

Wisconsin Simply Beautiful

America the Beautiful R. Conrad Stein.1992 Introduces the geography, history, government, economy, industry, culture, historic sites, and famous people of the state which calls itself America's Dairyland.

Minnesota & Wisconsin Getting Started Garden Guide Melinda Myers.2013-09-01 DIVWritten by one of the region's most highly respected gardening experts, Minnesota & Wisconsin Getting Started Garden Guide is a plant recommendation guidebook geared exclusively toward gardeners located in these states. Author Melinda Myers shares her extensive gardening knowledge, highlighting her top picks for plants that will thrive in (or in spite of) the area's tough winters and other unique growing conditions, guaranteeing success for the gardener and home landscaper in Minnesota or Wisconsin./divDIV/divDIVFrom soil and water to fertilization and pest management, Minnesota & Wisconsin Getting Started Garden Guide addresses all the gardening topics of concern to Minnesota and Wisconsin gardeners. Featured plant categories discuss annuals, bulbs, ferns and groundcovers, ornamental grasses, perennials, roses, shrubs, trees, turfgrasses, and vines. Each plant is showcased with detailed photography; specific advice on how, when, and where to plant; growing tips, such as watering requirements; and descriptions of routine care. Alongside these "nitty-gritty" aspects of planting and growing, Myers shares her inspiration for garden design, the various ways you can beautifully incorporate plants into your landscape, and her favorite cultivars and species. With proven, practical instructions presented through gorgeous imagery and adapted specially for the Minnesota and Wisconsin climate, Minnesota & Wisconsin Getting Started Garden Guide is your ticket to successful planting—whether you're in the Badger

State or the Land of 10,000 Lakes./div

Wonderful Wisconsin .1978

Badger State of Mind Kelly Maddern.2012-12-05 While

Wisconsin's big cities and popular tourist attractions have a lot to offer its residents and tourists, this book focuses on the beauty, serenity, fun and way of life in Wisconsin's small towns and countryside. Badger State of Mind takes you off the beaten path to discover small businesses, unique destinations and the natural beauty of the state. Badger State of Mind is the first book published by Kelly Maddern. It was her love for photography, writing, road trips and getting lost on back roads that inspired her to put this book together. Over a period of approximately three years, Kelly, her husband and their two small children traveled throughout the state and spent countless hours in the car discovering all the treasures they could find. As you read the stories and look through the pictures, you will see that Wisconsin cannot be simply described. It is the sight of elusive wildlife, the mouth-watering smell of a Friday night fish fry, the sound of nature as you camp under the stars, the feel of the rippling river water through your feet, the taste of a grilled brat at a tailgate party... and so much more. This is the Badger State of Mind.

Explore Wisconsin Rivers Doris Green.2008 Shaped by massive walls of ice, they carried Indians and voyageurs through the forests and plains, and were the highways of settlement and commerce. Around them grew towns and cities that drew their lifeblood from the waters. Today, Wisconsin's rivers are still the

Wisconsin's Flying Trees in World War II Sara Witter

Connor.2014-02-18 A look at how the Wisconsin lumber industry and the U.S. Forest Products Laboratory contributed to Allied efforts in World War II. Wisconsin's trees heard "Timber" during World War II, as the forest products industry of the Badger State played a key role in the Allied aerial campaign. It was Wisconsin that provided the material for the De Havilland Mosquito, known as the "Timber Terror," while the CG-4A battle-ready gliders, cloaked in stealthy silence, carried the 82nd and 101st Airborne into fierce fighting throughout Europe and the Pacific. Author Sara Witter Connor follows a forgotten thread of the American war effort, celebrating the factory workers, lumberjacks, pilots, and innovative thinkers of the U.S. Forest Products Laboratory who helped win a world war with paper, wood, and glue.

Canoeing & Kayaking South Central Wisconsin Timothy

Bauer.2016-08-30 This authoritative guide to the waterways of Wisconsin presents many of the state's paddleable waterways in 60 paddling adventures that include everything from new maps and GPS coordinates to access points, river gauges, and mileages.

Wisconsin's Own Louis Wasserman.2010 These twenty homes, built between 1854 and 1939, represent the varied architecture in Wisconsin. They offer an intimate tour of residential treasures--built for captains of industry, a beer baron, Broadway stars, and more-- that have endured the test of time.

