We Would Be One .

Joseph Priestley and English Unitarianism in America J. D. Bowers. 2010-11-01

Unitarian Review and Religious Magazine Charles Lowe, Henry Wilder Foote, John Hopkins Morison, Henry H. Barber, James De Normandie, Joseph Henry Allen. 1877

The Unitarian .1892

Gender, Power and the Unitarians in England, 1760-1860 Ruth Watts. 2014-06-06 This new study explores the role the Unitarians played in female emancipation. Many leading figures of the late eighteenth and early nineteenth centuries were Unitarian, or were heavily influenced by Unitarian ideas, including: Mary Wollstonecraft, Elizabeth Gaskell, George Eliot, and Florence Nightingale. Ruth Watts examines how far they were successful in challenging the ideas and social conventions affecting women. In the process she reveals the complex relationship between religion, gender, class and education and her study will be essential reading for those studying the origins of the feminist movement, nineteenth-century gender history, religious history or the history of education.

An Illustration of the Method of Explaining the New Testament by

the Early Opinions of Jews and Christians Concerning Christ. By W. Wilson, ... William Wilson.1797

The Unitarian Advance .1914

Unitarian Universalist Pocket Guide Rev. Susan Frederick-Gray.2019-06-03 The most complete introduction to Unitarian Universalism available, covering ministry, worship, religious education, social justice, community, and history. Extensively revised, the sixth edition prepares readers with resources and information for this crucial moment in Unitarian Universalism. It also gives voice to many individual Unitarian Universalists—people of all ages, coming from many backgrounds, and holding many beliefs—as they share their personal and deeply heartfelt testimonies. Contributors include Rosemary Bray McNatt, Erika Hewitt, Cheryl Walker, Jessica York, Elizabeth Nguyen, Aisha Hauser, Dan McKanan, and more. Foreword by lifelong Unitarian Universalist Melissa Harris-Perry, writer, professor, political commentator, and editor-at-large at Elle.com.

The Unitarian Review and Religious Magazine Charles Lowe, Henry Wilder Foote, John Hopkins Morison, Henry H. Barber, James De Normandie.1881

The Law of the Constitution A.V. Dicey.2013-10 In print for the first time in fifty years, The Oxford Edition of Dicey faithfully reproduces the first edition of Dicey's most influential work. This volume also includes the main addenda for the other editions, and the text of Dicey's inaugural lecture.

Marshall.2010-02-15 Unitarians established a church in the nation's capital in 1821, and the first Universalist sermon in Washington was presented at city hall in 1827. Since these beginnings, Washington-area Unitarians and Universalists have created congregations that affirm ideals of religious liberalism: a commitment to religious freedom, a reasoned approach to faith, a hopeful view of human capacities to create a better world, and the belief that God is most authentically known as love. Images of America: Unitarians and Universalists of Washington, D.C. features prominent figures such as Robert Little, an English Unitarian who fled his native land and became minister of First Unitarian Church of Washington; political rivals John Quincy Adams and John C. Calhoun, both founding members of the congregation; and Clara Barton, who organized the American Red Cross after her experiences on the battlefields during the Civil War. In 1961, Unitarians and Universalists joined together, and the story continues as Unitarian Universalists interpret the values of religious liberalism for each new generation.

Sociable Places Kevin Gilmartin.2017-04-24 Ranging across literature, theater, history, and the visual arts, this collection of essays by leading scholars in the field explores the range of places where British Romantic-period sociability transpired. The book considers how sociability was shaped by place, by the rooms, buildings, landscapes and seascapes where people gathered to converse, to eat and drink, to work and to find entertainment. At the same time, it is clear that sociability shaped place, both in the deliberate construction and configuration of venues for people to gather, and in the way such gatherings transformed how place was experienced and understood. The essays highlight literary and aesthetic experience but also range through popular entertainment and ordinary forms of labor and leisure.

Essays and Reviews Victor Shea,William Whitla.2000 Essays and Reviews is a collection of seven articles that appeared in 1860,

sparking a Victorian culture war that lasted for at least a decade. With pieces written by such prominent Oxford and Cambridge intellectuals as Benjamin Jowett, Mark Pattison, Baden Powell, and Frederick Temple (later archbishop of Canterbury), the volume engaged the relations between religious faith and current topics of the day in education, the classics, theology, science, history, literature, biblical studies, hermeneutics, philology, politics, and philosophy. Upon publication, the church, the university, the press, the government, and the courts, both ecclesiastical and secular, joined in an intense dispute. The book signaled an intellectual and religious crisis, raised influential issues of free speech, and questioned the authority and control of the Anglican Church in Victorian society. The collection became a best-seller and led to three sensational heresy trials. Although many historians and literary critics have identified *Essays and Reviews* as a pivotal text of high Victorianism, until now it has been almost inaccessible to modern readers. This first critical edition, edited by Victor Shea and William Whitla, provides extensive annotation to map the various positions on the controversies that the book provoked. The editors place the volume in its complex social context and supply commentary, background materials, composition and publishing history, textual notes, and a broad range of new supporting documents, including material from the trials, manifestos, satires, and contemporary illustrations. Not only does such an annotated critical edition of *Essays and Reviews* indicate the impact that the volume had on Victorian society; it also sheds light on our own contemporary cultural institutions and controversies.

