ManyBooks is one of the best resources on the web for free books in a variety of download formats. There are hundreds of books available here, in all sorts of interesting genres, and all of them are completely free. One of the best features of this site is that not all of the books listed here are classic or creative commons books. ManyBooks is in transition at the time of this writing. A beta test version of the site is available that features a serviceable search capability. Readers can also find books by browsing genres, popular selections, author, and editor's choice. Plus, ManyBooks has put together collections of books that are an interesting way to explore topics in a more organized way. Feedbooks is a massive collection of downloadable ebooks: fiction and non-fiction, public domain and copyrighted, free and paid. While over 1 million titles are available, only about half of them are free. Free-eBooks

download is the internet's #1 source for free eBook downloads, eBook resources & eBook authors. Read & download eBooks for Free: anytime! Sacred Texts contains the web's largest collection of free books about religion, mythology, folklore and the esoteric in general. ree eBooks offers a wonderfully diverse variety of free books, ranging from Advertising to Health to Web Design. Standard memberships (yes, you do have to register in order to download anything but it only takes a minute) are free and allow members to access unlimited eBooks in HTML, but only five books every month in the PDF and TXT formats. Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave

positive feedback. Google Books will remember which page you were on, so you can start reading a book on your desktop computer and continue reading on your tablet or Android phone without missing a page. Amazon's star rating and its number of reviews are shown below each book, along with the cover image and description. You can browse the past day's free books as well but you must create an account before downloading anything. A free account also gives you access to email alerts in all the genres you choose. If you find a free book you really like and you'd like to download it to your mobile e-reader, Read Print provides links to Amazon, where the book can be downloaded. However, when downloading books from Amazon, you may have to pay for the book unless you're a member of Amazon Kindle Unlimited.
