**My Pain, Your Pain** Ambrose Bruce Chimbganda.2018-04-04 My Pain, Your Pain is a scintillating poetry book consisting of fifty-four poems that are written from the bottom of the heart. The poems cover a range of universal themes such as human pain, oppression, suffering, nature's lamentations, African consciousness, and whispering voices. The poems are living stories about the trials and tribulations of mankind in our contemporary world; and in some ways, they portray a pathetic lack of restraint in our power relations. No doubt some of the poems prick our conscience, evoke our sense of guilt, court our sympathy, raise our levels of consciousness, shake the very foundations of our values, and at the same time give us hope in the midst of despair. The book is thoroughly captivating, ensnaring, and intoxicating, which breathes fresh air in a world fixated on science and technology.

**The Old Man and the Medal** Ferdinand Oyono.2013-08-13 Writing in French in the 1950s, Ferdinand Léopold Oyono (1929–2010) had only a brief literary career, but his anticolonialist novels are considered classics of twentieth-century African literature. Like Oyono's *Houseboy*, also available from Waveland Press, this novel fiercely satirizes the false pretenses of European colonial rule in Africa. Meka, a village elder, has always been loyal to the white man. It is with pride that he first hears he is to receive a medal. While waiting for the ceremony, however, Meka's pride gives way to skepticism. At the same time, his wife has realized that the medal is being given to her husband as compensation for the sacrifices they have made. The events following the ceremony

confirm Meka's new estimation of the white man. Both subtle and oftentimes humorous, this beautifully told story lays bare the hollowness of the mission in Africa. It fuels opportunities for discussing colonial politics around class and race as well as for exploring indigenous Cameroon life and values.

**The Stories Behind My Scars** Thulisile P. Mbatha.2021-03 Thousands of people all over the world live with depression and are afraid of asking help, so many people smile and laugh to cover up all the pain buried deep inside them. Poetry was a way for me to express my emotions, each poem has its own story to tell, from happiness, family, friends, depression, love to death. I want to spread awareness that depression is real and that people who cut themselves and commit suicide do that for a good reason, they don't just do it because they want to but because of the emotional pain they feel inside of them. Poetry is an easy way for one to express their emotions. It brings inner peace to one's soul. In poetry I found a person to talk to and communicate with about my emotions and I know they are thousands of people who are going through the same thing. No matter how hard life can get always remember one thing, You are worth it and never change who you are for someone else.

Breaking Out a Cry for More Lesley Mukwada.2018-11-28 What usually starts is pain, often our spirits cannot contain it, and we become angry all the time. Our anger bores our prejudices which give birth to even more pain. This becomes a toxic cycle which can only be broken through a shift of mindset. Accepting our pains or sources of pain, opens doors to healing, faith, hope and joy. These come in ways we never expect them to; a bird singing could be the sign you needed to see in order

to have hope. Breaking out a cry for more is a poetry collection about the many aspects of humanity, or the lack of thereof. It is divided into five sections: pain, prejudice, acceptance, hope and joy. In the first section, pain, which explores different kinds of pains humanity is living with, ranging from physical abuse, racism, love, rejection and death. In the first poem, Fire, it shows how we often feel the need to fill the emptiness of others materialistically even though what they need is not tangible. Some things we lose but we can never get them back and we have to live with the loss forever. It is not just our personal losses which hurt us, but also of those we love. It is so easy to be angry after experiencing so much pain, that we begin to look at others, no longer with love but with preconceived judgements. In the second sections, various prejudices are revealed which have become our norms. We live in a misogynistic, racist, body shaming, religious, and selfish world. In the poems, When men used to be gods and Bag of dicks, it talks about the injustice women have had to endure at the hands of the men they trust and love. Being treated as part of the furniture and never having to be respected and appreciated, or at the least being left alone. The blind faith of religious people is constantly exploited by greedy and selfish people, who have made other human beings their gods. The last poem in this section, talks about the recourse of women to the oldest profession in the history to better themselves. Despite the pain and the prejudice we live in, acceptance is necessary in order to move forward. Acceptance of your true self; your pain, rejection and love leads to the realisation of completeness, despite not having all we think we deserve. In this third section, one the poems, The blackness of my blackness, which exudes a paradigm shift in the perception of blackness. The pain of being a black person is superseded with the celebration of all that is good and true. The pain in love is accepted in the poems, Broken and We are written in the stars. Both self-love and an embrace of existing together, without the need for perfection can bring

Hope. It is this hope that makes us to love again, want to grow and shine, and become all that we can be. In this fourth and fifth sections, a new hope is seen, dreams begin to show up again. Nothing becomes impossible and there even a glimmer of Joy in places no one ever pictured. Despite the existence of our pain and prejudices, when we accept everything and have a change of mindset, we can eventually see the light, the way out of our demise.

