**The Naked Nude** Frances Borzello.2022-08-18 The representation of the nude in art remained for many centuries a victory of fiction over fact. Beautiful, handsome, flawless its great success was to distance the unclothed body from any uncomfortably explicit taint of sexuality, eroticism or imperfection. In this newly updated study, Frances Borzello contrasts the civilized, sanitized, perfected nude of Kenneth Clarks classic, *The Nude: A Study in Ideal Form* (1956), with today's depictions: raw, uncomfortable, both disturbing and intriguing. Grittier and more subtle, depicting variously gendered bodies, the new nude asks awkward questions and behaves provocatively. It is a very naked nude, created to deal with the issues and contradictions that surround the body in our time. Borzello explores the role of the nude in twentieth- and twenty-first-century art, looking at the work of a wide range of international artists creating contemporary nudes. Her fascinating text is complemented by a profusion of well-chosen, unusual and beautifully reproduced illustrations. The story begins with a tale of life, death and resurrection an investigation into how and why the nude has survived and flourished in an art world that prematurely announced its demise. Subsequent chapters take a thematic approach, focusing in turn on Body art and Performance art, the new perspectives of women artists, the nude in painting, portraiture and sculpture and in its most extreme and graphic expressions that intentionally push the boundaries of both art and our comfort zone. The final chapter illustrates radical developments in art and culture over the last decade, focusing in particular on artworks by women, trans artists and artists of colour. Borzello links these works to their art-historical and political predecessors, demonstrating the continually unending capacity of the nude to disrupt traditional hierarchies and gender categories in life and art.

**The Female Nude** Lynda Nead.2024-05-01 The history of Western art is saturated with images of the female body. Lynda Nead's *The Female Nude* was the first book to critically examine this phenomenon from a feminist perspective and ask: how and why did the female nude acquire this status? In a deft and engaging manner, Lynda Nead explores the ways in which acceptable and unacceptable images of the female body are produced, issues which have been reignited by current controversies around the patriarchy, objectification and pornography. Nead brilliantly illustrates the two opposing poles occupied by the female nude in the history of art; at one extreme the visual culmination of enlightenment aesthetics; at the other, spilling over into the degraded and the obscene. What both have in common, however, is the aim of containing the female body. Drawing on examples of art and artists from the classical period to the 1980s, *The Female Nude* paints a devastating picture of the depiction of the female body and remains as fresh and invigorating today as it was at the time of its first publication. This Routledge Classics edition includes a new Preface by the author.

**Fetish** Valerie Steele.1997-07-31 Kinky boots, corsets, underwear as outerwear, second-skin garments of rubber and leather, uniforms, body piercing.... Today everything from a fetishist's dream appears on the fashion runways. Although some people regard fetish fashion as exploitative and misogynistic, others interpret it as a positive Amazonian statement--couture Catwoman. But the connection between fashion and fetishism goes far

beyond a few couture collections. For the past thirty years, the iconography of sexual fetishism has been increasingly assimilated into popular culture. Before Michelle Pfeiffer's Catwoman, there was Mrs. Peel, heroine of the 1960s television show *The Avengers*, who wore a black leather catsuit modeled on a real fetish costume. Street styles like punk and the gay leatherman look also testify to the influence of fetishism. The concept of fetishism has recently assumed a growing importance in critical thinking about the cultural construction of sexuality. Yet until now no scholar with an in-depth knowledge of fashion history has studied the actual clothing fetishes themselves. Nor has there been a serious exploration of the historical relationship between fashion and fetishism, although erotic styles have changed significantly and sexual chic has become increasingly conspicuous. Cultural historian Valerie Steele has devoted much of her career to the study of the relationship between clothing and sexuality, and is uniquely qualified to write this book. Marshalling a dazzling array of evidence from pornography, psychology, and history, as well as interviews with individuals involved in sexual fetishism, sadomasochism, and cross-dressing, Steele illuminates the complex relationship between appearance and identity. Based on years of research, her book *Fetish: Fashion, Sex & Power* explains how a paradigm shift in attitudes toward sex and gender has given rise to the phenomenon of fetish fashion. Steele is to fetish dressing what Anne Rice is to vampires, writes Christa Worthington of *Elle* magazine, the intellectual interpreter of...wishes beyond our ken. According to Steele, fetishism shows how human sexuality is never just a matter of doing what comes naturally; fantasy always plays an important role. Steele provides provocative answers to such questions as: Why is black regarded as the sexiest color? Is fetishizing the norm for males? Does fetish fashion reflect a fear of AIDS? And why do so many people love shoes?

