**The Influence of French on Eighteenth-century Literary Russian** May Smith.2006 This book seeks to establish the degree to which Gallicisms permeated the Russian language in the eighteenth century. The largest group of borrowings were the semantic and phraseological calques. In order to examine this influence, the author has selected scores of examples from the original works, translations and correspondence of Russian writers from the 1730s to the end of the century. The calques analysed belong to various registers of the literary language, from the prose used in essays and correspondence to the most lyrical form found in poetry and certain translations. This book concludes that the French influence was overwhelming and fully enhanced the Russian literary language that was developed during this period.

*The Heart of Thomas* Moto Hagio, Matt Thorn. 2012 The legendary and enigmatic Heart of Thomas, by Moto Hagio, was inspired by Jean Delannoy's 1964 film, *Les Amitiés Particulières*. **Twelve Years a Slave** Solomon Northup. 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.
