The Unfinished Memoirs Mujibur Rahman (Sheikh).2012 When Sheikh Mujibur Rahman's diaries came to light in 2004, it was an indisputably historic event. His daughter, Bangladesh Prime Minister Sheikh Hasina, had the notebooks -- their pages by then brittle and discoloured -- carefully transcribed and later translated from Bengali into English. Written during Sheikh Mujibur Rahman's sojourns in jail as a state prisoner between 1967 and 1969, they begin with his recollections of his days as a student activist in the run-up to the movement for Pakistan in the early 1940s. They cover the Bengali language movement, the first stirrings of the movement for Bangladesh independence and self-rule, and powerfully convey the great uncertainties as well as the great hopes that dominated the time. The last notebook ends with the events accompanying the struggle for democratic rights in 1955. --

Pakistan Cinema Mushtaq Gazdar.2019 First published in 1997 to commemorate the fiftieth anniversary of the creation of Pakistan, the book features a review of films before Partition, plots of great cinema classics, trivia, and cinema lore. It contains anecdotes and reminiscences about the people who shaped the entertainment industry, as well as interviews with directors and producers. But alongside the trivia is a clever synthesis juxtaposing the artistic development of the cinematic world with the overall social development in the country. It shows how the narrow self-interest of the ruling clique clashed with the creative potential of the artistic world, stifling originality and all but destroying the film industry. The narrative is punctuated with over a hundred photographs and contains an index of all the films made to date. In this second edition of Mushtaq Gazdar's seminal work, I. A. Rehman, Haris Gazdar, and Aisha Gazdar provide an overview of the two decades since, marking seventy years of the country's film industry. The filmography has also been updated to include the last two decades.

The First Promise Āśāpūrṇā Debī.2004 The First Promise is a translation of Ashapurna Devi's novel, Pratham Pratisruti, originally published in Bengali in 1964. Celebrated as one of the most popular and path-breaking novels of its time, it has received continual critical acclaim: the Rabindra Puraskar (the Tagore Prize) in 1966 and the Bharatiya Jnanpith, India's highest literary award, in

1977. Spanning the late eighteenth and early twentieth centuries, Ashapurna tells the story of the struggles and efforts of women in nineteenth-century, colonial Bengal in a deceptively easy and conversational style. The charming eight-year old heroine, Satyabati is a child bride who leaves her husband's village for Calcutta, the capital of British India where she is caught in the social dynamics of women's education, social reform agendas, modern medicine and urban entertainment. As she makes her way through this complex maze, making sense of the rapidly changing world around her, Satyabati nurtures hopes and aspirations for her daughter. But the promises held out by modernity turn out to be empty, instigating Satyabati to break away from her inherited world and initiate a quest that takes her to the very heart of tradition.

It Does Not Die Maitreyi Devi.1995-04-01 Precocious, a poet, a philosopher's daughter, Maitreyi Devi was sixteen years old in 1930 when Mircea Eliade came to Calcutta to study with her father. More than forty years passed before Devi read Bengal Nights, the novel Eliade had fashioned out of their encounter, only to find small details and phrases, even her given name, bringing back episodes and feelings she had spent decades trying to forget. It Does Not Die is Devi's response. In part a counter to Eliade's fantasies, the book is also a moving account of a first love fraught with cultural tensions, of false starts and lasting regrets. Proud of her intelligence, Maitreyi Devi's father had provided her with a fine and, for that time, remarkably liberal education — and encouraged his brilliant foreign student, Eliade, to study with her. We were two good exhibits in his museum, Devi writes. They were also, as it turned out, deeply taken with each other. When their secret romance was discovered, Devi's father banished the young Eliade from their home. Against a rich backdrop of life in an upper-caste Hindu household, Devi powerfully recreates the confusion of an over-educated child simultaneously confronting sex and the differences, not only between European and Indian cultures, but also between her mother's and father's view of what was right. Amid a tangle of misunderstandings, between a European man and an Indian girl, between student and teacher, husband and wife, father and daughter, she describes a romance unfolding in the face of cultural differences but finally succumbing to cultural constraints. On its own, It Does Not Die is a fascinating story of cultural conflict and thwarted love. Read together with Eliade's Bengal Nights, Devi's romance is a powerful study of what happens when the oppositions between innocence and experience, enchantment and disillusion, and cultural difference and colonial arrogance collide. In two novels written forty years apart, a man and a woman tell stories of their love. . . . Taken together they provide an unusually touching story of young love unable to prevail against an opposition whose strength was tragically buttressed by the uncertainties of a cultural divide.—Isabel Colegate, New York Times Book Review Recreates, with extraordinary vividness, the 16-year-old in love that she had been. . . . Maitreyi is entirely, disarmingly open about her emotions. . . . An impassioned plea for truth.—Anita Desai, New Republic Something between a reunion and a duel. Together they detonate the classic bipolarities: East-West, life-art, woman-man.—Richard Eder, New York Newsday One good confession deserves another. . . . Both books gracefully trace the authors' doomed love affair and its emotional aftermath.—Nina Mehta, Chicago Tribune

