Jona als Schlüssel zu Bibel und Koran Julia

Bubenheim.2021-10-20 Inwiefern ist Teilhabe christlicher SchülerInnen an Bibel und Koran im katholischen Religionsunterricht möglich? Dieser Frage geht Julia Bubenheim auf der Grundlage einer synchronen, intertextuellen Exegese der Jona-Erzählung in Bibel und Koran nach. Dabei entwickelt sie überzeugend hermeneutisch-exegetische Leitlinien für den Religionsunterricht. Die Einübung und Reflexion einer christlichen Lektüreperspektive stellen Lernerträge für die Beschäftigung mit der alttestamentlichen Jona-Erzählung und ihren neutestamentlichen Rezeptionen dar. Sie bilden den Grundbaustein für eine biblisch fundierte Koran-Lektüre aus christlicher Sicht. Die intertextuelle Lektüre von Bibel und Koran leistet durch die kritische Reflexion eindimensionaler Konstruktionen von 'eigen' und 'fremd' einen wertvollen Beitrag im Umgang mit dem eigenen Anders-Sein und der Begegnung mit Gott als dem ganz Anderen.

International Knowledge Transfer in Religious Education

Friedrich Schweitzer,Peter Schreiner.2020-12-16 This book is about international knowledge transfer in religious education as an academic discipline; at the same time, though, it is related to the school subject of RE. Its aim is to strengthen the awareness of the need for international cooperation in the field of religious education in general and especially for clarifying the role of knowledge in this kind of cooperation. The contributions discuss a number of issues, among others related to the validity and transferability of knowledge in religious education. Thus, the book takes up a topic which so far has remained implicit and therefore also untreated. This approach implies a whole spectrum of new methodological and epistemological problems. Some crucial questions that are discussed in the chapters from different national contexts are: - How can the national and the international context be productively connected to each other? - Which concept or understanding of ›international‹ should be used when it comes to the transfer of knowledge? - What exactly is meant by ›knowledge‹ in religious education? - What does ›transfer‹ mean in this context? The scope of the book is an invitation to other colleagues to take part in and to continue the discussion.

Felix's New Skirt Kerstin Brichzin.2018-10-01 Felix likes to wear skirts. He thinks they're fun—plus he likes the way his legs move in them. His family doesn't mind, but that's not the case for Felix's classmates. Their merciless teasing makes him want to give up school for good. Can Felix's parents come up with a way to validate Felix's expression, while also teaching the other children a lesson in acceptance? A timely picture book that tackles themes of empathy and tolerance in a world where it's

tough to be different.

Earth-honoring Faith Larry L. Rasmussen.2015-04-01 Grand Winner of the 2014 Nautilus Book Awards Thoughtful observers agree that the planetary crisis we now face-climate change; species extinction; the destruction of entire ecosystems; the urgent need for a more just economic-political order-is pushing human civilization to a radical turning point: change or perish. But precisely how to change remains an open question. In *Earth-honoring Faith*, Larry Rasmussen answers that question with a dramatically new way of thinking about human society, ethics, and the ongoing health of our planet. Rejecting the modern assumption that morality applies to human society alone, Rasmussen insists that we must derive a spiritual and ecological ethic that accounts for the well-being of all creation, as well as the primal elements upon which it depends: earth, air, fire, water, and sunlight. He argues that good science, necessary as it is, will not be enough to inspire fundamental change. We must draw on religious resources as well to make the difficult transition from an industrial-technological age obsessed with consumption to an ecological age that restores wise stewardship of all life. Earth-

honoring Faith advocates an alliance of spirituality and ecology, in which the material requirements for planetary life are reconciled with deep traditions of spirituality across religions, traditions that include mysticism, sacramentalism, prophetic practices, asceticism, and the cultivation of wisdom. It is these shared spiritual practices that can produce a chorus of world faiths to counter the consumerism, utilitarianism, alienation, oppression, and folly that have pushed us to the brink. Written with passionate commitment and deep insight, Earth-honoring Faith reminds us that we must live in the present with the knowledge that the eyes of future generations will look back at us.

Dramawise Reimagined Brad Haseman, John O'Toole. 2017-03 In drama, we are the creators. Like in a skeleton, the bones of drama only work together. The human context -- the situation, the people and their relationships -- are the flesh. The body is given shape and animated by the way we focus those basic elements, and how we place them in space and time. We breathe life into the body through the story and the tension we create, and we give it language and movement to express itself, clothing the drama with its mood and symbols. In 1987, Brad Haseman and John O'Toole released *Dramawise*, a dynamic guide to drama education. This book stands as a definitive text for teachers, students and drama practitioners, shaping many classroom programs and curricula at a state, national and international level. This is the successor. It reaches beyond the original concepts, offering newly challenging drama activities that reflect complex questions in today's society. The result is a complete coursebook for students and teachers of secondary-school drama, featuring activities that thoroughly detail each element of drama. This is done using process dramas and plays from the wider world. Practical drama activities are supported with in-depth discussion of each of the elements of dramatic form, as well as traditional and contemporary dramatic meanings and approaches

to play-making contextualised by the elements of theatre.

Psalms Dietrich Bonhoeffer. 2021-11-22 Jesus died with a psalm on his lips. For millennia, humans have been shaped by the Psalms. And before the Nazis banned him from publishing, German theologian Dietrich Bonhoeffer published this book on the Psalms. What comfort is found in the Psalter? What praise, and what challenge? What threat? In the pages of *Psalms: The Prayer Book of the Bible*, discover the richness this book of Scripture held for Bonhoeffer, and learn to pray psalms along with Christ. First published in 1940, this classic reveals how the Psalms are essential to the life of the believer and offers Bonhoeffer's reflections on psalms of thanksgiving, suffering, guilt, praise, and lament. Now with an introduction by Walter Brueggemann and excerpts from the Psalms, Bonhoeffer's timeless work offers contemporary readers ancient wisdom and resources for the living of these days. Includes a biographical sketch of Bonhoeffer written by his friend and biographer Eberhard Bethge.

Mathematical Miniatures Svetoslav Savchev, Titu

Andreescu. 2003-02-27 Rather than simply a collection of problems, this book can be thought of as both a tool chest of mathematical techniques and an anthology of mathematical verse. The authors have grouped problems so as to illustrate and highlight a number of important techniques and have provided enlightening solutions in all cases. As well as this there are essays on topics that are not only beautiful but also useful. The essays are diverse and enlivened by fresh, non-standard ideas. This book not only teaches techniques but gives a flavour of their past, present and possible future implications. It is a collection of miniature mathematical works in the fullest sense.

The Christmas Promise Alison Mitchell. 2014-10-14 A captivating retelling of the Christmas story showing how God kept His promise to send a new King. Superb illustrations by Catalina Echeverri and faithful, Bible-centered story-telling by Alison Mitchell combine to make this a book that both parents and children will love. A long, long time ago - so long that it's hard to imagine - God promised a new King. He wasn't any ordinary king, like the ones we see on TV or in books. He would be different. He would be a new King; a rescuing King; a forever King This book helps pre-school children discover exactly how

God kept His Christmas Promise.