Our Country Home Frances Kinsley Hutchinson.2018-01-31 Excerpt from Our Country Home: How We Transformed a Wisconsin Woodland It seems an incredible thing now as I look back, to think I was once that narrow and ignorant and prejudiced Person Who Did Not want a Country House. Perhaps during all those obstinate years, my lucky star kept me from falling into suburban temptations and free from farming entanglements. I know one thought was always uppermost in our

*Downloaded from
gws.ala.org on*

minds, even before the If was exchanged for the When, in discussing this great and - to us - momentous undertaking. The woods, the Virgin Forest, must never be disturbed, not one brown leaf should be taken from its rich covering, not one weak seedling should be denied its growth, but just as we found it, in all its natural beauty, so it should remain. It almost seemed as if this particular bit of wild land in the midst of farms and clearings, on the shores of a beautiful lake, had been especially preserved during all those fallow years for our gratification, at least what harm if we thought so? No sheep or cattle had ever browsed there. The bent-down young sapling of the Indian trail was still Visible, the concave boulder where the women once ground their corn lay only half buried in the ground. In mossy hollows stood stiffly the moccasin flower, and the curious squaw-root grew Close to the Indian pipe. Wisconsin Farmers Union News .1916

The Wisconsin Supper Clubs Story Ron Faiola.2021-11-09 In *The Wisconsin Supper Clubs Story: An Illustrated History*, with Relish, the third in his popular series, Ron Faiola invites readers to pull up a chair as he regales us with more than a century of history behind this beloved dining tradition, guiding readers from London to Hollywood, to New York City, and finally, to his own

Downloaded from
gws.ala.org on

home state. The journey begins with the world's very first supper clubs, which emerged in London in the mid-1800s. The phenomenon was adopted by New York's restaurant and saloon owners in the late 1800s, and soon spread to suburban and rural areas. Across the United States, supper clubs enhanced culinary and dining traditions, and greatly influenced the evolution of live entertainment such as cabaret, comedy, and jazz, and dance crazes such as "The Charleston," "Turkey Trot," and the eyebrow-raising "Wiggle Wiggle." Faiola unfolds the history of Wisconsin's supper clubs with stories of its most iconic establishments, such as Ray Radigan's, Hoffman House, and Fazio's on Fifth. He reveals the remarkable durability of the supper club tradition as it withstood WWI, the 1918 Spanish flu pandemic, Prohibition, the Great Depression, WWII, as well as the mid-twentieth century advent of fast food franchises and casual dining chains. Through their innovation and determination, supper club owners and their staff have managed not only to survive, but to maintain generations-spanning restaurants that remain prominent features of their communities to this day. Bursting with full-color photographs, newspaper clippings, and first-hand interviews, *The Wisconsin Supper Clubs Story: An Illustrated History, with Relish* offers a hearty buffet of the history of Wisconsin's most iconic supper clubs and the folks who keep the cocktails poured, the relish trays fresh, and ensure there's always an open seat at the table.

Wisconsin River of Grace Kyle L. White. 2009 You'll never find a book that better describes Wisconsin than this one.-Dan Dieterich, University of Wisconsin-Stevens Point, Prof. of English Now is the time to read 'Wisconsin River of Grace'.-Door County Style magazine Ghosts and kielbasa. Wisconsin Day Trips by Theme Mary M. Bauer.2016-04-18

Wisconsin is famous for the Packers and homebrews, but the state offers so much more. This handy guide by Mary M. Bauer covers hundreds of unique attractions all around the Badger State. Take a simple day trip, or string together a longer vacation of activities that catch your interest. Sections are divided by themes like waterfalls, lighthouses and family days, so you can decide what to do and then figure out where to do it. No more information overload! Useful for singles, couples and families--visitors and residents alike--this great guide encompasses a wide range of interests.

