Organize Your Wedding Wedding Planner.2021-01-14 A simple and fun little guide for brides and grooms who want to organize an exceptional wedding but don't know where to start. The decision has been made: you are now engaged! A request has been made and it has been accepted. The emotion is there and the excitement is at its peak. You are getting married, everything is going well in the best of all worlds, so you are now ready to start planning your wedding with your future wife or husband. Now is when the trouble starts: venue, caterer, guest list, invitations, parting gifts, speeches, wine of honor, photographer, music, first dance, speeches, ceremony ... the list of things to manage seems endless and you don't know which way to turn. So I decided to write a wedding planning guide that would synthesize the best of the internet, our experience and our exchanges with wedding planners, with simple and efficient advice to make your wedding planning a pleasure. The first part will be composed of the questions we are most often asked: how does the D-day go, how much does a wedding cost, who does what, how much time in advance to do it, how to get organized.... Then, I will present you the main steps of the organization of a wedding with simple advices and concrete recommendations always around a question / answer format ! How to succeed in the organization of your wedding ? The organization of a wedding is not an easy task as the list of things to manage is so long. Two things are essential: time and planning. The organization of a wedding can often be a stressful thing for the future bride and groom, the fear that the most beautiful day of their lives will not

be a success being for many. It is therefore important not to add extra stress by having to take care of everything at the last minute! In addition, certain steps, such as managing the place and date, often require many months in advance, or even a year or more (in some regions, places are reserved even 2 years in advance!). Then the planning: it's good to get a head start, but you need to know where you're going! A little further on, we propose you a model of retro planning so that you can be sure not to be overtaken by time ! We will realize the work of a personal wedding planner in this book with all our knowledge on the subject of events and wedding. We will answer all your questions about wedding decoration, wedding dress, groom's outfit, children of honor, hall and ceremony decoration, wedding music. Wedding Planner C. B. Confessions of an Event Planner Judy Allen. 2009-08-26 For anyone planning events—student, novice, or experienced professional—Confessions of an Event Planner is an “apprenticeship in a book.” This insider’s guide takes you on a narrative journey, following a fictional event planning company that stages various types of events around the world for many different clients. While other books, college courses, and training programs give you the theory and how-to of the profession, Confessions of an Event Planner reveals the real world of event planning and what can happen—usually the unexpected—on an event program when actual participants are added to the event

planning design and execution mix. In a climate of media scrutiny and corporate scandals, event planners must be masters of discretion, knowing how to avoid and deal with everything from sexual romps to financial shenanigans, to chainsaw wielding salesmen dead set on “re-landscaping” the grounds of the resort they’re staying at. From an event planner who’s seen it all and knows how to deal with it all, comes practical first-hand advice delivered in an entertaining and accessible format. Each chapter is set in a unique location, with a cast of characters, and a host of challenges and problems to overcome—from the boardroom to the resort guest bedrooms. Readers learn what they can come up against, how to problem solve creatively on the fly, get ideas for staging spectacular events, and see the principles of event planning in action. The scenario in each chapter is introduced by an outline of what will be covered in the chapter, and each chapter concludes with a series of review questions to explore key issues and stimulate reflection or discussion for individuals or groups. Ideal as a companion to Judy Allen’s six other event planning books, as a textbook in event planning courses, or as a professional training tool *Confessions of an Event Planner* prepares planners for what they can expect once they start working in the world of corporate and social event planning, and will help decision-makers set company policies, procedures and protocol and promote discussion about codes of conduct in the office and offsite.
