Portuguese Short Stories for Beginners Book 3 Learn Like A Native. 2020-08-30

*Portuguese a Short Story for Beginners* Channel Reader LLC. 2017-07 Learn Brazilian Portuguese through the power of story. A simple Portuguese story for beginners! Enjoy the process of learning, don't beat yourself up. You don't need to read boring text books anymore. Portuguese A Short Story for Beginners is a story written just for you. The captivating nature of story makes learning fun and easy because your attention is focused and the context will help you determine what is being said. This book is loaded with simple sentences, practical scenarios, and common phrases any student of a second language would not only want to know, but NEED to know. Alternating vs Solid Text Alternating Text Alternating Text, Parallel text or interlinear text is when your target language, in this case Portuguese, is presented with the translation directly to the side or bellow respectively. A text may be presented with the literal translation of every word, or a sentence/paragraph translated into a more colloquial or natural way of expressing an idea. We find this second way to be of more value as it emphasizes patterns which are critical to learning any language and as you will see, most languages have unique idioms. An idiom is a phrase or pattern that expresses something other than its literal meaning like what's up? You're asking how someone is doing, not what's above them in the sky. Alternating text has many advantages over a traditional text body. Mainly you are able to very quickly glance down to see the translation of the idea your reading in Portuguese. No time is wasted flipping through glossaries and you don't risk losing your place in the book because the translated idea is presented right there on the same page within a glances reach. Solid Text A traditional text body or text written entirely in one language has advantages of its own. Mainly, you are forced to interpret new or unfamiliar words based upon the context and your own memory. Context is extremely important, not only in grasping the true meaning of what is being said, but developing your capability to infer what new words mean. This skill is of the utmost value. When you meet a Portuguese speaker for the first time, odds are they will say a thing or two that you don't know or can't understand. Your ability to infer the meaning of a given word can greatly improve the quality of such an experience. This will expedite the learning curve and boost confidence. It is inevitable that you will make mistakes, don't let that stop you from conquering a new language. Solid text also forces you to recall definitions, sentence patterns, and the meaning of various expressions. Without a quick translation available, you will be challenged and grow. Alternating + Traditional So, which style of text did we choose to include in this book? Well, each is so valuable that we couldn't pick one over the other. Thus, we included BOTH! We've presented the story first in its entirety with a Portuguese and English alternating text. Each paragraph is presented with its translation bellow. Second, we presented the entire story in Portuguese. So now you can use this awesome tool in a way that best suites you and your growing level of understanding. So, if you're interested in finally picking up Portuguese, you're just a click away. Order now.

*Conversational Brazilian Portuguese Quick and Easy - Books I, II, and III* Yatir Nitzany.2022-12-09 Have you always wanted to learn how to speak Brazilian Portuguese but simply didn't have the time? Well if so, then, look no further. You can hold in your hands "Conversational Portuguese Quick and Easy - Books I, II and III that is one of the most advanced and revolutionary methods, boxset series, that was ever designed for quickly becoming conversational in a language. In creating this time-saving program, master linguist Yatir Nitzany spent years examining the twenty-seven most common languages in the world and distilling from them the most common words that are most likely to be used in real conversations. These words were chosen in such a way that they were structurally interrelated and, when combined, form sentences. Through various other discoveries about how real conversations work--discoveries that are detailed further in this book--Nitzany created the necessary tools for linking these words together in a specific way so that you may become rapidly and almost effortlessly conversant--now. If you want to learn complicated grammar rules, or to speak perfectly proper and precise Portuguese, this book is not for you. However, if you need to actually hold a conversation while on a trip to a Brazil, to impress that certain someone, or to be able to speak with your grandfather or grandmother as soon as possible, then the Nitzany Method is what you have been looking for. This method is designed for fluency in a foreign language, while communicating in the present tense. Nitzany believes that what's most important is actually being able to understand and be understood by another human being right away. This is one of the several, in a series of instructional language guides, the Nitzany Method's revolutionary approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible. No more depending on volumes of books of fundamental, beginner, intermediate, and advanced levels, all with hundreds of pages in order to learn a language. Portuguese Cezar Abreu.2020-12-06 If you would like a faster approach to learning the Portuguese language compared to more traditional methods, then keep reading... Two manuscripts in one book: Portuguese for Beginners: A Comprehensive Guide for Learning the Portuguese Language Fast Mastering Portuguese Words: Increase Your Vocabulary with Over 3,000 Portuguese Words in Context Are you quite busy and in need of a precise, but thorough, resource to learn Portuguese? Are you traveling to or working in a Portuguese-speaking country? Do you want to connect with people, while keeping your personality when speaking Portuguese, instead of just learning how to tourist-talk? Do you want to learn phrases that you can use to navigate social situations and help you make friends and new connections? If your answer to these questions is yes, then this book is here to help. Learning a new language is such an amazing tool that allows people from different parts of the world to connect more easily. That leads, more importantly, to deeper and more meaningful connections as well. In the case of the Portuguese language, several countries have it as the official language, making it the sixth most spoken idiom on Earth, with 170 million speakers worldwide. This means that learning it grants you the possibility of making friends or finding job opportunities in the most obscure places you can imagine. Part one of this book is divided into three parts: The Very Basics Grammar Conversation You'll also find many fun quizzes throughout the book that will allow you to practice your skills. Part two of this book will present you with over 3,000 Portuguese words, which are the most frequently used in Portuguese. But instead of making a plain list, the words will be allocated to different categories so that it is easier to organize them in your mind, as they are taught within a specific group of words. Each word will also be used in a sentence and then translated into English to make sure it is well understood. *Portuguese Made Easy - Lower Beginner - Part 1 of 2 - Series 1 of 3* Lingo Wave.2019-06-01 We broke our new series on learning Portuguese down into different learning stages. Start with the "Lower Beginner" books followed by the "Beginner" and "Upper Beginner" books. Next, progress to the "Intermediate" series, then test and reinforce your knowledge with the "Conversations" series. Our experienced educators and speakers possess the linguistic skills to help you understand and speak Portuguese clearly. We are very proud to have developed a product that truly helps you learn Portuguese quickly and easily, anytime and anywhere. This audiobook is divided into units. While it provides different learning patterns and accommodates various needs, this audiobook focuses on helping you improve your ability to understand, speak, and memorise Portuguese. The sample will give you a taste of what you can look forward to. In Unit 1 you will hear Portuguese decoded with each syllable spoken very slowly and clearly with repetition. Immediately before each sentence is