Bright with Silver Kathrene Sutherland Gedney

Pinkerton.2019-11-22 *Bright with Silver*, first published in 1947, it has been nearly sixty years since Kathrene Pinkerton wrote *Bright with Silver*. This study of the famous Fromm brothers and their endeavor and persistence to breed a very rare and valuable type of fox would become a landmark history of American entrepreneurship. The simple beauty and elegance of the silver fox would be the fulfillment of the brothers' struggles to build a fur breeding empire. The story of the Fromm brothers that Pinkerton provides is a classic study of ingenuity and stick-to-itiveness that for so many years became a trademark of these four brothers. The intricate and complex history of their endeavors began with growing ginseng. This included intense observations of the plant that would provide the conditions, which eventually yielded abundant harvests that resulted in the necessary cash to start their fur business. Of course, the main story of Pinkerton is how the dreams of a perfect silver fox culture had overtaken the Fromm's possessions, thoughts and lives. The continual endeavor to find the right strain for their silver fox breed and their devotion to medical research that would ease the ravages of disease that

Downloaded from
gws.ala.org on

could plague these precious animals would be the story that Pinkerton does so very well. It is without doubt that these four brothers, Walter, Edward, John, and Henry brought to the central Wisconsin landscape a business enterprise that played a large part in the economic development of this part of the state. Their story has all the ingredients of imagination, creativity, and great business sense. This edition brings back the story of the Fromm brothers that has been long gone, and sorely missed from the Wisconsin literary scene. Included are 32 pages of photographs. Wisconsin Death Trip Michael Lesy.2016-08-15 First published in 1973, this remarkable book about life in a small turn-of-the-century Wisconsin town has become a cult classic. Lesy has collected and arranged photographs taken between 1890 and 1910 by a Black River Falls photographer, Charles Van Schaik.

Wisconsin Supper Clubs: Another Round

Ron Faiola.2016-06-14 Wisconsin Supper Clubs: Another Round, a sequel to author/photographer Ron Faiola's wildly popular first book on the topic (now in its sixth printing), gives readers a peek inside 50 additional clubs from across the Badger State. Traveling from the Northwoods to Beloit, Faiola documents some of the most exceptional and long-lived restaurants that embrace the decades-old supper club tradition. These are largely family-owned establishments that believe in old-fashioned hospitality, slow-paced dining, and good scratch cooking. In this guide, readers will find interviews with supper club proprietors and customers as well as a bounty of photographs of classic dishes, club interiors and other scenes from Faiola's extensive travels. Despite the chain restaurants that continue to dominate the culinary landscape, supper clubs across the Midwest are thriving today in many of the same ways as they have for the past 80 years. The term supper club has even been borrowed recently by the burgeoning underground restaurant scene, which champions an upscale-yet-communal dining experience similar to that offered by traditional supper clubs. Wisconsin Supper Clubs: Another Round

*Downloaded from
gws.ala.org on*

is a new, intimate look at this unique American tradition, one that invites supper club enthusiasts and newcomers alike to enjoy a second helping of everything that made Wisconsin Supper Clubs such a hit.

Annual Report of the Wisconsin State Horticultural Society
Wisconsin State Horticultural Society.1902

Wisconsin Supper Clubs Ron Faiola.2013-03-18 Wisconsin Supper Clubs is a resource for and about supper clubs throughout Wisconsin that includes beautiful photographs of the unique supper club interiors, proprietors, and customers, as well as fascinating archival materials. Also recorded in this book are the regional specialties served at these clubs, ranging from popovers and fried pickles in the northern part of the state to Shrimp de Jonghe in the south. One Northwoods supper club even features fry bread, a traditional Native American dish uncommon to most any restaurant. The supper club experience is a tradition embodied by many long-standing restaurants scattered throughout the small towns of Wisconsin. It is based around a bygone idea that going out to dinner is an experience that lasts an entire evening. The clubs emphasizing food made from scratch, slow-paced dining, and family-run businesses. Combine this with stately dark-panel decor, complimentary relish trays, and the best brandy Old Fashioned sweet you'll ever have, and you have barely scratched the surface of the Wisconsin supper club's appeal.

Author Ron Faiola is the critically acclaimed director and producer of the documentary by the same name. Supper clubs are hugely popular with Wisconsin locals and regularly frequented by all Midwestern foodies in the know. With Wisconsin Supper Clubs as a guide, these establishments are primed to be choice summer road trip destinations for anyone looking for low-cost vacations this summer. After the successful debut of Faiola's documentary, this book is sure to be a hit throughout the region and beyond.

Towns include Milwaukee, Sheboygan, Two Rivers, Grafton, Port Washington, Kenosha, Racine, Ephraim, Algoma, Cana Island, Sturgeon Bay, Oostburg, Manitowoc, Kewaunee, Gill's Rock, and Northport.

