Marrakech - Insight Select Guides Tatiana Wilde.2012 Select Marrakech is a brand-new, full-color guide to this vibrant city, offering authentic experiences, fresh discoveries, and a good dose of local culture, all brought together in an engaging narrative style by a writer who knows the city inside-out. The guide begins with an inspirational In the mood for... section, filled with suggestions covering an enticing array of things to do, places to eat, drink and shop - all grouped by mood. Whether you're looking for the best spot to watch the sunset, where to eat slow-roast lamb, or the best route round the medina, there are options to suit you. The heart of the guide, The Selection, offers a collection of over 100 inspiring ideas for a memorable stay in Marrakech, with plenty of secret gems and off-beat haunts in the mix. Take a different view of the exciting central square from one of the rooftop terraces; have your fortune told or your hands hennaed by one of the stall holders; take tea in the most magnificent riad in the city; brave a traditional hammam; shop till you drop in the best boutiques in the medina; enjoy a cocktail at Winston Churchill's favorite bar; get lost in the labyrinthine souks; watch Moroccan crafts being made and learn how to cook a tagine. The selections are organized by neighborhood, with the medina divided into three for ease of reference - central, southern and northern - followed by the new town, Gueliz, then the areas of Hivernage, Menara and Palmeraie; finally we suggest a variety of excursions out of the city, such as to the delightful seaside resort of Essaouira and the snow-capped peaks of the Atlas mountains. So wherever you are and however much time you have, you can dip in and find inspiration, with lots of insider tips, clear and detailed mapping, and a wealth of practical information. Hotels are featured in a separate section, all personally selected by our resident writer. Organized by theme, there's something to appeal to everyone, whether you are seeking somewhere small and stylish, quirky and full of atmosphere, or utterly luxurious with top-notch views. Finally, the Essentials section incorporates a user-friendly run-down of information on getting around Marrakech and other key practical points, plus thematic and general indexes.

La Mamounia Laure Verchere.2011-03 Since its founding in the eleventh century, Marrakech has known an exceptional fate, as well as beauty. In this city, intricate design and craftsmanship can be found everywhere, in mosques, palaces, and schools, and even throughout ponds and gardens. Marrakech's famed hotel La Mamounia is intimately linked to this flourishing of Moroccan artisanship, which has contributed to making its status as a world-class venue. In 2009, La Mamounia finished a complete revival--thanks to three years of renovations organized by the French decorator Jacques Garcia, in close collaboration with many Moroccan craftsmen. Among its walls, floors, and tapestries, run your fingers over arabesques and fine calligraphy. The decorative repertoire here is of great wealth, an inheritance of both a Hispano-Moorish past and of the present local cultures, incorporated by Garcia. From the fineness of an embroidered silk to the splendor of carved marble, La Mamounia pays them all tribute, celebrating these materials integrated among the comfort and luxurious hospitality here. To turn the pages of this stunning book is to embark on a sensorial journey, one that celebrates the refined Moroccan lifestyle. Be a virtual guest at La Mamounia--where visitors enter and ascend a gorgeous staircase, inhaling the sweet fragrance of candied dates, to discover the hotel. Then, relax with a cool glass of almond-scented milk and platters of succulent dates, a way to welcome you in the traditional manner. In 130 illustrations, take a tour of La Mamounia, which holds an elegant balance between tradition and modernity. A visit to this oasis is to live in a contemporary tale of the Arabian Nights.