spoken, you will hear the translation, so you will always understand what is being said. Unit 2 focuses solely on increasing your listening ability, which will improve your abilities to engage in dialogue with a native Portuguese speaker. This chapter requires you to listen very carefully to nuances in the language. By Unit 3 you will already notice progress in your abilities to speak and understand Portuguese. The spoken translation is followed by two repetitions in Portuguese at a completely natural speed. While you are learning to process naturally spoken Portuguese, Units 3 and 4 will help you memorise new vocabulary and full sentences. In Unit 5 you can test yourself on how much you have learned. If you are having difficulties, we suggest you revisit the listening, speaking, or memorisation section of Units 1, 2 3 or 4, according to what you need more help with. We developed our audiobooks to enable you to learn without an eBook. This gives you the opportunity to advance your Portuguese language skills anywhere whether you're on the go or waiting around. As the audiobook is neatly arranged into many sub-units, it is also very practical for educators to navigate and use in classrooms or any time sensitive learning environment. Topics covered in this 2 part series: Part 1: - Greetings - Asking personal information - Asking about people or things - Talking about food - Talking about the current time and date Part 2: - Talking about the location of things - Describing things - Likes and dislikes - Talking about abilities - Talking about appearance - Talking about personality - Talking about the weather - Talking about the house (rooms and furniture)

