through the Amazon First Reads program. Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars). Now that you have something on which you can read your ebooks, it's time to start your collection. If you have a Kindle or Nook, or their reading apps, we can make it really easy for you: Free Kindle Books, Free Nook Books, Below are some of our favorite websites where you can download free ebooks that will work with just about any device or ebook reading app. Freebook
