Discoveries in Academic Writing Barbara Harris Leonhard.2002 [This book] is a composition and grammar book designed for high-intermediate to advanced nonnative speakers at the pre-freshman composition level who are studying in intensive English programs or enrolled in non-credit composition courses at a college or university in the U.S. or Canada. Nonnative speakers in a high school level advanced ESL college-preparatory English class would also benefit from this book.... Because the target audience is nonnative speakers, the book addresses the requirements for English academic writing from a cultural perspective.... This book is designed to prepare nonnative speakers to develop and organize effective English academic essays. The rhetorical patterns that are covered include exemplification, classification, narration, process, comparison/contrast, and cause/effect. The book contains the following topics: critical-thinking skills; the process and product approach; the peer review process; sentence organization; study skills and aids; journal entries and writing assignments. -Pref.

Conectados Communication Manual Patti J. Marinelli, Karin Fajardo.2018-12-17 The CONECTADOS Communication Manual includes standards-based activities designed for in-class use, with an emphasis on interpersonal communication. The program is composed of 12 chapters, which can easily be divided over semesters or quarters. Core information (thematic vocabulary, grammatical structures, and functional language) is integrated into manageable pasos. The end of each chapter in the Communication Manual is comprised of four sections, which the instructor can mix and match. Exam Essentials: Cambridge First Practice Tests 1 W/O Key + DVD-ROM Charles Osbourne,Helen Chilton,Helen Tiliouine.2014-01-07 Exam Essentials is our major British English exam preparation series combining exam preparation, practice, and tips for the revised Cambridge English exams. This effective combination of testing and teaching has proved a popular formula with teachers and students. The first two practice tests in each book are 'walk-through' tests. Students are carefully guided through the tests and shown how they work and what they have to do to succeed in each part of the exam. Additional step-by-step support for the Writing paper is offered in all the tests. All of the tests are written by experts in the field, which means that

students preparing for the exams experience material that is appropriate for and at a level at least as high as the actual exams. Candidates internationally find the Speaking test very challenging. To help them deal with this, each Practice Test book comes with a DVD-ROM which includes a bespoke video showing a complete Speaking test interview as well as an examiner talking about this part of the exam and giving students expert guidance on how to approach it. The DVD-ROM also features worksheets to use with the interview and all the Listening test files.

Handbuch Zur Deutschen Grammatik Larry D. Wells. 1997

[The book] is a reference and review grammar for second- and third- year German students who are familiar with the basics of German vocabulary and grammar. It can be used either as a primary text or as a reference manual in conjunction with other materials, such as literature readers. Its goal is two-fold: (1) to present clear and complete explanations of all major grammar topics, and (2) to provide meaningful, communicative practice of those topics. There is abundant oral group and pair work, as well as generous attention to writing strategies, the material can be used in course sequences lasting anywhere from one to four semesters (one to six quarters). -Introd. [The book] is more than just a grammar review. It is also a reference book, a practice manual, and a practical communication guide. -Back cover.
