Our Mutual Friend Charles Dickens.1869

Hard Times Charles Dickens.2015-04-28 Dickens' satirical indictment of 19th century Utilitarianism “Do the wise thing and the kind thing too, and make the best of us and not the worst.” — Charles Dickens, *Hard Times* *Hard Times* by Charles Dickens is his most unusual novel. It is substantially shorter than his others and is not set in London, but in a fictitious mil-town named Coketown. The novel follows the life of the young people and workers of Coketown as they seek to survive the utilitarian ideals manifest in the town. This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents. This eBook also contains a bonus book club leadership guide and discussion questions. We hope you'll share this book with your friends, neighbors and colleagues and can't wait to hear what you have to say about it. Xist Publishing is a digital-first publisher. Xist Publishing creates books for the touchscreen generation and is dedicated to helping everyone develop a lifetime love of reading, no matter what form it takes

Supermac D R Thorpe.2010-09-09 Great-grandson of a crofter and son-in-law of a Duke, Harold Macmillan (1894-1986) was both complex as a person and influential as a politician. Marked by terrible experiences in the trenches in the First World War and by his work as an MP during the Depression, he was a Tory rebel - an outspoken backbencher, opposing the economic policies of the 1930s and the appeasement policies of his own government. Churchill gave him responsibility during the Second World War with executive command as 'Viceroy of the Mediterranean'. After the War, in opposition, Macmillan was one of the principal reformers of the Conservatives, and after 1951, back in government, served in several important posts before becoming Prime Minister after the Suez Crisis. *Supermac* examines key events including the controversy over the Cossacks repatriation, the Suez Crisis, You've Never Had It So Good, the Winds of Change, the Cuban Missile Crisis and the Profumo Scandal. The culmination of thirty-five years of research into this period by one of our most respected historians, this book gives an unforgettable portrait of a turbulent age. Shortlisted for the Orwell Prize.

Charles Dickens's Our Mutual Friend Sean Grass.2017-05-15 Even within the context of Charles Dickens's history as a publishing innovator, *Our Mutual Friend* is notable for what it reveals about Dickens as an author and about Victorian publishing. Marking Dickens's return to the monthly number format after nearly a decade of writing fiction designed for weekly publication in *All the Year Round*, *Our Mutual Friend* emerged against the backdrop of his failing health, troubled relationship with Ellen Ternan, and declining reputation among contemporary critics. In his subtly argued publishing history, Sean Grass shows how these difficulties combined to make *Our Mutual Friend* an extraordinarily odd novel, no less in its contents and unusually heavy revisions than in its marketing by Chapman and Hall, its transformation from a serial into British and U.S. book editions, its contemporary reception by readers and reviewers, and its delightfully uneven reputation among critics in the 150 years since Dickens's death. Enhanced by four appendices that offer contemporary accounts of the Staplehurst railway accident, information on archival materials, transcripts of all of the contemporary reviews, and a select bibliography of editions, Grass's book shows why this last of Dickens's finished novels continues to intrigue its readers and critics.

Believers Lisa Wells.2021-07-20 An essential document of our time. —Charles D'Ambrosio, author of *Loitering In search of answers and action*, the award-winning poet and essayist Lisa Wells brings us *Believers*, introducing trailblazers and outliers from across the globe who have found radically new ways to live and reconnect to the Earth in the face of climate change We find ourselves at the end of the world. How, then, shall we live? Like most of us, Lisa Wells has spent years overwhelmed by increasingly urgent news of climate change on an apocalyptic scale. She did not need to be convinced of the stakes, but she could not find practical answers. She embarked on a pilgrimage, seeking wisdom and paths to action from outliers and visionaries, pragmatists and iconoclasts. *Believers* tracks through the lives of these people who are dedicated to repairing the earth and seemingly undaunted by the task ahead. Wells meets an itinerant gardener and misanthrope leading a group of nomadic activists in rewilding the American desert. She finds a group of environmentalist Christians practicing “watershed discipleship” in New Mexico and another group in Philadelphia turning the tools of violence into tools of farming—guns into ploughshares. She watches the world's greatest tracker teach others how to read a trail, and visits botanists who are restoring land overrun by invasive species and destructive humans. She talks with survivors of catastrophic wildfires in California as they try to rebuild in ways that acknowledge the fires will come again. Through empathic, critical portraits, Wells shows that these trailblazers are not so far beyond the rest of us. They have had the same realization, have accepted that we are living through a global catastrophe, but are trying to answer the next question: How do you make a life at the end of the world? Through this miraculous commingling of acceptance and activism, this focus on seeing clearly and moving forward, Wells is able to take the devastating news facing us all, every day, and inject a possibility of real hope. *Believers* demands transformation. It will change how you think about your own actions, about how you can still make an impact, and about how we might yet reckon with our inheritance.

