*Treat Your Poker Like a Business* .2009-12 Poker star Dusty Schmidt presents his first book [– one that stands to shake up poker in the same way Moneyball did for baseball. Schmidt offers an inspiring look at how in just five years, he went from not knowing a thing about poker to netting a seven-figure annual income. Far from a mathematical or technological genius, Schmidt says what guides him through is a fundamental understanding of business. *Treat Your Poker Like A Business* provides a foundation upon which all poker will be evaluated in the future, and will help an entire generation of poker players evolve their games into empires. A consummate grinder, Dusty Schmidt has played nearly 7 million hands of online poker over more than 10,000 hours during his five-year career. He's won over \$3 million during that period, and has never experienced a losing month. In 2007, he achieved Poker Stars' SuperNova Elite status in just eight months while playing high-stakes cash games exclusively. Schmidt posted the world's highest win rate in both 5/10 NL and 10/20 NL in both 2007 and 2008. In a four-month period between Nov. 2007 and Feb. 2008, Schmidt won in excess of \$600,000 in high-stakes cash games. He is now a highly respected instructor at Stoxpoker.com, and plays as high as 25/50 NL. As a young man, Schmidt was a top-ranked golfer. He broke two of Tiger Woods' junior records, and was the leading money winner on the Golden States Tour when, at age 23, he suffered a career-ending heart attack. Schmidt returned to golf in 2009, winning medalist honors in qualifying for the Oregon Amateur Championship. Later that year, Schmidt famously represented himself in federal court in his suit against the United States Golf Association, which controversially stripped him of his amateur status, in part due to his poker profession. Schmidt is now a volunteer assistant coach for the University of Oregon's men's golf team, working under his good friend, Head Coach Casey Martin. Schmidt is also a successful entrepreneur. He is part-owner of Stoxpoker.com and Imagine Media, and the creator of 10thGreen.com, the first social network for golfers. His story has been featured in *Sports Illustrated*, *Card Player*, *Poker News*, *Golf Magazine*, *Fairways and Greens*, *Golf Week*, *Golf World* and the *Portland Oregonian*, as well as on ESPN, cnn.com, wallstreetjournal.com, forbes.com, fortune.com, espn.com, golfdigest.com and golf.com, among many others. He recently founded the House of Cards Project, a philanthropic effort to provide food and shelter to disadvantaged families. His life story will be told in the book [–Raise: The Impossibly True Tale of Dusty Schmidt, [–? to be released later in 2010. He lives in Portland, Ore., with his wife, Nicole, and daughter, Lennon.

**Honey Flava** Zane.2012-08-11 Another in the Zane bestselling Flava anthology series—a readable feast of eroticism—as she collects sexy stories featuring an African American and Asian mix of characters, including an original story by Zane. These are juicy spicy short stories about romance and erotica that crosses color lines with vibrant interracial romances between Asian and African American characters. so rather than give away the plots, how about a few teasers—a series of lines serving as samples: From *The Meaning of Zhuren*: When Dirk asked Jean how to say master in Chinese, the first time they dated, she answered, Zhuren. Little did she know what Zhuren would mean to her in the coming days. From *Pins and Needles*: When she turned around, she was holding onto a thin black vase inscribed with a yellow diamond and a red Kanji character. Sticking out of the top of the vase was a set of acupuncture needles. No, I said, shaking my head. Miki smiled, with a glint in her eye that said she had me right where she wanted me. From *The Dragon's Breath*: He began at the

shoulder and wove the rope--over and around, tucked, pulled and then over and around again—until it reached her wrist...His fingers were elegant and swift as he made the loops into a golden crochet pattern over her skin. From *Geisha Girl*: The next few hours were spent dancing with Chika, pouring tea smiling at unsuspecting patrons. None of them knew who she was inside. None of them knew what she wanted.

**Nervous Zane.**2004-06-15 In this follow-up to the mega-sensation *Addicted*, the New York Times bestselling Queen of Erotica delivers a shocking and steamy story about a woman with a split personality who must overcome her disorder before her chance at a happy ending is forever destroyed. Jonquinette Pierce has never felt comfortable around men—except when she's her alter ego, Jude, who takes over on the weekends to lead a life of wild and intense sexual escapades. Jonquinette knows she can't keep living like this and sets out to overcome her split personality with the help of Dr. Marcella Spencer. But Jude isn't about to let Jonquinette off so easily. Just as Jonquinette begins falling for her hot neighbor, Mason, Jude decides she's had enough and goes on a sexual rampage to keep her alter ego from riding off into the sunset. Jude has no intentions of letting Jonquinette fall in love and find happiness at her expense—she's having way too much fun using the body she shares with Jonquinette. Though this scenario could be a fun fantasy for women who have imagined their own alter ego behaving badly in a sexual way, this is a nightmare for Jonquinette. *Nervous* takes readers back into the world of *Addicted* and keeps them hooked until the very end.

You are reading the word now right now. But what does that mean? Now has bedeviled philosophers, priests, and modern-day physicists from Augustine to Einstein and beyond. In *Now*, eminent physicist Richard A. Muller takes up the challenge. **The Encyclopedia of Film Composers** Thomas S. Hischak.2015-04-16 For more than a century, original music has been composed for the cinema. From the early days when live music accompanied silent films to the present in which a composer can draw upon a full orchestra or a lone synthesizer to embody a composition, music has been an integral element of most films. By the late 1930s, movie studios had established music departments, and some of the greatest names in film music emerged during Hollywood's Golden Age, including Alfred Newman, Max Steiner, Dimitri Tiomkin, and Bernard Herrmann. Over the decades, other creators of screen music offered additional memorable scores, and some composers—such as Henry Mancini, Randy Newman, and John Williams—have become household names. The *Encyclopedia of Film Composers* features entries on more than 250 movie composers from around the world. It not only provides facts about these artists but also explains what makes each composer notable and discusses his or her music in detail. Each entry includes Biographical material Important dates Career highlights Analysis of the composer's musical style Complete list of movie credits This book brings recognition to the many men and women who have written music for movies over the past one hundred years. In addition to composers from the United States and Great Britain, artists from dozens of other countries are also represented. A rich resource of movie music history, *The Encyclopedia of Film Composers* will be of interest to fans of cinema in general as well as those who want to learn more about the many talented individuals who have created memorable scores.
