Netherland Joseph O'Neill.2008-05-20 A NEW YORK TIMES BOOK REVIEW BEST BOOK OF THE YEAR • WINNER OF THE PEN/FAULKNER AWARD • Netherland tells the fragmented story of a man in exile—from home, family and, most poignantly, from himself.” —Washington Post Book World In a New York City made phantasmagorical by the events of 9/11, and left alone after his English wife and son return to London, Hans van den Broek stumbles upon the vibrant New York subculture of cricket, where he revisits his lost childhood and, thanks to a friendship with a charismatic and charming Trinidadian named Chuck Ramkisson, begins to reconnect with his life and his adopted country. As the two men share their vastly different experiences of contemporary immigrant life in America, an unforgettable portrait emerges of an other New York populated by immigrants and strivers of every race and nationality.

The Netherlands Martin Hintz.1999 Describes the geography, plants and animals, history, economy, language, religions, culture, and people of the Netherlands.

Spain and the Netherlands, 1559-1659 Geoffrey Parker.1979

Observations Upon the United Provinces of The Netherlands William Temple.1972

Netherlands - Culture Smart! Sheryl Buckland,Culture Smart!.2018-06-21 Taking readers beyond the stereotypical images of windmills, clogs, and tulips, this pocket-sized guide helps visitors understand the complex layers of identity in this small, densely populated country on Europe's northwestern seaboard. With roots as a maritime nation that built a network for transportation, defense, and trade, the Netherlands of today is still a prime economic hub of Europe. The Netherlands is also famous for its liberal attitudes, recently challenged by high levels of immigration, and is home to an intelligent, cosmopolitan, enterprising, tolerant, and modest people. The visitor or business traveler will find that the predominant attitude continues to be one of live and let live, and that many different communities live alongside each other in harmony.

The Netherlands in Perspective William Z. Shetter.2002

Rick Steves Amsterdam & the Netherlands Rick Steves.2015-04-14 You can count on Rick Steves to tell you what you really need to know when traveling in Amsterdam. With this guide, immerse your self in the culture of Amsterdam as you stroll along canals and saunter through the red light district. Bike through historic streets to grand museums where you will in the work of the great Dutch Masters. For dinner, sample fine fresh seafood, or stop at a coffee shop for some extra local flavor. Rick's candid, humorous advice will guide you to good-value hotels and restaurants. He'll help you plan where to go and what to see, depending on the length of your trip. You'll get up-to-date recommendations about what is worth your time and money. More than just reviews and directions, a Rick Steves guidebook is a tour guide in your pocket. This first edition guide replaces Rick Steves' Amsterdam, Bruges & Brussels, ISBN 9781612385433.

A Short History of the Netherlands P. J. A. N. Rietbergen.1998 The development of the Netherlands over the centuries has been a remarkable one. Situated at the end of Europe, between land and water, its people have, for more than three thousand years, fought to make the best of a country unfavoured by nature. They have shaped it into one of the world's foremost economic powers but also, and even more importantly, into a society that prides itself on having reached a fair balance between material and social well-being. The history of this achievement is a fascinating one. Since time immemorial, it is the history of the struggle against the sea, of man seeking to dominate the forces of water. It is the history of the early medieval Dutch traders, who travelled all over Europe to sell their wares. It is the history of the activities of the world's first multinationals, the Dutch East and West India Companies, that spanned the entire globe. It is also the history of the loss of colonial empire and of the triumphant rebuilding of a mainly commercial economy into a mainly industrial one, whose activities, once again, span the globe. It is, of course, also the history of a culture to match, of commonsense and realism, of the wonderful works of art produced by the Dutch Golden Age of the seventeenth century and of the many attainments of Dutch civilization in more recent years. For all those who are often amazed at the industry and achievements of this small nation, the Short History of the Netherlands offers a succinct historical tale that goes a long way to elucidate the country's past and, thus, explain its present.

The Netherlands Lisa Owings.2009-08-01 Most people in the Netherlands ride bicycles to get to work, enjoy the landscape, and for sport. They look forward to spring when they can pedal past world-famous tulip fields in full bloom. This introduction to the Netherlands will get young readers' wheels turning by giving them a glimpse of this small, relaxed European country.

The Netherlands in Perspective William Z. Shetter.1987 Voorbeeld hoe Nederland en z'n bewoners op gedegen wijze aan het buitenland gepresenteerd wordt of kan worden

The Netherlands in a Nutshell .2020-12-22 This richly illustrated book presents a global overview of the key events and themes in Dutch history and culture: a choice of fifty key topics, or 'windows' into the country. Fifty important people, inventions and events which together show how the Netherlands has developed into the country that it is now. At the back of the book, there is an overview of the fifty 'windows', grouped in seven themes. This is an excellent introduction for anyone who would like to make an acquaintance with this low country by the sea.

