ManyBooks is another free eBook website that scours the Internet to find the greatest and latest in free Kindle books. Currently, there are over 50,000 free eBooks here. It's disappointing that there's no convenient menu that lets you just browse freebies. well enough once you know about it, but it's not immediately obvious. You can search for free Kindle books at Free-eBooks.net by browsing through fiction and non-fiction categories or by viewing a list of the best books they offer. You'll need to be a member of Free-eBooks.net to download the books, but membership is free. It would be nice if we're able to download free e-book and take it with us. That's why we've again crawled deep into the Internet to compile this list of 20 places to download free e-books for your use. The site itself is available in English, German, French, Italian, and Portuguese, and the catalog includes books in all languages.