The Ultimate Fate of the Universe Jamal N. Islam.2009-06-18 This book describes what will ultimately happen to the contents of the universe. To understand the universe in the far future, we must first describe its present state and structure on the grand scale, and how its present properties arose. Dr Islam explains these topics in an accessible way in the first part of the book. From this background he speculates about the future evolution of the universe and predicts the major changes that will occur. The author has largely avoided mathematical formalism and therefore the book is well suited to general readers with a modest background knowledge of physics and astronomy.

Khwabnama Akhteruzzaman Elias.2021-07-12 Bengal in the 1940s. Having overcome the famine and the revolt of the sharecroppers, Bengal's peasants are uniting. Work is scarce and wages are low. There is barely any food to be had. The proposal for the formation of Pakistan, the elections of 1946, and communal riots are rewriting the contours of history furiously. Amidst all this, in an unnamed village, a familiar corporeal spirit plunges into knee-deep mud. This is Tamiz's father, the man in possession of Khwabnama. At first glance, Khwabnama is the tale of a harmless young farmhand who becomes a sharecropper and dreams of a future that has everything to do with the land that he cultivates and the soil that he tills. The fabric of his dreams, though, have as much to do with the history of the land as its future, and as much to do with memories as with hope. In this magnum opus, which documents the Tebhaga movement, wherein peasants demanded two-thirds of the harvest they produced on the land owned by zamindars, Akhtaruzzaman Elias has created an extraordinary tale of magical realism, blending memory with reality, legend with history and the struggle of marginalized people with the stories of their ancestors.

Beginning Anew Sister Chan Khong.2014-12-10 A practical guide on how to clear up misunderstandings, communicate more honestly and openly, and heal relationships—with an introduction by Thich Nhat Hanh When we're upset with someone, we're often afraid to say

anything. We tell ourselves, “Oh, it’s just a small matter; it’s not important.” But the accumulation of many small issues can create an explosive situation, and can even cause relationships to break. *Beginning Anew* gives us a way to address problems when they’re small, so we can understand each other’s words, actions, and intentions. Author Sister Chân Không guides readers through conscious breathing, loving speech, and compassionate listening, all designed to help us see people and situations more clearly and allow our perceptions to better reflect reality. After a few minutes of quiet and mindful reflection, each person within the group speaks without being interrupted, moving through the four important steps: 1) Express appreciation of the other person. This is something we may forget to do in our busy lives and can lead the people around us to feel taken for granted. 2) Express regrets. This is something we often put off doing, but the clear expression of misgivings and regrets gives practitioners the chance to clear the air and directly address any problems in the relationship. 3-4) Express anger or difficulties and check in with each other to be sure everyone was understood. Featuring inspiring client success stories, *Beginning Anew* provides a roadmap for anyone looking to keep communication open and resolve conflicts. When practiced regularly, it will bring deeper understanding and harmony to any relationship.

