The Power Of Positive Thinking Norman Vincent Peale.2021-01-01 THIS BOOK IS WRITTEN to suggest techniques and to give examples which demonstrate that you do not need to be defeated by anything, that you can have peace of mind, improved health, and a never ceasing flow of energy. In short, that your life can be full of joy and satisfaction. Of this I have no doubt at all for I have watched countless persons learn and apply a system of simple procedures that has brought about the foregoing benefits in their lives. These assertions, which may appear extravagant, are based on bona fide demonstrations in actual human experience.

Many Miles to Go Brian Tracy.2003 Business, like any adventure, begins with a leap into the unknown Brian Tracy's first dream was of a journey. Not a leisurely drive to the beach or a weekend campout-a wide open adventure that would take him 17,000 miles from his home on Canada's Pacific Coast all the way to South Africa. His journey- a harrowing series of false starts, long days, and narrow escapes- taught him about becoming unstoppable, not only in pursuing adventure but in daily life and business as well. The road to business success is just as exciting and dangerous and rewarding as a trek across the Sahara. Succeeding-sometimes even surviving-requires vision, courage, persistence, and the willingness to accept responsibility for your own actions. In the end, Brian's arduous trek changed his life- and his way of thinking about life and business.

Into Bones Like Oil Kaaron Warren.2019 A tale of creeping dread ... Recommended. --Tade Thompson, author of Rosewater and The Murders of Molly Southbourne Dark, disturbing, visceral (5 stars) --NB Magazine In this gothic-styled ghost story that simmers with strange, Warren shows once again her flair for exploring the mundane--themes of love, loss, grief, and guilt manifest in a way that is both hauntingly familiar and eerily askew. People come to The Angelsea, a rooming house near the beach, for many reasons. Some come to get some sleep, because here, you sleep like the dead. Dora arrives seeking solitude and escape from reality. Instead, she finds a place haunted by the drowned and desperate, who speak through the sleeping inhabitants. She fears sleep herself, terrified that the ghosts of her daughters will tell her it's all your fault we're dead. At the same time, she'd give anything to hear them one more time.

Change One Belief - Inspirational Stories of How Changing Just One Belief Can Transform Your Life Bob Burnham,Jeff McCallum,Rosemary Sneeringer.2012-06-01 How close are you to Being, Doing and Having everything you want in life? Bob Burnham asked this question and the answer that always came back to him is One Thought Away. Our lives always go in the direction of our thoughts. So all as we have to do is change our thoughts. Sounds easy right? Here's the problem! We think our thoughts over and over again until they become a belief and then even our truth. This does not serve our highest good in truly living the life we want to live. We may buy into our beliefs so deeply we think they're real but in fact they are all made up and are just thoughts. In most cases we've inherited our thoughts and beliefs from parents, coaches, teachers and even TV. We've bought into these beliefs and thoughts so deeply some of us will even die for them. Does that give you a sense of how powerful beliefs can be? That power is an illusion and is only fuelled by our thoughts- which we have the power to change in one moment. In this life-changing book you'll discover how: Putting action behind his new belief lights up the darkest period of Lorenzo Lamas's life. Being proactive about her new belief transformed Vanna White's biggest career error into her new role as America's Sweetheart. What was once a shameful secret for Jeannie Trasolini became a catalyst for others to find the courage to look for their own lost children. Taking the plunge to invest in herself propelled Lisa Sasevich, the Queen Of Sales Conversion, to make millions of dollars per year sharing her blessings with the world. Getting dumped on national TV became the impetus to help Tammi Baliszewski, Ph.D and other women find true authentic love. Challenging actor Robert Calvert's biggest fear gave his audience their biggest laughs. A limiting belief about weight was transformed by internationally-known healer Ann Taylor into a life of love, support and connection. After being stuck in an abusive relationship, Kathy Kovacs, one of Canada's favorite sports anchors, finds freedom in a new life on her own terms. And over 30 more stories along with a special Belief Change Tools section! This extraordinary book is life-changing.
