Warren Buffett: the Life, Lessons and Rules for Success Influential Individuals.2017-07-15 Warren Buffett: The Life, Lessons & Rules For Success He's been consistently voted one of the wealthiest people in the world. Time Magazine also voted him as one of the most influential people in the world; widely considered to be the most successful investor of the entire 20th century. In short, Warren Buffett is a boss. The man knows a thing or two about success. With a net worth of \$77.1 billion, the billionaire investor's fabled business acumen has inspired everything from investment books to college courses. He is known to favor long-term investment strategies, like dollar cost averaging, which encourages the regular purchase of the same investment over time. He also has long-standing holdings in the Coca-Cola Company, Apple, and American Express among others. His now infamous letters to Berkshire Hathaway shareholders help shed light into how the man they call the Oracle of Omaha, reads the tealeaves. This book takes a look at Buffett's life. From humble beginnings in Omaha, up to present day where the 86 year old is still going strong. We take a look at his first taste of business at the ripe old age of 6, following on with his major successes and failures along the way. The aim of this book is to be educational and inspirational with actionable principles you can incorporate into your own life straight from the great man himself. \*INCLUDING\* 25 Most Memorable Quotes & 15 Success Principles to Live by Don't wait, grab your copy today!

**Damn Right!** Janet Lowe.2000-10-30 Das einzige Buch, das einen der geheimnisvollsten Anleger im Investmentgeschäft portraitiert: Charlie Munger - der Kopf, der hinter Investmentguru Warren Buffett stand. Geschrieben von Janet Lowe, berühmte Autorin der WILEY Speaks-Bestsellerreihe. Sie hat hier eine faszinierende Verbindung von Geschäftsphilosophie, und Biographie geschaffen, eine einzigartige Kombination aus Mungers Witz, Humor, Know-How und Erfolg. Offenbart werden auch die Taktiken und Techniken dieses wenig bekannten, aber au?erst einflu?reichen Finanzgenies und Lehrmeisters von Warren Buffett. Ein Buch zum Verschenken schon!

*The Snowball* Alice Schroeder.2009-09-16 Shortlisted for the Financial Times and Goldman Sachs Business Book of the Year Prize 2008 The Snowball is the first and will be the only biography of the world's richest man, Warren Buffett, written with his full cooperation and collaboration. Combining a unique blend of The Sage of Omaha's business savvy, life story and philosophy, The Snowball is essential reading for anyone wishing to discover and replicate the secrets of his business and life success. Warren Buffett is arguably the world's greatest investor. Even as a child he was fascinated by the concept of risk and probability, setting up his first business at the age of six. In 1964 he bought struggling Massachusetts textile firm Berkshire Hathaway and grew it to be the 12th largest corporation in the US purely through the exercise of sound investing principles - a feat never equalled in the annals of business. Despite an estimated net worth of around US\$62 billion, Buffett leads an intriguingly frugal life taking home a salary of only £50,000 a year. His only indulgence is a private jet, an extravagance he wryly acknowledges by calling it The Indefensible. In 2006, he made the largest charitable donation on record, with most of it going to the Bill & Melinda Gates Foundation. The Snowball provides a comprehensive, richly detailed insight one of the world's most extraordinary and much loved public figures.

**Poor Charlie's Almanack** Charles T. Munger.2023-12-05 From the legendary vice-chairman of Berkshire Hathaway, lessons in investment strategy, philanthropy, and living a rational and ethical life. "Spend each day trying to be a little wiser than you were when you woke up," Charles T. Munger advises in Poor Charlie's Almanack. Originally published in 2005, this compendium of eleven talks delivered by the legendary Berkshire Hathaway vice-chairman between 1986 and 2007 has become a touchstone for a generation of investors and entrepreneurs seeking to absorb the enduring wit and wisdom of one of the great minds of the 20th and 21st centuries. Edited by Peter D. Kaufman, chairman and CEO of Glenair and longtime friend of Charlie Munger—whom he calls "this generation's answer to Benjamin Franklin"—this abridged Stripe Press edition of Poor Charlie's Almanack features a brand-new foreword by Stripe cofounder John Collison. Poor Charlie's Almanack draws on Munger's encyclopedic knowledge of business, finance, history, philosophy, physics, and ethics—and more besides—to introduce the latticework of mental models that underpin his rational and rigorous approach to life, learning, and decision-making. Delivered with Munger's characteristic sharp wit and rhetorical flair, it is an essential volume for any reader seeking to go to bed a little wiser than when they woke up.