*Art Gallery Awakening* Nico Fox.2020-07-27 8th book in the Gay Public Sex Series Connor uses his body as an asset. He's been modeling at an art studio for two years and loves the extra cash. He has no hang-ups about exposure. But this modeling session is different. Dorian is a sexy avant-garde artist who teaches an introductory drawing class for gay men. He's willing to go further than other teachers would with his models. Give the students what they paid for, right? When Dorian sees that Connor will stretch the rules a bit while modeling, he asks him to be the subject for a new exhibit for an art gallery dedicated solely to gay sex. Dorian wants to paint Connor live in front of an adoring audience. Connor can't say no. Not only are Dorian's charms too irresistible to pass up, but the thought of taking his sexual liberation to the next level is enticing. But what does Dorian's live show really consist of? Find out in the latest from Nico Fox.

**Automotive Prosthetic** Charissa N. Terranova.2014-01-15 In the twenty-first century, we are continually confronted with the existential side of technology—the relationships between identity and the mechanizations that have become extensions of the self. Focusing on one of humanity's most ubiquitous machines, *Automotive Prosthetic: Technological Mediation and the Car in Conceptual Art* combines critical theory and new media theory to form the first philosophical analysis of the car within works of conceptual art. These works are broadly defined to encompass a wide range of creative expressions, particularly in car-based conceptual art by both older, established artists and younger, emerging artists, including Ed Ruscha, Martha Rosler, Richard Prince, Sylvie Fleury, Yael Bartana, Jeremy Deller, and Jonathan Schipper. At its core, the book offers an alternative formation of conceptual art understood according to technology, the body moving through space, and what art historian, curator, and artist Jack Burnham calls "relations." This thought-provoking study illuminates the ways in which the automobile becomes a naturalized extension of the human body, incarnating new forms of "car art" and spurring a technological reframing of conceptual art. Steeped in a sophisticated take on the image and semiotics of the car, the chapters probe the politics of materialism as well as high/low debates about taste, culture, and art. The result is a highly innovative approach to contemporary intersections of art and technology.

**Naked in the Gallery** Meeloo Gfeller.2012

*The Slave Gallery* Simon Grail.2019-10 A young, ambitious man gains total power over women! Danny Robinson comes to the Perridor Gallery with a photographic portfolio on his laptop which contains a fascinating but sinister kinetic image which bends women's minds to his will. Once exposed to it they will happily obey his slightest wish, however intimate, humiliating or painful. Soon attractive gallery owner Minerva Duncan and her assistant Tami James become totally subservient to his desires, and as his sex slaves they begin to help him realize his perverted plan: to stage the ultimate obscene portfolio show. Once he has made the gallery his base of operations, Danny extends his mastery over other women. He takes over local health club manager Sandra Hall, who he instils with an unnatural love for chains, and pretty, naïve, aspiring model Deborah Cook, who must run a race of tears and suffering for Danny's art. Next, Danny gets a pair of his women to re-enact the story of Little Red Riding hood with a carnal man-wolf and subjects another woman to a conditioning programme that renders her perfectly obedient and submissive. Then he stages an electric boxing contest with naked contestants who have captive partners mounted on display in their corners who are intimately connected to them and share their anguish in the ring. Attractive teacher Millicent Howells is the next to fall under Danny's influence and through her he extends his power to her exclusive summer school for girls who need extra tutoring to re-take their A-levels. Soon he is the new Master of Discipline and he introduces a scandalous school uniform and the practice of chaining girls to their desks until they learn their lessons. He then stages a naked sports day with sexual events that lead to pain, shame and multiple orgasms. Everything culminates in Danny's gallery show, in which celebrity beauty Trina Delray is subjected to prolonged public degradation in a bizarre sex orgy. But the final outcome is not quite what any of them anticipated...

The Wild World of Betty Page Stephen Pentacoste.2016-10 Irving Klaw was the legendary New York-based mail order merchant who from 1949 onwards produced thousands of films, photographic sets and printed booklets based on themes of fetishism, bondage, and sado-masochism. Although Klaw's most enduring artistic legacy arguably lies in his pioneering publishing work in the field of bondage illustration, he will always be best-known for his discovery and promotion of the iconic bondage model who went on to be famous throughout the cool world -- Betty Page. Through thousands of BDSM-themed photographs, as well as numerous short films, Page would become not only the superstar of the Klaw catalogue but, retrospectively, the most iconic fetish model of all time. THE WILD WORLD OF BETTY PAGE gathers together 80 classic photographs of Page, never before published in a single volume, which cover almost every aspect of her modelling work with Klaw. From sexy pin-ups in lingerie and fetish-wear to more intense scenes of sado-masochism, bondage, spanking and cat-fights, this anthology presents the essential Betty Page. The photographs selected also feature many of Klaw's other regular bondage models.

