el hecho de que fue contemporáneo de Jesús y los apóstoles y predicó el cristianismo sin conocer a uno ni a los otros, sino que su condición de judío fariseo de tradición helenística le hace predicar un cristianismo espiritual e incorpóreo alejado del mensaje de los Evangelios. Pablo de Tarso, ¿Apóstol o hereje?, recrea la vida del de Tarso a través de las investigaciones históricas y arqueológicas más recientes, y también a través de las informaciones que sobre él dan los distintos evangelios gnósticos y apócrifos. Ana Martos no se contenta con diseccionar la vida del apóstol sino que nos presenta un panorama general de los inicios del cristianismo, de este modo, contextualizando a Pablo de Tarso, consigue mostrar de un modo meridiano las diferencias entre el cristianismo de Pedro y el cristianismo paulista que, a la postre, será el que se imponga. Los capítulos iniciales se remontan a la predicción de Isaías de la llegada del salvador para hacernos ver los distintos mesías judíos que a lo largo de la historia han pretendido la salvación de su pueblo. Después de sintetizar los aspectos sociales e ideológicos que propiciaron la llegada de Jesús de Nazaret analizará la conversión de San Pablo, este, hijo de judía y romano no podía acceder a los centros de poder religiosos de la época por eso empezó a predicar una religión basada en el Dios único de Abraham pero despojado de preceptos terrenales, el mensaje de Pablo cambiará lo que de terrenal haya en el dios de Abraham, por distintos misterios tomados de las diversas religiones de salvación.

**El Nacimiento de los Estados Unidos** Isaac Asimov.2001 La serie informalmente titulada HISTORIA UNIVERSAL ASIMOV reúne las obras dedicadas por el gran novelista y divulgador científico a la evolución política, cultural y material de la humanidad. EL NACIMIENTO DE LOS ESTADOS UNIDOS (1763-1816), segundo de los cuatro volúmenes dedicados específicamente al norte del continente americano (H 4176, H 4177, H 4178 y H 4179), estudia los caminos que llevaron a la revolución contra la metrópoli europea y al establecimiento de la independencia que hizo posible el alumbramiento de una nación llamada a ser potencia en los siglos siguientes.