*Building the Nation and Other Poems* Christopher Henry Muwanga Barlow.2000 Crafted with rare wit and humour, the poems in this book deal with a diverse range of themes such as political opportunism and sycophancy, war, the baffling paradox of god, the enchanting richness and beauty of nature, and the fascinating yet sadly agonising and intractable nature of love. Spanning decades of experience and deep reflection by a veteran poet, this collection offers fresh and enriching insights into subjects that are of interest and concern to us all.

*Africans in Exile* Nathan Riley Carpenter,Benjamin N. Lawrance.2018-09-10 “This rich volume will interest scholars and students of Africa, the African diaspora, world history, legal history, and international affairs.” —Lorelle Semley, author of *To Be Free and French: Citizenship in France’s Atlantic Empire* The enforced removal of individuals has long been a political tool used by African states to create generations of asylum seekers, refugees, and fugitives. Historians often present such political exile as a potentially transformative experience for resilient individuals, but this reading singles the exile out as having an exceptional experience. This collection seeks to broaden that understanding within the global political landscape by considering the complexity of the experience

of exile and the lasting effects it has had on African peoples. The works collected in this volume seek to recover the diversity of exile experiences across the continent. This corpus of testimonials and documents is presented as an “archive” that provides evidence of a larger, shared experience of persecution and violence. This consideration reads exiles from African colonies and nations as active participants within, rather than simply as victims of, the larger global diaspora. In this way, exile is understood as a way of asserting political dissidence and anti-imperial strategies. Broken into three distinct parts, the volume considers legal issues, geography as a strategy of anticolonial resistance, and memory and performative understandings of exile. The experiences of political exile are presented as fundamental to an understanding of colonial and postcolonial oppression and the history of state power in Africa.

Tony Harrison Neil Astley.1991 Tony Harrison is 'a major dramatic poet' (TLS), 'our finest theatrical translator' (The Times) and 'the greatest modern theatrical poet' (Punch). Like Brecht, Harrison is

both a major social poet and an innovative dramatist. In his work for theatre, opera and television he has extended the Brechtian tradition of music theatre. This is the first critical guide to the work of Tony Harrison, and covers his poetry, translations, theatre and television work: Essays and articles by leading writers and critics: Jonathan Barker, Rosemary Burton, Maureen Duffy, Douglas Dunn, Peter Forbes, Damian Grant, Romana Huk, Peter Levi, Marianne McDonald, Blake Morrison, Oswyn Murray, Bernard O'Donoghue, Rick Rylance, Carol Rutter, Oliver Taplin, Jeffrey Wainwright, Ken Worpole, Alan Young and others. A Walk in the Night Alex La Guma.1968 Of French and Malagasy stock, involved in South African politics from an early age, Alex La Guma was arrested for treason with 155 others in 1956 and finally acquitted in 1960. During the State of Emergency following the Sharpeville massacre he was detained for five months. Continuing to write, he endured house arrest and solitary confinement. La Guma left South Africa as a refugee in 1966 and lived in exile in London and Havana. He died in 1986. A Walk in the Night and Other Stories reveals La Guma as one of the most important African writers of his time. These works reveal the plight of non-whites in apartheid South Africa, laying bare the lives of the poor and the outcasts who filled the ghettos and shantytowns.

*Poems of Childhood Pain* Kenzo Amariyo.2019-12-13 This is a tiny book with a huge message and I dedicate this book to all the clients I have counselled for sexual, mental, physical and emotional abuse. I write this as a reminder that you are not alone, that many other women, men and children have sadly walked in your shoes. I write this poetry book in hope that it will help to make abuse more seen and more talked about rather than hid like a dirty rag under the carpet. When light is shone in the darkness, we can all see what is there, when we become conscious of the things we don't know exist, we can then choose to either turn a blind eye or stand up and rally against it. This is my way of standing up for you all and rallying against abuse because no-one deserves to be abused - not even you. I wish you all well on your individual journeys through all the hate, blame,

low self-esteem; through all the un-forgiveness, the suicidal thoughts and intentions and all the rest of the negative emotions that threaten to, and often do overwhelm you. I wish you all well as you pass through the stages of grief and eventually reach a place of acceptance; not acceptance that makes it ok, but an acceptance of what happened has happened. I wish you all well as you all embark on a journey of healing. Your story and healing will be the medicine many others need - don't feel ashamed to share it. Remember: You are not alone, you are never alone and you still are the beautiful flower you once knew you were, you just need to find your way of making the sun shine again in your own life. Sharing your pain has helped me to grow in understanding and wisdom, and for that I am eternally grateful. I have heard your pain, seen your pain and felt your pain. We have talked together and at times cried together and although I may no longer be physically present in your life, I will always carry you in my heart. Always Walk In Peace - Kenzo