**Invested** Danielle Town, Phil Town.2019-03-05 In this essential handbook—a blend of Rich Dad, Poor Dad and The Happiness Project—the co-host of the wildly popular InvestED podcast shares her yearlong journey learning to invest, as taught to her by her father, investor and bestselling author Phil Town. Growing up, the words finance, savings, and portfolio made Danielle Town's eyes glaze over, and the thought of stocks and financial statements shut down her brain. The daughter of a successful investor and bestselling financial author of Rule #1, Phil Town, she spent most of her adult life avoiding investing—until she realized that her time-consuming career as lawyer was making her feel anything but in control of her life or her money. Determined to regain her freedom, vote for her values with her money, and deal with her fear of the unpredictable stock market, she turned to her father, Phil, to help her take charge of her life and her future through Warren Buffett-style value investing. Over the course of a year, Danielle went from avoiding everything to do with the financial industrial complex to knowing exactly how and when to invest in wonderful companies. In *Invested*, Danielle shows you how to do the same: how to take command of your own life and finances by choosing companies with missions that match your values, using the same gold standard strategies that have catapulted Warren Buffet and Charlie Munger to the top of the Forbes 400. Avoiding complex math and obsolete financial models, she turns her father's investing knowledge into twelve easy-to-understand lessons. In each chapter, Danielle examines the investment strategies she mastered as her increasing know-how deepens the trust between her and her father. Throughout, she streamlines the process of making wise financial decisions and shows you just how easy—and profitable—investing can be. Capturing a warm, charming, and down-to-earth give and take between a headstrong daughter and her mostly patient dad, *Invested* makes the complex world of investing simple, straightforward, and approachable, and will help you formulate your own investment plan—and foster the confidence to put it into action.

**Invested** Danielle Town, Phil Town.2018-03-27 In this essential handbook—a blend of *Rich Dad, Poor Dad* and *The Happiness Project*—the co-host of the wildly popular InvestED podcast shares her yearlong journey learning to invest, as taught to her by her father, investor and bestselling author Phil Town. Growing up, the words finance, savings, and portfolio made Danielle Town's eyes glaze over, and the thought of stocks and financial statements shut down her brain. The daughter of a successful investor and bestselling financial author of *Rule #1*, Phil Town, she spent most of her adult life avoiding investing—until she realized that her time-consuming career as lawyer was making her feel anything but in control of her life or her money. Determined to regain her freedom, vote for her values with her money, and deal with her fear of the unpredictable stock market, she turned to her father, Phil, to help her take charge of her life and her future through Warren Buffett-style value investing. Over the course of a year, Danielle went from avoiding everything to do with the financial industrial complex to knowing exactly how and when to invest in wonderful companies. In *Invested*, Danielle shows you how to do the same: how to take command of your own life and finances by choosing companies with missions that match your values, using the same gold standard strategies that have catapulted Warren Buffett and Charlie Munger to the top of the Forbes 400. Avoiding complex math and obsolete financial models, she turns her father's investing knowledge into twelve easy-to-understand lessons. In each chapter, Danielle examines the investment strategies she mastered as her increasing know-how deepens the trust between her and her father. Throughout, she streamlines the process of making wise financial decisions and shows you just how easy—and profitable—investing can be. Capturing a warm, charming, and down-to-earth give and take between a headstrong daughter and her mostly patient dad, *Invested* makes the complex world of investing simple, straightforward, and approachable, and will help you formulate your own investment plan—and foster the confidence to put it into action.