As Always, Julia Joan Reardon.2010-12-01 With her outsize personality, Julia Child is known around the world by her first name alone. But despite that familiarity, how much do we really know of the inner Julia? Now more than 200 letters exchanged between Julia and Avis DeVoto, her friend and unofficial literary agent memorably introduced in the hit movie *Julie & Julia*, open the window on Julia's deepest thoughts and feelings. This riveting correspondence, in print for the first time, chronicles the blossoming of a unique and lifelong friendship between the two

Downloaded from
gws.ala.org on

women and the turbulent process of Julia's creation of *Mastering the Art of French Cooking*, one of the most influential cookbooks ever written. Frank, bawdy, funny, exuberant, and occasionally agonized, these letters show Julia, first as a new bride in Paris, then becoming increasingly worldly and adventuresome as she follows her diplomat husband in his postings to Nice, Germany, and Norway. With commentary by the noted food historian Joan Reardon, and covering topics as diverse as the lack of good wine in the United States, McCarthyism, and sexual mores, these astonishing letters show America on the verge of political, social, and gastronomic transformation.

Wisconsin Travel Chad Clapper.2022-08-12 Wisconsin has several fantastic vacation spots with a diverse choice of activities, all set against the stunning background of the Badger State. You will not be disappointed whether you choose outdoor activities such as hiking, bicycling, fishing, or kayaking, or inside ones such as shopping, museums, and art galleries. We make it simple to plan your Escape to Wisconsin, from leisure activities to the next family-friendly excursion!

Return to Wake Robin Marnie O. Mamminga.2012-05-24 Five generations of Marnie O. Mamminga's family have been rejuvenated by times together in Wisconsin's Northwoods. In a series of evocative remembrances accompanied by a treasure trove of vintage family photos, Mamminga takes us to Wake Robin, the cabin her grandparents built in 1929 on Big Spider Lake near Hayward, on land adjacent to Moody's Camp. Along the way she preserves the spirit and cultural heritage of a vanishing era, conveying the heart of a place and the community that gathered there. Bookended by the close of the logging era and the 1970s shift to modern lake homes, condos, and Jet Skis, the 1920s to 1960s period covered in these essays represents the golden age of Northwoods camps and cabins—a time when retreats such as Wake Robin were the essence of simplicity. In *Return to Wake Robin*, Mamminga describes the familiar cadre of fishing guides

Downloaded from
gws.ala.org on

casting their charm, the camaraderie and friendships among resort workers and vacationers, the call of the weekly square dance, the splash announcing a perfectly executed cannonball, the lodge as gathering place. By tracing the history of one resort and cabin, she recalls a time and experience that will resonate with anyone who spent their summers Up North—or wishes they had.

Wisconsin Simply Beautiful Darryl R. Beers, R. J. Miller, Linda Miller. 2001-06 Scenic Wisconsin landscapes: rivers, glades, and waterfalls; farmsteads, lighthouses, and other historic buildings—all in brilliantly saturated color photographs. A beautiful album of 140 Badger State landscape photographs, from the Great Lakes to the Mississippi River.

Best Tent Camping: Wisconsin Kevin Revolinski, Johnny Molloy. 2018-06-05 Perfect Camping for You in Wisconsin! The Badger State provides a spectacular backdrop for some of the most scenic campgrounds in the country. But do you know which campgrounds offer the most privacy? Which are the best for first-time campers? Veteran outdoors writers Kevin Revolinski and Johnny Molloy have traversed the entire state—from the shores of Lake Superior to the surprisingly hilly terrain of Sidie Hollow—and compiled the most up-to-date research to steer you to the perfect spot! Best Tent Camping: Wisconsin presents 50 private, county and state park, and lakeside campgrounds, organized into four distinct regions. Selections are based on location, topography, size, and overall appeal, and every site is rated for beauty, privacy, spaciousness, safety and security, and cleanliness—so you'll always know what to expect. The new full-color edition of this proven guidebook provides everything you need to know, with detailed maps of each campground and key information such as fees, restrictions, dates of operation, and facilities, as well as driving directions and GPS coordinates. Whether you seek a quiet campground near a fish-filled stream or a family campground with all the amenities, grab Best Tent
