Why God Makes Sense in a World That Doesn't Gavin Ortlund.2021-10-26 It has never been more important to articulate the wonder and enchantment of the Christian message. Yet the traditional approaches of apologetics are often outmoded in an age of profound disenchantment and distraction, unable to meet this pressing need. This winsome apologetics book for a new generation makes the case that Christianity offers a compelling explanatory framework for making sense of our world. Pastor and writer Gavin Ortlund believes it is essential to appeal not only to the mind but also to the heart and the imagination as we articulate the beauty of the gospel. Why God Makes Sense in a World That Doesn't reimagines four classical theistic arguments--cosmological, teleological, moral, and Christological--making a cumulative case for God as the best framework for understanding the storied nature of reality. The book suggests that Christian theism can explain such things as the elegance of math, the beauty of music, and the value of love. It is suitable for use in classes yet accessibly written, making it a perfect resource for churches and small groups.

Developments in Biblical Counseling J. Cameron Fraser.2015-04-24 Are you looking for a brief introduction to what the biblical counseling movement is and how it has changed over the years? In *Developments in Biblical Counseling*, J. Cameron Fraser turns a journalistic eye to this question and presents a concise assessment. Introducing us to the formative work of Jay Adams, Fraser outlines several themes of biblical counseling that became foundational for the movement as a whole and observes how the movement received criticisms from outside and made necessary developments from within. He points out that some of these developments have an affinity with Puritan approaches to counseling that Adams rejects but may point in a more consistently biblical direction. Table of Contents: 1. Some Foundational Views of Nouthetic Counseling 2. Some Criticisms of Nouthetic Counseling 3. Some Developments in Biblical Counseling 4. Biblical and Puritan Counseling

Faith Therapy Troy D. Reiner.2014-05-12 The number of dysfunctional and emotionally hurting people in our society and in our churches is rapidly increasing. Even though God has called His church to heal the brokenhearted and set the captive free, the large majority of our pastors and churches are failing to effectively meet this need. The Christian counseling community itself continues to be embroiled in controversy as to what Christian counseling should be and to what extent it should be based on the Bible. The Greek word for salvation in the Bible means more than God's gift of eternal life: it also includes healing and complete wholeness; mind, emotions, will, and spirit in this lifetime. If, as the Bible clearly states, we are saved or made whole by faith, then it only makes sense that salvation by faith should be the foundation of any wholly Christian therapy. Faith Therapy provides a new narrative Biblical approach for helping these hurting people that can be easily applied by pastors and implemented in the church, integrates Christian counseling within the context of salvation by faith, applies faith to bring deep psychological healing, and develops methods for using faith to resolve many common, yet deeply-rooted problems. This book provides a psychological understanding of the process of salvation by faith, winning the trial of your faith, how to increase faith, how to assess faith, and how to apply it to meet our deepest needs for self-worth, significance, security, and love. It includes models for conquering the common problems of low self-image, pride, selfish desires, strife, fear, spiritual oppression, lust, and for developing healthy attachment. It is easily taught and applied in churches because it is completely based on the Bible.

The Biblical Counseling Movement After Adams Heath Lambert.2011-11 This ground-breaking exploration of the biblical counseling movement's development since Jay Adams shows how shifts in methodology and style are producing a new generation of increasingly well-balanced counselors.

Competent to Counsel Jay E. Adams.2009-07-13 A classic in the field of Christian counseling, *Competent to Counsel* is one of the first works to fully articulate a vision of nouthetic counseling—a strictly biblical approach to behavioral counseling and therapy. Dr. Jay Adams defends the idea that the Bible itself, as God's Word, provides all the principles needed for understanding and engaging in holistic counseling. Using biblically directed discussion, nouthetic counseling works by means of the Holy Spirit to bring about change—both immediate and long-term—in the personality and behavior of the counselee. As he points out in his introduction, I have been engrossed in the project of developing biblical counseling and have uncovered what I consider to be a number of important scriptural principles. . . There have been dramatic results. . . Not only have people's immediate problems been resolved, but there have also been solutions to all sorts of long-term problems as well. *Competent to Counsel* has helped thousands of pastors, students, laypersons, and Christian counselors develop: A general approach to (and theology of) Christian counseling. Specific, practical responses to particular problems useful for teaching, study, and personal application. Since its first publication in 1970, this book has gone through over thirty printings. It establishes the basis for and an introduction to a counseling approach that is being used in pastors' studies, in counseling centers, and across dining room tables throughout the country and around the world.