**Psycho Girls in Bondage** Stephen Pentacoste.2015-07 Irving Klaw was the legendary New York-based mail order merchant who, between around 1949 and his eventual prosecution for obscenity in 1966, produced thousands of films, photographic sets and printed booklets based on themes of fetishism, bondage, and sado-masochism. Although best-known for his discovery and promotion of the iconic bondage model Betty Page, Klaw's greatest legacy undoubtedly lies in his pioneering publishing work in the field of bondage illustration. Klaw's earliest bondage art series -- which he published as photographs in sets of episodes -- were mostly themed around images of girls fighting. But Klaw's activities soon attracted other artists, such as Eric Stanton and Gene Bilbrew (Eneq), who offered work more firmly based on bondage, restraint, and cruelty. The popularity of this type of art was quickly established, and Klaw went on to produce dozens of sets by a whole range of like-minded artists throughout the 1950s. PSYCHO GIRLS IN BONDAGE is a new anthology which collects some of the most outstanding examples of bondage art and fiction originally published by Klaw. The featured artists are Stanton, Eneq, Jim, Ruiz, and Dixon, all stalwarts of Klaw's bondage-art catalogue. The book includes over 200 images. Klaw Klassix is a new illustrated book series of classic non-nude erotic art and fiction, dedicated to preserving and presenting the very best works originally published by Irving Klaw.

**Bound to Please: A Gallery Girls Collection** .2008-04 Nothing says I love you more than a friendly squeeze. And what's nicer than a hug from your best pal? Then what's so wrong about introducing a little rope to the situation? A few chains? A shiny pair of handcuffs? Between two (sometimes more) consenting and semi-nude young ladies, it's practically a love-fest! In this newest Gallery Girls collection, Bound To Please takes a provocative peek at the leather and latex crowd, and all the knots and locks that keep these fetish-fans coming back for more! Kinky and constricted illustrations by such naughty notables as Pedro Cuevas, Anibal Maraschi, Perla Pilucki, Federico Ossio, J.L. Czerniawski, and many others. Cover painting by David Dunstan.

Undressed .2011-11-01 Creator of the much-beloved (and highly dangerous) Magenta, artist Nik Guerra takes a break from telling torrid tales of sex and intrigue, and instead throws his famous ladies into the dressing room. The resulting fashion show is both revealing and kinky! Magenta, Lucrezia, and Coco Von Sade are dressed (or undressed) for excess!

Kinky Nature Emma Delves-Broughton.2010 Kinky Nature draws you into a dream forest, teeming with the kinkiest beauties in the land. Explore the wild side of these enchanting girls, whether they're lost in latex or wandering the forest naughtily nude. Fetish and frivolity come together leaving everything and nothing to the imagination. The sultry style of Emma Delves-Broughton's satiates your desire for wild abandonment and kinky natures. Emma Delves-Broughton has always had an uncompromising eye, and this time she's trained it on the kinkiest girls this enchanted forest has to offer. The unrestrained (except when they're physically restrained) beauties are a testament to pure pleasure. Kinky Nature is tantalizing, steamy and seductive. What would you do if you were to suddenly come across a sensuous girl passively saran wrapped to a fallen tree in the forest? Emma Delves-Broughton teases us with this and other fantasies; a vampy vixen sprawled bare skinned and exposed, a kinky creature coyly shows off her wears, attired in nothing but red latex panties. These beauties tantalizingly lead you deeper and deeper into their kinky natures. Emma is a rare kind of photographer, managing to put the model at ease, regardless of the position. Although she started in black and white using a variety of techniques, including hand tinting and toning, she later branched out to color photography. All of the photos were shot deep in the drizzly forests of the UK. This was no warm and cozy studio shoot! Privacy was hard to come by, and more than once the models found themselves being observed by onlookers other than Emma. Kinky Nature offers bold colors, kinky costumes and of course, lascivious ladies. The damp greens and rough textures of the forest contrast with the delicate skin of the models; aside from their perfect skin, there's nothing delicate about these girls. Their teasing and lustful gazes will pull you into their fantasies. With a mix of latex and lace and sometimes nothing at all, the sirens live and breathe off the page. This book is dangerously seductive; you won't want to put it down!

Undressing Mercy Deanna Lee.2005-03 In order to get hot new artist Shamus Montgomery, who is known for his erotic sculptures, to show his pieces at her Boston art gallery, Mercy Rothell must pose for him in the nude, a deal that leads to mutual satisfaction. Original.