A Companion to Charles Dickens David Paroissien.2008-04-15 A Companion to Charles Dickens concentrates on the historical, ideological, and social forces that defined Dickens's world. Puts Dickens's work into its literary, historical, and social contexts Traces the development of Dickens's career as a journalist and novelist Includes original essays by leading Dickensian scholars on each of Dickens's fifteen novels Explores a broad range of topics, including criticisms of his novels, the use of history and law in his fiction, language, and the effect of political and social reform Examines Dickens's legacy and surveys the mass of secondary materials that has been generated in response and reverence to his writing

The Theological Dickens Brenda Ayres,Sarah E. Maier.2021-11-18 This is the first collection to investigate Charles Dickens on his vast and various opinions about the uses and abuses of the tenets of Christian faith that imbue English Victorian culture. Although previous studies have looked at his well-known antipathies toward Dissenters, Evangelicals, Catholics, and Jews, they have also disagreed about Dickens' thoughts on Unitarianism and speculated on doctrines of Protestantism that he endorsed or rejected. Besides addressing his depiction of these religious groups, the volume's contributors locate gaps in scholarship and unresolved illations about poverty and charity, representations of children, graveyards, labor, scientific controversy, and other social issues through an investigation of Dickens' theological concerns. In addition, given that Dickens' texts continue to influence every generation around the globe, a timely inclusion in the collection is a consideration of the neo-Victorian multi-media representations of Dickens' work and his ideas on theological questions pitched to a postmodern society.

Our Mutual Friend Charles Dickens.1865

You Let Me In Camilla Bruce.2020-04-21 You Let Me In delivers a stunning tale from debut author Camilla Bruce, combining the sinister domestic atmosphere of Gillian Flynn's Sharp Objects with the otherworldly thrills of Neil Gaiman's The Ocean at the End of the Lane. Cassandra Tipp is dead...or is she? After all, the notorious recluse and eccentric bestselling novelist has always been prone to flights of fancy—everyone in town remembers the shocking events leading up to Cassie's infamous trial (she may have been acquitted, but the insanity defense only stretches so far). Cassandra Tipp has left behind no body—just her massive fortune, and one final manuscript. Then again, there are enough bodies in her past—her husband Tommy Tipp, whose mysterious disembowelment has never been solved, and a few years later, the shocking murder-suicide of her father and brother. Cassandra Tipp will tell you a story—but it will come with a terrible price. What really happened, out there in the woods—and who has Cassie been protecting all along? Read on, if you dare... At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A Thousand of the Best Novels Newark Public Library.1923

Dickens and Heredity G. Morgentaler.1999-11-10 Despite the modern obsession with genetics and reproductive technology, very little has been written about Dickens's fascination with heredity, nor the impact that this fascination had on his novels . Dickens and Heredity is an attempt to rectify that omission by describing the hereditary theories that were current in Dickens's time and how these are reflected in his fiction. The book also argues that Dickens jettisoned his earlier belief in the prescriptive and deterministic potential of heredity after Darwin published The Origin of the Species in 1859.

Dickens, Hard Times, Great Expectations, and Our Mutual Friend Norman Page.1979 Hard times - Great expectations - Our mutual friend.

Unsettled Accounts Simon J. James.2003-12-08 Simon J. James examines how Gissing's work reveals an unhappy accommodation with money's underwriting of human existence and culture, and how daily life in all its forms - moral, intellectual, familial and erotic - is transcended or made irrelevant by its commodification.

Our Mutual Friends Macmillan Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project

Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Our Mutual Friends Macmillan free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Our Mutual Friends Macmillan free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Our Mutual Friends Macmillan free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Our Mutual Friends Macmillan. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Our Mutual Friends Macmillan any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Our Mutual Friends Macmillan Books

1. Where can I buy Our Mutual Friends Macmillan books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