An Introduction to the Unitarian and Universalist Traditions

Andrea Greenwood, Mark W. Harris. 2011-08-11 How is a free faith expressed, organised and governed? How are diverse spiritualities and theologies made compatible? What might a religion based in reason and democracy offer today's world? This book will help the reader to understand the contemporary liberal

religion of Unitarian Universalism in a historical and global context. Andrea Greenwood and Mark W. Harris challenge the view that the Unitarianism of New England is indigenous and the point from which the religion spread. Relationships between Polish radicals and the English Dissenters existed and the English radicals profoundly influenced the Unitarianism of the nascent United States. Greenwood and Harris also explore the US identity as Unitarian Universalist since a 1961 merger and its current relationship to international congregations, particularly in the context of twentieth-century expansion into Asia.

The Year-book of the Unitarian Congregational Churches, for ...
.1867

English Mechanic and Mirror of Science and Art .1911

A Chosen Faith John Beuhrens, Forrest Church. 1998-06-01 For those contemplating religious choices, Unitarian Universalism offers an appealing alternative to religious denominations that stress theological creeds over individual conviction and belief. In this new edition of the classic introductory text on Unitarian Universalism, which includes a revealing, entertaining foreword by best-selling author Robert Fulghum (*All I Really Need to Know I Learned in Kindergarten, It Was on Fire When I Lay Down on It*), a new preface by UU moderator Denise Davidoff, and two new chapters by the authors, John Buehrens and Forrest Church explore the many sources of the living tradition of their chosen faith.

Radical voices, radical ways Laurent Currelly, Nigel

Smith. 2016-10-30 This collection of essays studies the expression and diffusion of radical ideas in Britain from the period of the English Revolution in the mid-seventeenth century to the Romantic Revolution in the early nineteenth century. The essays included in the volume explore the modes of articulation and dissemination of radical ideas in the period by focusing on actors ('radical voices') and a variety of written texts and cultural practices ('radical ways'), ranging from fiction, correspondence,

pamphlets and newspapers to petitions presented to Parliament and toasts raised in public. They analyse the way these media interacted with their political, religious, social and literary context. This volume provides an interdisciplinary outlook on the study of early modern radicalism, with contributions from literary scholars and historians, and uses case studies as insights into the global picture of radical ideas. It will be of interest to students of seventeenth- and eighteenth-century literature and history.

Christian Register and Boston Observer... .1900

The Unitarian Way Phillip Hewett. 2015-01 In a religious tradition with no creed and no hierarchy, it is sometimes hard to see what it is that binds Unitarians together. In *The Unitarian Way*, Phillip Hewett sets out to discover the common elements that characterize Unitarianism, from its historical roots in the Renaissance to its varied expressions in the world today. In twelve wide-ranging chapters he explores the characteristic Unitarian blend of faith and doubt, reason and intuition, commitment and openmindedness, individuality and community. He concludes that Unitarians, like a family, or the crew of a ship, or a geological survey team, are united by participation in a common enterprise rather than by a set of shared beliefs. Originally published in 1985, *The Unitarian Way* has been newly revised by the author and reissued to guide a new generation of readers through the intricacies of the Unitarian dance.

on individual identity to relational connectedness. Through personal stories and thoughtful reflections, the contributors describe how we might grow our souls through our connections with one another and with the Holy. They invite us to move beyond the age-old theological question Who am I? and ask instead, Whose are we? This new emphasis suggests that we are all part of something larger, something that both includes us and transcends us. Group exercises and journaling prompts accompany the essays, making this an ideal resource for use in congregational settings or small gatherings. Helping us to be more vulnerable with one another and to express things not easily defined in precise ways, Not for Ourselves Alone offers fertile new ways for Unitarian Universalists to grow in the life of the spirit.

Our Unitarian Heritage Earl Morse Wilbur.1925

Will All be Saved? Laurence Malcolm Blanchard.2015-04-01

This book provides a survey and critical assessment of the doctrine of universal salvation in contemporary western theology within the context of the historic development of the doctrine.

The Top Books of the Year The Unitarian Way English Edition The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. The Unitarian Way English Edition : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating

readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