Effective Biblical Counselling Lawrence J. Crabb.1994 Builds on the principles laid down in Larry Crabb's first book, *Basic Principles of Biblical Counselling*. The author believes that the local church is the place where healing relationships can grow and that all caring and mature Christians can be agents of recovery and growth.

Grace-Based Counseling Richard A. Fowler, EdD, Natalie Ford, PhD.2021-08-03 You speak God's truth when you counsel. But do you also communicate His grace? The Christian counselor or pastor plays an important role in helping people process the trauma they've experienced. Too often, a client leaves the counselor's office with feelings of guilt and shame. They feel the heavy burden of what they did wrong. But somehow, they've missed the grace of God that makes things right again. A counseling model that stays true to a biblical worldview will overflow with grace . . . not cheap grace, but real grace that acknowledges sin while offering a hopeful path to redemption and healing. In *Grace-Based Counseling*, professional counselors Richard Fowler and Natalie Ford offer a model that blends the truths of Scripture, the science of psychology, and the everlasting hope of the gospel. In this book you will find: New, grace-based counseling model Detailed application of the model, with case studies Practical toolbox with surveys, assessments, and counseling helps A Christian counseling model can't just be about admonishment. That approach

only leads to shame and human efforts that are doomed to fail. But when the gospel is brought to bear in the counseling relationship, real life change is possible. Then the counselor becomes an instrument of divine grace in the hands of a faithful God.

The New Christian Counselor Ron Hawkins, Tim Clinton. 2015-10-15 Seasoned counselors and professors Ron Hawkins and Tim Clinton offer a comprehensive guide that empowers Christian counselors by clarifying their task: to help people take possession of their souls... through the power of the Spirit under the authority of the Word in a supportive community of accountability that they may be like Christ. The authors address head-on today's enticing new imitations of true peace and tantalizing opportunities for people in pain to anesthetize themselves. But they also highlight the foundation of hope: God loves, he empowers, and he refuses to abandon his passion for connection with his children. Case studies illustrate how to help people take possession of the thinking self, the feeling self, the decision-making self, the physical self, and the relational self. This comprehensive plan for effective intervention is perfect for lay counselors, students, and professionals looking for ways to integrate their faith and practice.

A Theology of Christian Counseling Jay E. Adams. 2010-08-10 Connecting sound biblical doctrine to the practice of effective counseling. Jay E. Adams—vocal advocate of a strictly biblical approach to counseling and author of the highly influential book *Competent to Counsel*—firmly believes that the Bible itself provides all the principles needed for understanding and engaging in holistic counseling. But in order to bring the practice of counseling—whether by professional therapists or by the church—under biblical guidance, we first have to deepen our understanding of Scripture. *A Theology of Christian Counseling* is the connection between solid theology (the study of God) and its practical application. Each of its sections are devoted to increasing our understanding of counseling's potential by looking at it through the lens of doctrines such as: Prayer (and the doctrine of God). Human Sin (and the doctrine of Man). Redemption (and the doctrine of Salvation). Forgiveness (and the doctrine of Sanctification). No counseling system that is based on some other foundation can begin to offer what Christian counseling offers... No matter what the problem is, no matter how greatly sin has abounded, the Christian counselor's stance is struck by the far-more-abounding nature of the grace of Jesus Christ in redemption. What a difference this makes in counseling! (Jay E. Adams). With this book, you'll gain insight into the rich theological framework that supports and directs your approach to how you help people change.

