

Medical School Application Mcat Admission

Getting into Medical School Sanford J. Brown.2001-01-01 Getting into medical school is difficult, even for students with excellent college undergraduate records. Today, only about one-third of all students who apply to medical college are accepted—a statistic that emphasizes the vital importance of well-focused preparation on the part of medical school candidates. Getting into Medical School, now in its new twelfth edition, has gained a well-earned reputation as a time-proven source of sound advice and information on how medical school candidates can improve their chances for admission. Written by a medical doctor who is also an experienced student advisor, and updated to reflect today's medical school environment, this book emphasizes the importance of attaining a good score on the standardized MCAT (Medical College Admission Test). It also guides applicants through the arduous process of preparing the medical school application and advises them on how to make a good impression when invited for that all-important personal interview. The book concludes with a detailed medical school directory that lists up-to-date tuitions and fees, academic requirements, and application and enrollment information for more than 170 accredited medical and osteopathic colleges across the United States. Also included is a list of Web sites that provide helpful information to medical school candidates.

The Medical School Interview Frank M. Harritt,Jeremiah Fleenor.2011-02-16 Fully revised, The Medical School Interview shows how to address bad grades, including GPA or MCAT, what to wear, how to deal with and address ethical questions, and other aspects of meeting with admission committees.

How to Get a 4.0 Gpa in Medical School - No Matter What Your MCAT Score Or College Gpa Cesar Orellana,Anna Orellana.2009-01-01 To Current and Future Medical Students Who Will Settle For Nothing Less Than a 4.0 GPA This is a realistic, clear and definitive BLUE PRINT that will allow you to achieve whatever academic success, impact or recognition you desire. This system is not based on theory or guess work. It is based on hands-on, personal experiences documented while Anna and I were elbow-deep in the trenches of our first two years of medical school. This system is about getting you on track to your absolute highest GPA in 3 days or less - faster and easier than ever before. ...It is about doing it in a way that is more certain and more secure than you ever thought possible. ...It is about doing it without the need to use caffeine, Red Bull(R), Monster(R), or other ineffective quick-fixes for mental exhaustion. ...It is about doing all this and enjoying an infinitely better lifestyle too. But first, I want you to be very clear about a couple of things: We did not even apply to US or Canadian medical schools because our unremarkable college GPA and MCAT(R) scores made garnering admission to any one of them statistically impossible. Also, we did our first two years of medicine in a country that you have likely never heard of. So if you think taking advice from future international medical graduates like us is bad idea, then NO, this system is not for you. Do not read on. On the other hand, if you would like to know how a couple of regular students attained a perfect grade point average in medical school and competed at the top 5% of their class of 350] highly talented individuals, then YES, this program is for you. If you would like to learn and be able to apply the same study strategies, secrets and tips that allowed us to hold our own against the National Board of Medical Examiners (we scored 97 and 99 on USMLE(R) Step 1 respectively - well above the mean score attained by test takers from US and Canadian medical schools), then YES, this system is absolutely for you. If you want to enjoy maximum success, security, independence and prosperity in medical school, then this might be the most rewarding information you will ever read. Because in it, two formerly frustrated college students reveal the simple system that immunized them to failure, catapulted them to the top of their class in medical school and can do the same for you. Sincerely, Cesar and Anna Orellana PS: This is a complete course which includes this 160 page step-by- step manual, a 1 hour and 45 minute quick start video, a web- based software application designed by medical students and 2 bonus reports.

The Medical School Admissions Guide Suzanne M. Miller.2010 Lovable Clover Twig is back, and now she's traveling along the Perilous Path to try and save her little brother!Clover Twig-clever, neat, responsible-is still in the employ of Mrs. Eckles - chaotic, cantankerous, and a witch. One day, Granny Dismal, a witch from the neighboring village, warns them that the Perilous Path has been seen in the woods. The Perilous Path has been around for ages and s all new for the sensible Clover Twig and her clumsy s baby brother, goes missing, Clover and Wilf must take their chances on evil sister, Mesmeranza.