Dongri to Dubai - Six Decades of the Mumbai Mafia Hussain Zaidi.2012-08-10 Dongri to Dubai is the first ever attempt to chronicle the history of the Mumbai mafia. It is the story of notorious gangsters like Haji Mastan, Karim Lala, Varadarajan Mudaliar, Chhota Rajan, Abu Salem, but above all, it is the story of a young man who went astray despite having a father in the police force. Dawood Ibrahim was initiated into crime as a pawn in the hands of the Mumbai police and went on to wipe out the competition and eventually became the Mumbai police’s own nemesis. The narrative encompasses several milestones in the history of crime in India, from the rise of the Pathans, formation of the Dawood gang, the first ever supari, mafia’s nefarious role in Bollywood, Dawood’s move to Karachi, and Pakistan’s subsequent alleged role in sheltering one of the most wanted persons in the world. This story is primarily about how a boy from Dongri became a don in Dubai, and captures his bravado, cunningness, focus, ambition, and lust for power in a gripping narrative. The meticulously researched book provides an in-depth and comprehensive account of the mafia’s games of supremacy and internecine warfare.

Those Days Sunil Gangopadhyay.2000-10-14 Winner of the Sahitya Akademi Award An award-winning novel that uses both vast panoramic views and lovingly reconstructed detail to provide an unforgettable picture of nineteenth-century Bengal. The Bengal Renaissance and the 1857 uprising form the backdrop to *Those Days*, a saga of human frailties and strength. The story revolves around the immensely wealthy Singha and Mukherjee families, and the intimacy that grows between them. Ganganarayan Singha’s love for Bindubasini, the widowed daughter of the Mukherjees, flounders on the rocks of orthodoxy even as his zamindar father, Ramkamal, finds happiness in the arms of the courtesan, Kamala Sundari. Bimbabati, Ramkamal’s wife, is left to cope with her loneliness. A central theme of the novel is the manner in which the feudal aristocracy, sunk in ritual and pleasure, slowly awakens to its social obligations. Historical personae interact with fictional protagonists to enrich the narrative. Ishwar Chandra Vidyasagar, the reformer; Michael Madhusudan Dutt, the poet; the father and son duo of Dwarkanath and Debendranath Tagore; Harish Mukherjee, the journalist; Keshab Chandra Sen, the Brahmo Samaj radical; David Hare and John Bethune, the English educationists—these and a host of others walk the streets of Calcutta again, to bring alive a momentous time.

Harbart Nabarun Bhattacharya.2019-06-25 This beloved cult novel—about a young man who makes a business of relaying messages from the dead—is now in a sparkling English translation *Poor, poor, hard-luck Herbert Sarkar*: born into a fancy Calcutta family but cursed from birth (his philandering movie director father is killed in a car crash and his mother dies soon after, when he’s still just a baby), he is taken as an orphan into his uncle’s house, only to fall further and further down the

family totem pole. Despite good looks (“Hollywood-ish, Leslie Howard-ish”) and native talents, he is scorned by all but his kind aunt. Poor Herbert: so lovable but so little loved. Cheated of his inheritance, living on the roof in cast-off clothing, he pines for love, but all is woe: his own nephews beat him up. At twenty, however, he suddenly seems to possess the gift of speaking with the dead. Herbert is bathed in glory. From less than zero to starry heights—what an apotheosis. The wheel of fortune turns again, all too soon... Legendary, scathingly satiric, wildly energetic, deeply tender, Herbert is an Indian masterwork.

Striker, Stopper Moti Nandy.2012-08-07 *Striker* is the story of a young football player, Prasoon

Joshi, whose father, once a top scorer in the Calcutta League, is completely sidelined after being accused by the club of deliberately throwing the winning goal. As a young player struggling to make his mark, Praseon not only has to battle the ruthless exploitation of the football clubs, his family's straitened financial circumstances, and his own development as a player, but he has also to exorcise his father's ghosts. Stopper, on the other hand, is the story of the much older Kamal Guha, a veteran player with an eclectic record, now playing the final game of his career... Both novellas brilliantly capture the heady highs, and the crushing lows, the heroism ? and the ignominy ? of sport. However, it is always the game, and the action on the field, that is the real hero of Moti Nandy's writing.