Scripture and Counseling Bob Kellemen. 2014-10-07 What role does Scripture play in counseling? Today, we face a weakening of confidence in the Bible. This is just as true for the pastor offering counsel in his office as it is for the person in the pew talking with a struggling friend. We need to regain our confidence in God's living Word as sufficient to address the real-life issues we face today. *Scripture and Counseling* will help you understand how the Bible equips us to grow in counseling competence as we use it to tackle the complex issues of life. Divided into two sections, Part One develops a robust biblical view of Scripture's sufficiency for life and godliness leading to increased confidence in God's Word. Part Two teaches how to use Scripture in the counseling process. This section demonstrates how a firm grasp of the sufficiency of Scripture leads to increased competence in the ancient art of personally ministering God's Word to others. Part of the *Biblical Counseling Coalition* series, *Scripture and Counseling* brings you the wisdom of twenty ministry leaders who write so you can have confidence that God's Word is sufficient, necessary, and relevant to equip God's people to address the complex issues of life in a broken world. It blends theological wisdom with practical expertise and is accessible to pastors, church leaders, counseling practitioners, and students, equipping them to minister the truth and power of God's word in the context of biblical counseling, soul care, spiritual direction, pastoral care, and small group facilitation.

This comprehensive resource, part of the *Biblical Counseling Coalition* series, helps leaders and counselors develop a vision that goes beyond being a church with a biblical counseling ministry to becoming a church of biblical counseling—a church culture that is saturated by "one-another" ministry. Divided into five parts, *Biblical Counseling and the Church* will help church leaders: Unite the pulpit ministry of preaching the Word with the personal ministry of the Word in counseling Offer practical and theological training to equip counselors Launch and lead a counseling ministry, regardless of the size of your church Bring together the relational focus of small group ministry with the ministry of care and counseling Better understand the relationship between biblical counseling, church discipline, and conflict resolution Learn how to use counseling in outreach through "missional" biblical counseling—moving biblical counseling beyond the doors of the church and into the world

Solution-Focused Pastoral Counseling Charles Allen Kollar.2010-06-15 This groundbreaking book, now updated and expanded, furthers its original, effective, time-saving approach that benefits pastors overtaxed by counseling demands. Dr. Charles Kollar presents a departure in pastoral counseling, showing that counseling need not be long-term or depend on psychological manipulation to produce dramatic results. In most cases, the solution lies with the counselees themselves. Using the tested methods found in *Solution-Focused Pastoral Counseling*, pastors, apart from counselors, will be well equipped to help their counselees discover a solution and put it in motion speedily and productively. SFPC is short-term—typically one to five sessions, in which the counselor seeks to create solutions with—not for—the counselee. The focus is on the possibility of life without the problem through an understanding of what is different when the problem does not occur or is less intrusive. The goal is healthy change, sooner rather than later, by helping the counselee see and work on the solution with God's activity already present in his or her life. The solution-focused approach does not require the counselor to be a highly trained psychological expert. It requires biblically based sensitivity and common sense. Yet this approach also recognizes its limitations and understands that there are situations in which other professional and/or medical help is required.

A Theology of Biblical Counseling Heath Lambert. 2016-04-05 Since the beginning of the biblical counseling movement in 1970, biblical counselors have argued that counseling is a ministry of the Word, just like preaching or missions. As a ministry, counseling must be defined according to sound biblical theology rather than secular principles of psychology. For over four decades, biblical theology has been at the core of the biblical counseling movement. Leaders in biblical counseling have emphasized a commitment to teaching doctrine in their counseling courses out of the conviction that good theology leads to good counseling...and bad theology leads to bad counseling. *A Theology of Biblical Counseling* is a landmark new book that covers the history of the biblical counseling movement, the core convictions that underlie sound counseling, and practical wisdom for counseling today. Dr. Heath Lambert shows how biblical counseling is rooted in the Scriptures while illustrating the real challenges counselors face today through true stories from the counseling room. A substantive textbook written in accessible language, it is an ideal resource for use in training biblical counselors at colleges, seminaries, and training institutes. In each chapter, doctrine comes to life in real ministry to real people, dramatically demonstrating how theology intersects with the lives of actual counselees.