MCAT 528 Advanced Prep 2021-2022 Kaplan Test Prep.2020-11-03 Kaplan's MCAT 528 Advanced Prep 2021-2022 features thorough subject review, more questions than any competitor, and the highest-yield questions available—all authored by the experts behind the MCAT prep course that has helped more people get into medical school than all other major courses combined. Prepping for the MCAT is a true challenge. Kaplan can be your partner along the way—offering guidance on where to focus your efforts, how to organize your review, and targeted focus on the most-tested concepts. This edition features commentary and instruction from Kaplan's MCAT experts and has been updated to match the AAMC's guidelines precisely—no more worrying if your MCAT review is comprehensive! The Most Practice More than 500 questions in the book and online and access to even more online—more practice than any other advanced MCAT book on the market. The Best Practice Comprehensive subject review is written by top-rated, award-winning Kaplan instructors. All material is vetted by editors with advanced science degrees and by a medical doctor. Online resources, including a full-length practice test, help you master the computer-based format you'll see on Test Day. Expert Guidance Star Ratings throughout the book indicate how important each topic will be to your score on the real exam—informed by Kaplan's decades of MCAT experience and facts straight from the testmaker. We know the test: The Kaplan MCAT team has spent years studying every MCAT-related document available. Kaplan's expert psychometricians ensure our practice questions and study materials are true to the test.

Getting Into Medical School Sanford Jay Brown.1978 A guide for the aspiring medical student covering preparation for medical school, how to apply, and what to do in the event of acceptance or rejection.

Best 162 Medical Schools 2005 Edition Malaika Stoll, Princeton Review (Firm).2004 Our Best 357 Colleges is the best-selling college guide on the market because it is the voice of the students. Now we let graduate students speak for themselves, too, in these brand-new guides for selecting the ideal business, law, medical, or arts and humanities graduate school. It includes detailed profiles; rankings based on student surveys, like those made popular by our Best 357 Colleges guide; as well as student quotes about classes, professors, the social scene, and more. Plus we cover the ins and outs of admissions and financial aid. Each guide also includes an index of all schools with the most pertinent facts, such as contact information. And we've topped it all off with our school-says section where participating schools can talk back by providing their own profiles. It's a whole new way to find the perfect match in a graduate school.

How to Get Into Medical School Raakhi Mohan, Ibrahim Busnaina.2007 Get in! Thirty-nine thousand students applied to medical schools in 2006, but only 17,000 matriculated—that translates to a 44% success rate! The strategies in this book are designed to help you make sure you are among the accepted applicants. This advice is the culmination of our years of experience in admissions consulting, and our insight from our personal experience of the admissions process. We know there isn't a good source of information for how to really put together a great personal statement, or a 'sales pitch' for admissions interviews, so we developed step-by-step guides to help students navigate this intensive year-long journey.

Getting into today's highly competitive US medical schools Andres Jimenez.2001

The Premed Playbook Ryan Gray.2018-06-19 How to craft a personal statement that secures interviews and admissions: "Reliable advice . . . a gift to premeds."—Sujay Kansagra, MD, author of The Medical School Manual The Premed Playbook: Guide to the Medical School Personal Statement shows students how to effectively craft their stories for medical school admission committees. It's not only a collection of essays from students who got into top schools, but a showcase of essays that started badly and were honed to tell great stories. Ryan Gray, MD shares the stories of students who seemed unlikely to have a shot but ultimately succeeded, in part because of the advice laid out in The Premed Playbook. They had to fight their way into medical school—and told a great story to do it. The drafts-in-progress, example essays, and insider tips included here can help you do the same.

Making the List • Q&A With Admissions Officers • The Inside Scoop on Applications, Personal Statements, Financial Aid, and More... • How to Rock the Interview • The MCAT: Now and 2015 • Preparing for and Taking the MCAT • Sample Personal Statements

Get Into Medical School Kaplan.2006-10-03 This guide gives applicants the insider advice on everything from planning for medical school during college to how to finance the M.D. without going too far into debt after graduation. Also features interviews with successful medical students and admissions advisers.

