The Siblys of London Susan Mitchell Sommers.2018 Ebenezer Sibly was a quack doctor, plagiarist, and masonic ritualist in late eighteenth-century London; his brother Manoah was a respectable accountant and pastor who ministered to his congregation without pay for fifty years. Drawing on

such sources as ratebooks and pollbooks, personal letters and published sermons, burial registers and horoscopes, Susan Sommers has woven together an engaging microhistory that offers useful revisions to existing scholarly accounts of brothers Ebenezer and Manoah, while locating the entire Sibly family in the esoteric byways of the eighteenth and early nineteenth centuries.

Encyclopedia Of Freemasonry And Its Kindred Sciences, Volume 4: S-Z Albert G. Mackey. Dr. Albert G. Mackey appears as author of this Encyclopedia of Freemasonry and its Kindred Sciences, which, being a library in itself, superseded most of the Masonic works which have been tolerated by the craft — chiefly because none better could be obtained. Here is a work which fulfils the hope which sustained the author through ten years' literary labor, that, under one cover he would furnish every Mason who might consult its pages the means of acquiring a knowledge of all matters connected with the science, the philosophy, and the history of his order. Up to the present time the modern literature of Freemasonry has been diffuse, lumbering, unreliable, and, out of all reasonable proportions. There is, in Mackey's Encyclopaedia of Masonry, well digested, well arranged, and confined within reasonable limits, all that a Mason can desire to find in a book exclusively devoted to the history, the arts, science, and literature of Masonry. This is volume four out of four and covering the letters S to Z.

Acta Latomorum, Ou Chronologie De L'histoire De La Franche-maçonnerie Française Et Étrangère; Volume 1 Claude-Antoine Thory.2023-07-18 Ce livre est une chronologie de l'histoire de la franc-maçonnerie française et étrangère par Claude-Antoine Thory. Il retrace l'histoire de la franc-maçonnerie depuis ses débuts jusqu'à son état actuel, mettant l'accent sur les grands événements, les personnalités importantes et les loges maçonniques les plus influentes. Le livre est une référence indispensable pour tous ceux qui s'intéressent à la franc-maçonnerie. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. Encyclopedia Of Freemasonry Albert G. Mackey.2013-10-24 Dr. Albert G. Mackey, also the author of The Lexicon of Freemasonry appears as author of this Encyclopedia of Freemasonry and its Kindred Sciences, which, being a library in itself, superseded most of the Masonic works which have been tolerated by the craft—chiefly because none better could be obtained. Here, in one giant volume is a work which fulfils the hope which sustained the author through ten years' literary labor, that, under one cover he would furnish every Mason who might consult its pages the means of acquiring a knowledge of all matters connected with the science, the philosophy, and the history of his order. For more than thirty years Dr. Mackey has devoted earnest and constant study and research to the history, the objects, and the condition of Masonry. In the present work, the crowning and successful result of a life's labors, he has received no assistance from any one. He says, Every article was written by myself, and he adds, which would extenuate errors, had he fallen into any, For twelve months, too, of the time occupied upon this work, I suffered from an affection of the sight, which forbade all use of the eyes for purposes of study. During that time, now happily passed, all authorities were consulted by the willing eyes of my daughters—all writing was done by their hands. I realized for a time the picture so often painted of the blind bard dictating his sublime verses to his daughters, and his preface closes with the words, Were I to dedicate this work at all, my dedication should be—To Filial Affection. Up to the present time the modern literature of Freemasonry has been diffuse, lumbering, unreliable, and, out of all reasonable proportions.
