Bigger Than a Dream Jef Aerts.2020-11-03 People fear death. We don't know how to talk about it, especially to children, and we're afraid to bring it up for fear of making people sadder. Yet children, especially, have questions, and this incredibly gentle and surprisingly light story is full of both comfort and vividly imagined answers. The first one gives the book its title: A boy hears the voice of his sister calling him one day, a sister he's never met because she died before he was born. The sister in the faded photograph on the wall. So that night he asks his mother what death is like and she tells him, It's like dreaming, only bigger. That's lovely, but he still has questions, which it turns out his sister can answer! On a dreamy, carefree adventure they ride their bikes together, (not always on the ground), visiting places that were special to her when she was alive. And she talks to him in the older sister, teasing, straightforward, loving way that is exactly what he needs. (It turns out that death is not the only thing that can be Bigger Than a Dream.) Much, much more than bibliotherapy, this is a work of art that speaks with honesty and tenderness about one of life's great mysteries.

The Secret Sky Atia Abawi.2015-06-02 An eye-opening, heart-rending tale of love, honor and betrayal from veteran foreign news correspondent Atia Abawi Fatima is a Hazara girl, raised to be obedient and dutiful. And the story that follows shows both the beauty and the violence in current-day Afghanistan as Fatima and Samiullah fight their families, their cultures and the Taliban to stay together. Based on the people Atia Abawi met and the events she covered during her nearly five years in Afghanistan, this stunning novel is a must-read for anyone who has lived during America's War in Afghanistan. Perfect for fans of Patricia McCormick, Linda Sue Park, and Khaled Hosseini, this story will stay with readers for a long time to come. * "A suspenseful, enlightening, and hopeful love story." Beach Town Mary Kay Andrews.2015-05-19 Greer Hennessy is a struggling movie location scout. Her last location shoot ended in disaster when a film crew destroyed property on an avocado grove.

And Greer ended up with the blame. Now Greer has been given one more chance—a shot at finding the perfect undiscovered beach town for a big budget movie. She zeroes in on a sleepy Florida panhandle town. There's one motel, a marina, a long stretch of pristine beach and an old fishing pier with a community casino—which will be perfect for the film's climax—when the bad guys blow it up in an all-out assault on the townspeople. Greer slips into town and is ecstatic to find the last unspoiled patch of the Florida gulf coast. She takes a room at the only motel in town, and starts working her charm. However, she finds a formidable obstacle in the town mayor, Eben Thindeaux. Eben is a born-again environmentalist who's seen huge damage done to the town by a huge paper company. The bay has only recently been re-born, a fishing industry has sprung up, and Eben has no intention of letting anybody screw with his town again. The only problem is that he finds Greer way too attractive for his own good, and knows that her motivation is in direct conflict with his. Will true love find a foothold in this small beach town before it's too late and disaster strikes? Told with Mary Kay Andrews inimitable wit and charm, the New York Times bestseller Beach Town is this year's summer beach read!