**3 Minute Portuguese: Lesson 1-3** Kieran Ball.2016-12-19 The best way to learn to speak a foreign language is to start using it straight away. This is exactly what you will be doing with 3 Minute Portuguese. With this book, you will learn useful words and phrases that will get you speaking from the very first lesson. You will learn quickly how to form your own sentences without feeling like you're never going to use what you learn. I wrote the 3 Minute Portuguese methodology after trying lots of different courses, books and CDs. I noticed that most Portuguese courses start out with a long list of pronunciation rules using weird symbols that you won't understand unless you've studied phonetics. I also noticed that a lot of Portuguese courses fill their first few lessons with pages and pages of rules for the language: how to pluralise nouns, how to recognise the gender of a noun, how to use the definite, indefinite or partitive articles! Whilst this information will become useful eventually, for the complete beginner it can be extremely confusing and very often overwhelming, especially when baffling grammatical terminology is used. This is what leads to most students giving up. With 3 Minute Portuguese, what I have done is put the most useful things first. You will learn words and phrases that will allow you to speak straight away, and you will get an instant feeling of success from the very first lesson. Furthermore, I have made sure that I explain everything in a way that assumes you know nothing about language learning. I don't use any tricky terminology and I don't give you an endless list of rules; we learn as we go along, adding small bits of information here and there and practising until you can use it confidently. Each time you learn a new word, I show you exactly how to say it with a small pronunciation guide underneath it. And you don't need to worry about remembering the words, either; the way the course is set out means that you will automatically internalise new vocabulary without even trying. The methodology behind this book is the same methodology I use in my classes and online courses, and the results my students have had are exciting and thrill me just as much as them! People who have spent years unsuccessfully studying Portuguese have tried this book or one of my courses and have been amazed at how much they've learnt and understood in just the first lesson. Here are some of their reviews: Excellent! He really understands teaching. This course breaks through a major barrier to learning foreign languages. NIALL COLLIN This is fantastic. Everything you learn just stays in your head. YUVRAJ VASWAN The course was just as the instructor promised; it flowed so easily from beginning to end, and I was surprised by how much I absorbed. Thank you for making me feel that I can actually learn this beautiful language. LOU CHARON The teacher is clear and concise. He structures the delivery of the material in a very effective way, which aids recall greatly, and he presents the material in an engaging way. My rate of learning is accelerating fast. SAM DOYLE I love how short but utterly effective each chapter is. This method is great for building confidence quickly, learning the basics and gaining momentum. I'd definitely like to continue to learn with this teacher. Absolutely no boredom or strain whatsoever! HAPPY DEE Excellent course. The step-by-step instruction in small increments is very effective, as is the repetition throughout the course, and the translation practice. Highly recommend!!! MOLLIE DISHAL This method of teaching is amazing. This person has a teaching gift and the lessons are very well structured with clear content. Everything is explained very well and this method of teaching is pure genius. Thank you for helping me learn another language! Learn Portuguese - Quick / Easy / Efficient Pinhok Languages. 2022-05-01 A curated Portuguese word frequency list Are you looking for unconventional ways to speed up the process of learning Portuguese? Then this book is exactly what you are looking for. Following the Pareto principle (80/20 rule), this book is built to streamline the learning process by concentrating on the core words and sentence structures that make up everyday conversations. The result is a unique vocabulary book with 2000 of the most important Portuguese words and phrases ordered by their frequency of use. Who this Portuguese learning book is for: This book is for beginners and intermediate learners of Portuguese who are self-motivated and willing to spend 15 to 20 minutes a day on learning vocabularies. The simple structure of this vocabulary book is the result of taking all unnecessary things out allowing the learning effort to solely be spent on the parts that help you make the biggest progress in the shortest amount of time. If you are willing to put in 20 minutes of learning every day, this book is very likely the single best investment you can make if you are at a beginner or intermediate level. You will be amazed at the speed of progress within a matter of just weeks of daily practice. Who this Portuguese frequency list is not for: This book is not for you if you are an advanced learner of Portuguese. In this case, please go to our website or search for our Portuguese vocabulary book which comes with more vocabularies and is grouped by topic which is ideal for advanced learners who want to improve their language capabilities in certain fields. Furthermore, if you are looking for an all in one Portuguese learning book that guides you through the various steps of learning Portuguese, this book is most likely also not what you are looking for. This book contains vocabularies only and we expect buyers to learn things like grammar and pronunciation either from other sources or through language courses. The strength of this book is its focus on quick acquisition of core vocabularies which comes at the expense of information many people might expect in a conventional language learning book. Please be aware of this when making the purchase. How to use this Portuguese workbook: This book is ideally used on a daily basis, reviewing a set number of pages in each session. The book is split into sections of 50 vocabularies which allows you to step by step progress through the book. Let's for example say you are currently reviewing vocabularies 101 to 200. Once you know vocabularies 101 to 150 very well, you can start learning vocabularies 201 to 250 and on the next day skip 101-150 and continue reviewing vocabularies 151 to 250. This way, step by step, you will work your way through the book and your language skills will jump with each page you master. Some final thoughts: Like many language hacking methods, this book is quite unconventional in its approach, but for a driven person that uses it correctly it can significantly speed up the learning process. Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work quite well - and that is what counts in the end.

*Conversational Portuguese Quick and Easy* Yatir Nitzany. 2014-05-05 Have you always wanted to learn how to speak Portuguese but simply didn't have the time? Well if so, then, look no further. You can hold in your hands one of the most advanced and revolutionary method that was ever designed for quickly becoming conversational in a language. In creating this time-saving program, master linguist Yatir Nitzany spent years examining the twenty-seven most common languages in the world and distilling from them the three hundred and fifty words that are most likely to be used in real conversations. These three hundred and fifty words were chosen in such a way that they were structurally interrelated and, when combined, form sentences. Through various other discoveries about how real conversations work-discoveries that are detailed further in this book-Nitzany created the necessary tools for linking these words together in a specific way so that you may become rapidly and almost effortlessly conversant-now. If your desire is to learn complicated grammatical

rules or to speak perfectly proper and precise Portuguese, this book is not for you. However, if you need to actually hold a conversation while on a trip to Brazil or Portugal, to impress that certain someone, or to be able to speak with your grandfather or grandmother as soon as possible, then the Nitzany Method is what you have been looking for. This method is designed for fluency in a foreign language, while communicating in the present tense. Nitzany believes that what's most important is actually being able to understand and be understood by another human being right away. More formalized training in grammar rules, etc., can come later. This isn't a pronunciation book. Thus, this book is recommended for those with prior knowledge in pronunciation of the Portuguese language. However, for those who aren't previously familiar, this book does provide some basic tools to teach pronunciation. The main thing this book offers is the necessary tools to become conversational in a foreign language in record time. As previously stated, though, with regards to grammar and pronunciation, you are on your own! This is one of the several, in a series of instructional language guides, the Nitzany Method's revolutionary approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible. No more depending on volumes of books of fundamental, beginner, intermediate, and advanced levels, all with hundreds of pages in order to learn a language. With Conversational Portuguese Quick and Easy, all you need are fifty-three pages. Learn Portuguese today, not tomorrow, and get started now!
