4eBooks has a huge collection of computer programming ebooks. Each downloadable ebook has a short review with a description. You can find over thousand of free ebooks in every computer programming field like .Net, Actionscript, Ajax, Apache and etc. You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title. The free Kindle books here can be borrowed for 14 days and then will be automatically returned to the owner at that time. Both fiction and non-fiction are covered, spanning different genres (e.g. science fiction, fantasy, thrillers, romance) and types (e.g. novels, comics, essays, textbooks). There are thousands of ebooks available to download legally - either because their copyright has expired, or because their authors have chosen to release them without charge. The difficulty is tracking down exactly what you want in the correct format, and avoiding anything poorly written or formatted. We've searched through the masses of sites to bring you the very best places to download free, high-quality ebooks with the minimum of hassle. You'll be able to download the books at Project Gutenberg as MOBI, EPUB, or PDF files for your Kindle. The site itself is available in English, German, French, Italian, and Portuguese, and the catalog includes books in all languages. There's a heavy bias towards English-language works and translations, but the same is true of all the ebook download sites we've looked at here. OnlineProgrammingBooks feature information on free computer books, online books, eBooks and sample chapters of Computer Science, Marketing, Math, Information Technology, Science, Business, Physics and Internet.
