A History of Jewish Connecticut Betty N. Hoffman.2010-11-24 During the Revolutionary War, Sephardic Jews fled British-occupied New York to become the first Jewish families in Connecticut. This long Jewish history is explored in a collection of essays by historians and community members

across the state, from colonial times and the role Jews played in the Civil War to memories of summer nights at Lebanon's Grand Lake Lodge and Danbury's Lake Waubeeka. Join editor Betty N. Hoffman and company as they recount tales of Kid Kaplan, the Meriden Buzz Saw, who became boxing's 1925 Featherweight Champion of the World; the Lender family, who bagelized America; and the graceful personal service of Marlow's Department Store in Manchester to reveal a fascinating and intimate portrait of Jewish Connecticut.

Illustrated Popular Biography of Connecticut J. A. Spalding. 2015-06-16 Excerpt from Illustrated Popular Biography of Connecticut To each, of the individuals thus designated a personal invitation was extended to appear in the proposed volume, the scope and character of which were fully described and explained. Each recipient of the invitation was requested to furnish data from which an accurate biography of himself might be prepared, and to provide a photograph from which a vignette portrait might be made, for publication in the book. The invitation was a cordial one, but no effort was made to induce anybody to accept it against his wishes. Of the two thousand persons thus invited, about seven hundred accepted unconditionally and furnished the information sought. These seven hundred are included in the present volume. Others desired to appear in the book, but imposed conditions which could not be complied with, - such as that the portrait should be a full-page steel plate; or that the sketch should carry an advertisement of the subject's business; and in one case a gentleman who has a local reputation for writing poetry insisted that sundry specimens of his verse must accompany the sketch. Others declined the invitation for various reasons, principally on the score of modesty; and still others would have nothing to do with the matter because they had the impression that somehow they were going to be swindled. Of the entire list fully one-half never responded to the invitation. As will be observed, however, the favorable responses were enough to render the volume sufficiently formidable in size, thoroughly comprehensive in character, and representative of every section of the State. It is a good beginning of an effort the principal object of which has been to familiarize the people of Connecticut with the qualities, the characteristics, the accomplishments, and the features of their fellow-citizens who are or have been leaders and chief burden-bearers in all the active duties of life. To fully accomplish the work thus begun, and similarly present the numerous subjects yet remaining, would require and perhaps may occasion the issue of succeeding volumes. Reference has already been made incidentally to the Popular feature of this compilation; wherein it differs, as it was intended to differ, essentially, from all other compilations of State biography that have heretofore been made in this country. The term Popular in this connection is intended in its best sense - as opposed to Exclusive. This is not the biography of a class, or a sect, or a party, but of the People. Its subjects are selected from all walks of life; and while the list includes some names of world-wide celebrity, and many of great distinction in the State, it embraces also others unknown to fame beyond perhaps the limits of their own neighborhood, yet among the most honorable and in their sphere the most useful citizens of the Commonwealth. It may be safely stated that there is absolutely no other published collection that includes fifty, even, of the seven hundred sketches which are spread upon these pages; yet for the purposes of a reference book of the citizens of Connecticut, to be consulted for information concerning people who are prominent in their respective spheres of activity, the least of all these could not have been omitted from this volume without abridging its usefulness and impairing its value. Ella Grasso Jon E. Purmont.2012-11-13 When Ella Tambussi Grasso ran for governor of Connecticut in 1974, she had not lost an election since she was first voted into the state's General Assembly in 1952. The people of Connecticut chose her as the nation's first woman to be elected governor in her own right—the capstone of a long and successful career dedicated to public service, effective government, and the democratic process. During her tenure as governor, Grasso's leadership was tested in the face of fiscal problems, state layoffs, and budget shortfalls. The daughter of Italian immigrants, she endeared herself to her constituents during the great Blizzard of 1978, when she stayed at the State Armory around the clock to direct emergency operations and make frequent television appearances. Author Jon E. Purmont, who served as Grasso's executive assistant when she was governor, draws on his diary from that time, research in Grasso's archives, and interviews with Grasso's family and friends to give us a rich and intimate portrait of this political pioneer.

Creating Connecticut Walter W. Woodward.2020-05-01 Connecticut State Historian Walter Woodward helps us understand how people and events in Connecticut's past played crucial roles in forming the culture and character of Connecticut today. Woodward, a gifted story-teller, brings the history we thought we knew to life in new ways, from the nearly forgotten early presence of the Dutch, to the time when Connecticut was New England's fiercest prosecutor of witches, the decades when Connecticutans were rapidly leaving the state, and the years when Irish immigrants were hurrying into it. Whether it's his investigation into the unusually rough justice meted out to Revolutionary War hero Nathan Hale, or a peek into Mark Twain's smoking habits, Creating Connecticut will leave you thinking about our state's past--and its future--in a whole new way.

Art of the Amistad and The Portrait of Cinqué Laura A. Macaluso.2016-03-23 The Amistad incident, one of the few successful ship revolts in the history of enslavement, has been discussed by historians for decades, even becoming the subject of a Steven Spielberg film in 1997, which brought

the story to wide audiences. But, while historians have examined the Amistad case for its role in the long history of the Atlantic, the United States and slavery, there is an oil on canvas painting of one man, Cinqué, at the center of this story, an image so crucial to the continual retelling and memorialization of the Amistad story, it is difficult to think about the Amistad and not think of this image. Visual and material culture about the Amistad in the form of paintings, prints, monuments, memorials, museum exhibits, quilts and banners, began production in the late summer of 1839 and has not yet ceased. *Art of the Amistad and The Portrait of Cinqué* is the first book to survey in total these Amistad inspired images and related objects, and to find in them shared ideals and cultural creations, but also divergent applications of the story based on intended audience and local context. Tracing the revolutionary creation of what art historian Stephen Eisenman calls “a highly individualized, noble portrait of an African man,” *Art of the Amistad and The Portrait of Cinqué* is built around visual and material culture, and thus does not use images merely as illustration, but tells its story through the wide range of images and materials presented. While the Portrait of Cinqué seems to sit quietly behind Plexiglass at a local history museum, the impact of this 175-year old painting is palpable; very few portraits from the 19th century—let alone a portrait of a black man—remain a relevant part of culture as the Portrait of Cinqué continues to be today. *Art of the Amistad and The Portrait of Cinqué* is about the art and artifacts that continue to inform and inspire our understanding of transatlantic history—a journey 175 years in the making.