History of the United Netherlands John Lothrop Motley.1867

A French View of the Netherlands Indies Georges-Henri Bousquet,Institute of Pacific Relations.1940

Culture and Customs of the Netherlands John B. Roney.2009-09-23 Delivers a fresh, modern perspective on individual countries for which information is in demand in the school curriculum and library. This title includes chapters that cover crucial topics as: the land and history; the people, language, food, and traditional dress; religion and thought; social customs and lifestyle; and, art and architecture.

A History of the Netherlands Friso Wielenga.2019-10-03 This is the most comprehensive history of the Netherlands available in the English language. It surveys Dutch history from the 16th century, when the nation took shape as a geographical, administrative and political entity, right through to the Netherlands of today. Examining domestic politics and wider international contexts, as well as economic and cultural history, Friso Wielenga provides a varied and in-depth investigation that will lead to a rich understanding of the country's past. The book also challenges misplaced preconceptions regarding political consensus and religious toleration in the country and offers a balanced assessment of developments across the early modern, modern and contemporary eras. This new edition includes: * One brand new chapter on the Netherlands since 1945 * Much more material on colonial history, slavery, the decolonisation of Indonesia and the contemporary legacy of colonialism * Historiographical updates throughout * A wealth of new images, maps, tables and figures This book is essential reading for anyone seeking a knowledge of Dutch history since 1500.

Holland Carries on the Netherlands West Indies Netherlands Information Bureau (New York, N.Y.). 1941

Kingdom of the Netherlands-Netherlands International Monetary Fund. European Dept.. 2017-04-03 This Selected Issues paper focuses on a steady increase in current account surpluses in "Surplus 3" countries—Germany, the Netherlands, and Switzerland—since the mid-1990s. In Germany and the Netherlands, nonfinancial corporations seem to be behind the rising surpluses. In these countries, increasing corporate profits have not been converted into dividends, keeping a lid on consumption. In Switzerland, household savings seem to explain the bulk of the current account surplus: both mandatory and voluntary savings have been on an increasing trend since 2000. Trending net contributions to pension funds since 2000

and rising equity contribution for housing purchases are likely drivers.

Reappraising the History of the Jews in the Netherlands J.C.H. Blom, David J. Wertheim, Hetty Berg, Bart T. Wallet. 2021-09-15 The two decades since the last authoritative general history of Dutch Jews was published have seen such substantial developments in historical understanding that new assessment has become an imperative. This volume offers an indispensable survey from a contemporary viewpoint that reflects the new preoccupations of European historiography and allows the history of Dutch Jewry to be more integrated with that of other European Jewish histories. Historians from both older and newer generations shed significant light on all eras, providing fresh detail that reflects changed emphases and perspectives. In addition to such traditional subjects as the Jewish community's relationship with the wider society and its internal structure, its leaders, and its international affiliations, new topics explored include the socio-economic aspects of Dutch Jewish life seen in the context of the integration of minorities more widely; a reassessment of the Holocaust years and consideration of the place of Holocaust memorialization in community life; and the impact of multiculturalist currents on Jews and Jewish politics. Memory studies, diaspora studies, postcolonial studies, and digital humanities all play their part in providing the fullest possible picture. This wide-ranging scholarship is complemented by a generous plate section with eighty fully captioned colour illustrations.

The World and The Netherlands Karel Davids, Marjolein 't Hart, Manon van der Heijden. 2023-01-26 This is the first book to examine the history of the country in a way that connects global processes to local developments. Taking account of social, political and economic dynamics over the last thousand years, the book addresses key questions that get to the heart of the Netherlands' role in the world, both historically and in more recent times: · Why did the 'West' become such a significant actor in the world, and what part did the Netherlands play? · What were the driving forces in state-formation, and in what respects and why did the Netherlands take a different path to most of Europe? · How did globalisation impact economic structures and socio-cultural life, and how did the Netherlands react to these new challenges? · How did this very Christian and bourgeois nation develop into a flagship for liberal tolerance? The book carefully balances a wider investigation of these issues with close inspections of how ordinary people experienced the changes they prompted. It also provide a convincing, judicious assessment of the ebbs and flows of this small country's global influence over time: prominent as a Golden Age economic powerhouse, colonial power, and bastion of political freedom in some eras, and yet impotent on the world stage at others. Supplemented with 35 images, 10 maps, a wealth of text boxes, charts and tables, as well as a companion website, this book is the definitive history of the Netherlands in a global context.