A Guide to Medical School Admission W.G. Byrd.1997-06-15 This is a detailed, practical guide to gaining admission to medical school. The book takes the prospective medical student through the entire process step by step, with chapters covering: academic preparation; the personal statement; summer programmes; MCAT; submitting an application; types of medical schools, including podiatric, allopathic and osteopathic; important

addresses and post-baccalaureate programmes; financial aid; testing agencies; publications; medical school curriculums; and course outline by year.

Getting In Paul Jung.1999-10-22 Getting In: How Not To Apply to Medical School is a tough, practical guide for people storming the ramparts of medical school admission boards. Paul Jung takes the pre-med or second-career aspirant from pre-application experiences through the application process with a very practical approach. The book is filled with the pitfalls and misconceptions applicants frequently make, rendering the subtitle particularly apt and (for those terrified of the unknowns) eminently appealing. The volume also includes self-diagnostic sections and common pitfalls to avoid when applying to medical school. Contrary to popular belief, applying to medical school doesn't have to be stressful and time-consuming. Getting In shows students caught in the web of medical school admissions boards how to apply to medical school the right way—setting themselves apart from the rest of the crowd. Jung takes pre-med and second-career aspirants through the entire ordeal and lets them know how important it is to apply as early as possible. From preparation and finding ways to obtain an application noticed by the admissions committee to information on the MCAT and getting through common interview traps, the book gives inside tips and helps applicants through what can be a stressful and uncertain time. The author allows readers a glimpse into common errors that others have made in their quests for acceptance, such as taking all required science courses in one semester or leaving large chunks of a medical application blank. Taking a down-to-earth, realistic approach, Jung acknowledges the pitfalls and misconceptions frequently made by applicants and even provides alternative solutions for discouraged students. The result is a well-written book that describes hardships and blunders but also gives good, practical information on how to succeed.

Medical School Admissions Advisor Kaplan.1998-07 Last year, only 38 percent of the students who applied to medical school were accepted. With such fierce competition, applicants can rely on expert admissions advice from Kaplan. This revised 1999 Medical School Admissions adviser provides expanded information most important to medical school applicants.

Making Pre-Med Count Elisabeth Fassas.2020-01-07 In Making Pre-Med Count, med student Elisabeth Fassas shares personal stories from her own experiences to help guide you through the pre-med process. You'll get first-hand guidance and learn how to apply her advice to your own med school journey. Counselors and checklists are helpful, but your pre-med journey cannot be boiled down to a list of activities and a collection of accolades. In Making Pre-Med Count, Fassas teaches you how to translate your accomplishments into a compelling and personalized med school application. Fassas gets into the weeds of the pre-med years to touch on the most fundamental and gnawing questions that interested applicants must face. Using examples from her own journey from freshman year to acceptance, plus tips and tricks from her peers, she guides readers through an endless stream of conflicting advice towards preparing academically, mentally and psychologically for the med school application process. Her advice starts with the idea that anything and everything can get you into medical school if you're able to get into the heads of the admissions committee. You'll also get her take on many of the questions raised in student forums. Fassas, who will begin med school in the fall of 2019, helps relieve some of the common pre-med doubts, anxieties, and fears that you'll feel. Making Pre-Med Count compiles Fassas' advice in one place -- it's like having your own personal med school advisor.

If you are taking the MCAT, applying to medical schools, and need help understanding the admissions process, buy this book on medical school applications and admissions.