**Voices from an Empire** Russell G. Hamilton.1975-07-24 Voices From an Empire was first published in 1975. Minnesota Archive Editions uses digital technology to make long-unavailable books once again accessible, and are published unaltered from the original University of Minnesota Press editions. The literature of the various regions of Lusophone Africa has received relatively little critical attention compared with that which has been focused on the work of writers in the English- and French- speaking countries of Africa. With the profound changes which are occurring in the

social and political structures of Lusophone Africa, there is particular need for the comprehensive look at Afro-Portuguese literature which this account provides. Professor Hamilton traces the development of this literature in the broad perspective of its social, cultural, and aesthetic context. He discusses the whole of the Afro-Portuguese literary phenomenon, as it occurs on the Cape Verde archipelago, in Guinea-Bissau, on the Guinea Gulf islands of Sao Tome and Principe, in Angola, and in Mozambique. In an introduction he discusses some basic questions about Afro-Portuguese literature, among them, the matter of a definition of this body of writing, the implications of the concept of negritude, the role of Portugal and Brazil in Afro-Portuguese literature, and the social and cultural significance of the dominant literary themes found in the various regions of Lusophone Africa. Because he sees the regionalist movement in Angola as the most significant in terms of a neo-African orientation, he begins the book with an extensive study of the literature of that country. Many examples of afro-Portuguese poetry are given, both in the original language and in the English translation. There is a bibliography, and a map shows the African regions of study.

**Love and Revolution in the Twentieth-Century Colonial and Postcolonial World G.**

Arunima,Patricia Hayes,Premesh Lalu.2021-10-27 This book addresses emancipatory narratives from two main sites in the colonial world, the Indian and southern African subcontinents. Exploring how love and revolution interrelate, this volume is unique in drawing on theories of affect to interrogate histories of the political, thus linking love and revolution together. The chapters engage with the affinities of those who live with their colonial pasts: crises of expectations, colonial national convulsions, memories of anti-colonial solidarity, even shared radical libraries. It calls attention to the specific and singular way in which notions of 'love of the world' were born in a precise moment of anti-colonial struggle: a love of the world for which one would offer one's life, and for which there had been little precedent in the history of earlier revolutions. It thus offers new ways of understanding the shifts in global traditions of emancipation over two centuries.

**I Share Your Pain I Share Your Shame** Deadra Fofana.2012-03 I could have been in a place of no return; I could have let life's hardships keep me from my hopes and dreams. I could have never overcome depression and its constant mind games. I could have let what others thought of me, and where they thought I should be destroying my strength and my will to one day succeed. I could have lost it all, even my greatest treasures, my true gifts; my children and all the joy that came with them. But, I am here throughout all my struggles and my inner pain. I fought through all my shame and as long as God gives me breath to see another day, I will continue to fight the silent demons that make me feel so alone. The demons that make me feel unwanted and sometimes less. For so long I thought I was alone and I was so weak. But, you never know how strong you are until you hit that point in life, where you hurt so much that it takes complete control and giving up is all you know. Then you drop to your knees and without saying a word, that pain you felt so deep inside is lifted at that moment and then you know that you were never alone. That Jesus was always right by my side, and he will always carry me when I can't carry myself. With faith you too can survive life's pain. It's so much pain in the world and so many of us hide behind that pain. We try to hide it so deep inside of us that sometimes it gets so hard to keep our pain hid and it turns into hate and self destruction. We turn to drugs, and gangs for family replacement looking for someone, are some kind of way out of the pain. Reaching for answers, are a cure to heal our mistakes and our confusion. My book was not written to hurt, but so that you can know that you are not alone and if you have not been through something; so many have and they are still trying to fight their demons. Someone told me my book is of misery; no it's a book of truth that keeps too many in pain. By reading and knowing that it is happening next door, down the street and sad to say maybe right in your own home. Sadness keeps us locked away and the shame that we feel from the pain that we caused and that others have

caused us keeps us from living our lives to the fullest of our ability. But, writing what I felt and have seen throughout my life has set me free. Because when you don't know you can't help and the only thing that has helped me to deal with my pain was keeping my faith and knowing that even though there is pain and hardship that it won't last forever. God brought me out of my pain and he will do the same for you. So, thank you for purchasing are reading my book; I hope I have reached if not all but, maybe that one right person.

Imbuga.1987 Betrayal in the City, first published in 1976 and 1977, was Kenya's national entry to the Second World Black and African Festival of Arts and Culture in Lagos, Nigeria. The play is an incisive, thought-provoking examination of the problems of independence and freedom in post-colonial African states, where a sizeable number of people feel that their future is either blank or bleak. In the words of Mosese, one of the characters: It was better while we waited. Now we have nothing to look forward to. We have killed our past and are busy killing our future.--

However, when downloading books from Amazon, you may have to pay for the book unless you're a member of Amazon Kindle Unlimited. Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four

stars).Authorama.com features a nice selection of free books written in HTML and XHTML, which basically means that they are in easily readable format. Most books here are featured in English, but there are quite a few German language texts as well. Books are organized alphabetically by the author's last name.

Authorama offers a good selection of free books from a variety of authors, both current and classic.After you register at Book Lending (which is free) you'll have the ability to borrow books that other individuals are loaning or to loan one of your Kindle books. You can search through the titles, browse through the list of recently loaned books, and find eBook by genre.
