It's Only a Book! Justin Hoffman. 2020-12-31 You may have heard the age-old saying, "You can't trust the Bible because it is written by a bunch of men." In It's Only a Book, author Justin Hoffman challenges that statement as well as numerous others related to religion, Christianity, and the Bible. More than an apologetic volume meant to tackle the difficult questions given by skeptics that target the Bible, this masterwork is designed to equip the Christian as a quick-reference-tool. Hoffman offers a thought-provoking discussion about this book that was written during the course of 1,600 years. He confronts the most insidious attacks against the Bible. It's Only a Book offers a concise, yet definitive Christian work that rushes headlong into the debate over the authorship and authenticity of the Bible. 4 Chair Discipling Dann Spader. 2019-01-01 Dann Spader is a disciple-maker who has spent his adult life exploring what it means to take someone from being a seeker to making disciples themselves. Over 750,000 people in 80 countries have been trained to make disciples through organizations he has led. Through studying the life of Christ and His disciple-making methods, Dann developed 4 Chair Discipling, a simple picture for others to follow. Jesus' last words on earth had a few very specific instructions: Go, make disciples, baptize, and teach. But what does that mean for us today? Well, it's not easy. But it is simple. Teacher and leader Dann Spader explains disciple-making as a process of moving people through four chairs, from someone seeking to know more about Christ to someone who makes disciples themselves. Chair 1: Come and See (John 1:39) Chair 2: Follow Me (John 1:43) Chair 3: Become a Fisher of Men (Matthew 4:19) Chair 4: Go and Bear Fruit (John 15:16) In the process of His four-year ministry, Jesus realized that different people are at different stages of growth and development, and He works to challenge each of them to the next level. In 4 Chair Discipling, you'll get a clear and simple picture of how to follow in Jesus' footsteps and do the same thing. Question Everything... Then Dig Deeper John Andes.2016-03-18 Question EverythingThen Dig Deeper In the Presidential election year, David Drummer, Senior Analyst in Charge of Interagency Communications in the F.B.I.'s Kansas City office, is planning his retirement to Eleuthera with his lover, Rachel. Suddenly, he is confronted by a scandal of far reaching consequences within the Bureau, two apparently unrelated police killings three thousand miles apart, and grass roots rallies designed to rile the voting populace against a foreign force. While he attempts to influence the outcome of the scandal investigation, he also digs into a negative political figure from the past. His team focusses on learning who is the driving force behind the rallies, and what they mean to the election. The Bureaus manipulative efforts to bury the scandal, as well as the facts uncovered about the dangerous conspiracy cause Davids emotional and physical well-being to spiral inexorably out of control. Rachel is his rock.

From Me to We Jason Griffith.2016-08-19 With this practical book, you'll learn effective ways to engage students in reading and writing by teaching them narrative nonfiction. By engaging adolescents in narrative, literary, or creative nonfiction, they can cultivate a greater understanding of

themselves, the world around them, and what it means to feel empathy for others. This book will guide you to first structure a reading unit around a narrative nonfiction text, and then develop lessons and activities for students to craft their own personal essays. Topics include: Engaging your students in the reading of a nonfiction narrative with collaborative chapter notes, empathy check-ins, and a mini-research paper to deepen students' understanding; Helping your students identify meaningful life events, recount their experiences creatively, and construct effective opening and closing lines for their personal essays; Encouraging your students to use dialogue, outside research, and a clear plot structure to make their narrative nonfiction more compelling and polished. The strategies in this book are supplemented by examples of student work and snapshots from the author's own classroom. The book also includes interviews with narrative nonfiction writers MK Asante and Johanna Bear. The appendices offer additional tips for using narrative nonfiction in English class, text and online resources for teaching narrative nonfiction, and a correlation chart between the activities in this book and the Common Core Standards.
