We listened to your feedback! The No Nonsense Spanish Workbook 2nd edition contains: Expanded answer key now included Active vocabulary learning activities Chapter quizzes to test your learning Over 20 creative writing activities Take-it-Apart Grammar practice sections to improve reading comprehension Insightful verb charts Teaching and practice activities designed to address the specific areas in which students often struggle Bonus holiday activities! Have you tried other Spanish textbooks, workbooks, computer programs or apps and found that they don't work as promised? Don't give up. Here's why this book is different: Teaching and practice activities designed to address the specific areas in which the students often struggle. Designed to help you or your child develop a deeper understanding of how the Spanish language works. Tried and tested with real students to ensure that the activities are effective and easy to understand. Developed carefully and intentionally over time, not by a large textbook publisher. No flashy advertising or false promises. The most successful Spanish learners have many tools in their toolbox. This workbook will be a fantastic addition to your Spanish learning toolkit. It gives students a solid foundation of grammar and the underlying structure of the Spanish language. This allows students to incorporate new vocabulary and concepts more efficiently, and to handle curveballs that may be thrown at them in the classroom or in the Spanish-speaking world. Learning a language is a complex and challenging process. Don't be fooled by products that promise to make you fluent. It simply doesn't work that way. But don't be discouraged. Millions of people in this world speak more than one language, and you can too. With this workbook, the proper accompanying tools and some hard work and dedication, you will be well on your way to becoming a Spanish speaker!

30 DiAS Natasha Villavicencio.2019-10-15 FINALLY! A graphic book to learn Spanish written specifically to address your foreign language needs. 30 DiAS Spanish in 30 days is clear, easy, fun and entertaining. It's also different from any other textbook designed to learn Spanish, making it unique and effective. This is a self-paced textbook, containing 30 lessons divided into 8 Chapters. Not unlike a 30-day exercise program, it's up to you to get the final results in 30 days. This book is also ideal for someone who likes to do things at half speed and wants to take longer. One thing is guaranteed: You will learn Spanish! The book is written in a story format; it takes place in León, a city in a Latin American country, where three students from The United States travel to learn Spanish. The three students are: Larry, a bold school teacher and bodybuilder model in his 30's; George, a pleasant, sensible lawyer in his 50's, and his daughter Jane, a 17 yr. old daddy's girl who struggles with learning Spanish. The students have an extraordinary personal teacher named Ms. Díaz. Each chapter contains 4 fully explained lessons; which include object drawings when appropriate, 4 full pages of classroom setting illustrations, 4 vocabularies, 4 quizzes, expressions, a chapter review, a chapter test, and an answer key. In addition, the book has 8 practical stories: graphic, comic-style book drawings in which the three American students explore the city in order to practice each chapter's vocabulary. You will also find a Glossary at the end of the book and so much more! 30 DiAS makes learning Spanish simple and enjoyable. You're going to be ecstatic to own this amazing thoughtful book as well as to share it with others!

You can search for a specific title or browse by genre (books in the same genre are gathered together in bookshelves). It's a shame that fiction and non-fiction aren't separated, and you have to open a bookshelf before you can sort books by country, but those are fairly minor quibbles. The store is easily accessible via any web browser or Android device, but you'll need to create a Google Play account and register a credit card before you can download anything. Your card won't be charged, but you might find it off-putting. If you have an internet connection, simply go to BookYards and download educational documents, eBooks, information and content that is freely available to all. The web page is pretty simple where you can either publish books, download eBooks based on authors/categories or share links for free. You also have the option to donate, download the iBook app and visit the educational links. Services are book distributors in the UK and worldwide and we are one of the most experienced book distribution companies in Europe, We offer a fast, flexible and effective book distribution service stretching across the UK & Continental Europe to Scandinavia, the Baltics and Eastern Europe. Our services also extend to South Africa, the Middle East, India and S. E. Asiaree eBooks offers a wonderfully diverse variety of free books, ranging from Advertising to Health to Web Design. Standard memberships (yes, you do have to register in

order to download anything but it only takes a minute) are free and allow members to access unlimited eBooks in HTML, but only five books every month in the PDF and TXT formats. The browsing interface has a lot of room to improve, but it's simple enough to use. Downloads are available in dozens of formats, including EPUB, MOBI, and PDF, and each story has a Flesch-Kincaid score to show how easy or difficult it is to read. OpenLibrary is a not for profit and an open source website that allows to get access to obsolete books from the internet archive and even get information on nearly any book that has been written. It is sort of a Wikipedia that will at least provide you with references related to the book you are looking for like, where you can get the book online or offline, even if it doesn't store itself. Therefore, if you know a book that's not listed you can simply add the information on the site. If you're looking for an easy to use source of free books online, Authorama definitely fits the bill. All of the books offered here are classic, well-written literature, easy to find and simple to read. eBooks are available as PDF, EPUB, Kindle and plain text files, though not all titles are available in all formats.
