We are a general bookseller, free access download ebook. Our stock of books range from general children's school books to secondary and university education textbooks, self-help titles to large of topics to read. ManyBooks is a nifty little site that's been around for over a decade. Its purpose is to curate and provide a library of free and discounted fiction ebooks for people to download and enjoy. You won't find fiction here - like Wikipedia, Wikibooks is devoted entirely to the sharing of knowledge. You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title. Just like with library books, when you check out an eBook from OverDrive it'll only be loaned to you for a few weeks before being automatically taken off your Kindle. You can also borrow books through their mobile app called Libby. However, Scribd is not free. It does offer a 30-day free trial, but after the trial you'll have to pay \$8.99 per month to maintain a membership that grants you access to the sites entire database of books, audiobooks, and magazines. Still not a terrible deal! Every day, eBookDaily adds three new free Kindle books to several different genres, such as Nonfiction, Business & Investing, Mystery & Thriller, Romance, Teens & Young Adult, Children's Books, and others. ManyBooks is another free eBook website that scours the Internet to find the greatest and latest in free Kindle books. Currently, there are over 50,000 free eBooks here. eBooks are available as PDF, EPUB, Kindle and plain text files, though not all titles are available in all formats.