The Premed Playbook Guide to the Medical School Interview Ryan Gray.2017-03-07 "A must-have for every future doctor's collection. Great advice, comprehensive, and to the point. Dr. Gray breaks it down, play by play." —Sujay Kansagra, MD, author of The Medical School Manual The Premed Playbook Guide to the Medical School Interview is the only book needed to prepare premed students for their medical school interviews. Through interviews with Admissions Committee members and others, Dr. Gray has compiled the most comprehensive book on this subject. Premed students want to know what to expect, but more importantly they need to see examples of what successful applicants have done. The Premed Playbook not only gives them close to six hundred potential interview questions, it also gives them real answers and feedback from interview sessions that Dr. Gray has held with students. "This book touches on every aspect of the interview from applying, during the interview and things to do/not to do after the interview. I highly recommend this book for every student to read and have available for reference during the medical school interview season." —Antonio J. Webb, MD, orthopedic resident surgeon, motivational speaker, and author of Overcoming the Odds "He

challenges the reader to examine their strengths and weaknesses and gives them a blueprint on how to put their best foot forward. His advice is real-world and complied by many interviewers, including myself, who have years of experience interviewing medical school applicants. I highly recommend this book as a fundamental preparation tool for the application process.” —Gregory M. Polites, MD, Associate Professor of Emergency Medicine, Chairman of the Central Subcommittee on Admissions, Washington University School of Medicine

Vault Insider Guide to Medical School Admissions Sujay Kansagra.2006 I wish I had known that before I began is an inevitable thought for many medical school hopefuls as they navigate the application process.

Medical School Admission Requirements (MSAR), 2012-2013 Association of American Medical Colleges.2011 Completely rewritten for 2010, this year's edition of the guide features a more affable tone, new chapters, expanded data and information, and a color-infused format. This must-have book, often called the bible of medical school guides, is the number 1 source for medical school applicants. The 2011-2012 edition features more information than ever before. The MSAR is the number 1 source for information on newly accredited medical schools, application procedures and deadlines, selection factors such as MCAT & GPA data, medical school class profiles, costs and financial aid packages, MD/PhD and other combined degrees, graduates' specialty choices, and updated USMLE policies. MSAR is the only resource fully authorized by medical schools.

Medical School Essays That Made a Difference, 5th Edition The Princeton Review.2015-02-10 The inside word on medical school admissions. This fifth edition of *Medical School Essays That Made a Difference* includes application essays from students who enrolled at the following schools: Cornell University, Joan and Sanford I. Weill Medical College Georgetown University, School of Medicine Johns Hopkins University, School of Medicine New York University, NYU School of Medicine Temple University, School of Medicine Tulane University, School of Medicine University of Virginia, School of Medicine University of Wisconsin—Madison, School of Medicine and Public Health Yale University, School of Medicine

MCAT Prep Course Garrett Biehle,Nancy Morvillo.2015-08-09 Comprehensive, Rigorous Prep for the MCAT At 1,162 pages, the MCAT Prep Course offers the most comprehensive and rigorous analysis of the MCAT available. Including, 1,059 practice problems! 103 MCAT-style passages, and detailed solutions to all problems! The MCAT is one of few college entrance exams that actually tests some of the subjects you will study: Biology, Chemistry, and Physics. At 6 1/4 hours, it is also one of the longest tests. For this reason, we have written the most comprehensive analysis of the MCAT Biology, Chemistry, Physics, and Verbal sections available. The MCAT has the reputation of being one of the hardest entrance exams given; it is a reputation well earned. This should not discourage you; rather it should motivate you to take the test seriously and study for it assiduously. Although the MCAT is a difficult test, it is a very learnable test. The classic MCAT Prep Course presents a clear, insightful analysis of the MCAT. Its lively prose and subtle wit makes this challenging test more palatable. The review sections are written in a user-friendly manner to simplify and reduce the student's burden when deciphering difficult concepts. At the end of each chapter, MCAT-style practice questions are included to test understanding of key concepts. Answers and explanations for the practice questions are provided after the review sections. Illustrations and tables are included wherever necessary to focus and clarify the key ideas and concepts. Garrett Biehle received his Ph.D. from Caltech. Nancy Morvillo received her Ph.D. from the State University of New York at Stony Brook. Matthew Schmidt received his Ph.D. from the State University of New York at Stony Brook.

Guide to Medical School and the MCAT David A. Hacker,Kenneth Ibsen.1997 Provides an overview to the MCAT, including test-taking strategies.

The Top Books of the Year Medical School Application Mcat Admission The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Medical School Application Mcat Admission : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

Medical School Application Mcat Admission Introduction

In the digital age, access to information has become easier than ever before. The ability to download Medical School Application Mcat Admission has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Medical School Application Mcat Admission has opened up a world of possibilities. Downloading Medical School Application Mcat Admission provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience

allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Medical School Application Mcat Admission has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Medical School Application Mcat Admission. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Medical School Application Mcat Admission. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Medical School Application Mcat Admission, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Medical School Application Mcat Admission has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Medical School Application Mcat Admission Books

1. Where can I buy Medical School Application Mcat Admission books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Medical School Application Mcat Admission book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Medical School Application Mcat Admission books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings,

and other details.

7. What are Medical School Application Mcat Admission audiobooks, and where can I find them?
Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking.
Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Medical School Application Mcat Admission books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.

Find Medical School Application Mcat Admission

Overdrive is the cleanest, fastest, and most legal way to access millions of ebooks—not just ones in the public domain, but even recently released mainstream titles. There is one hitch though: you'll need a valid and active public library card. Overdrive works with over 30,000 public libraries in over 40 different countries worldwide. ManyBooks is one of the best resources on the web for free books in a variety of download formats. There are hundreds of books available here, in all sorts of interesting genres, and all of them are completely free. One of the best features of this site is that not all of the books listed here are classic or creative commons books. ManyBooks is in transition at the time of this writing. A beta test version of the site is available that features a serviceable search capability. Readers can also find books by browsing genres, popular selections, author, and editor's choice. Plus, ManyBooks has put together collections of books that are an interesting way to explore topics in a more organized way. The Online Books Page features a vast range of books with a listing of over 30,000 eBooks available to download for free. The website is extremely easy to understand and navigate with 5 major categories and the relevant sub-categories. To download books you can search by new listings, authors, titles, subjects or serials. On the other hand, you can also browse through news, features, archives & indexes and the inside story for information. Besides, things have become really convenient nowadays with the digitization of books like, eBook apps on smartphones, laptops or the specially designed eBook devices (Kindle) that can be carried along while you are travelling. So, the only thing that remains is downloading your favorite eBook that keeps you hooked on to it for hours alone and what better than a free eBook? While there are thousands of eBooks available to download online including the ones that you have to purchase, there are many websites that offer free eBooks to download. FeedBooks provides you with public domain books that feature popular classic novels by famous authors like, Agatha Christie, and Arthur Conan Doyle. The site allows you to download texts almost in all major formats such as, EPUB, MOBI and PDF. The site does not require you to register and hence, you can download books directly from the categories mentioned on the left menu. The best part is that FeedBooks is a fast website and easy to navigate. In the free section of the Google eBookstore, you'll find a ton of free books from a variety of genres. Look here for bestsellers, favorite classics, and more. Books are available in several formats, and you can also check out ratings and reviews from other users. From books, magazines to tutorials you can access and download a lot for free from the publishing platform named Issuu. The contents are produced by famous and independent writers and you can access them all if you have an account. You can also read many books on the site even if you do not have an account. For free eBooks, you can access the authors who allow you to download their books for free that is, if you have an account with Issuu. If you are looking for Indie books, Bibliotastic provides you just that for free. This platform is for indie authors and they publish modern books. Though they are not so known publicly, the books range from romance, historical or mystery to science fiction that can be of your interest. The books are available to read online for free, however, you need to create an account with

Bibliotastic in order to download a book. The site they say will be closed by the end of June 2016, so grab your favorite books as soon as possible. As the name suggests, Open Library features a library with books from the Internet Archive and lists them in the open library. Being an open source project the library catalog is editable helping to create a web page for any book published till date. From here you can download books for free and even contribute or correct. The website gives you access to over 1 million free e-Books and the ability to search using subject, title and author.
