90 MINUTES WITH THE KING "Soccer Tom" Mulroy .2023-11-02 Back cover description Experience the remarkable journey of a boy from New York who begins life behind the eight ball. Growing up on the edge of poverty, he battles dyslexia and endures the pain dealt by an alcoholic father. From his single mother he learns grit, empathy, and selflessness. At age 12, when he is still torn between right and wrong, he is introduced to soccer. The Beautiful Game saves his life. It becomes his life. Never mind that outside his neighborhood, soccer is seen as an ethnic cult, a sport played by “candy asses” and people who do not speak English. Nothing dents the boy’s will. He follows his idol, Pelé, like a North Star. He dreams of becoming a pro. His dream becomes an obsession, his exit ramp off a road that would have left him “dead or in jail.” In his early teens, this lad plays for coaches who shape him as a player and a man. He struggles in school, but he has found his purpose. He plays or practices fifty hours a week. Some days he hitchhikes to games, other days he spends entire afternoons lashing balls off the brick wall of Cinema 45. No one will outwork him; nothing will distract him. Seven years after he first touches a ball, Tom Mulroy becomes a professional soccer player. And then, against billion-to-one odds, Soccer Tom experiences the dream of every soccer player and fan around the world.

Tommy Lawton Jack Rollin. 2025-12 During a stellar 20-year career punctuated by the Second World War, such was Tommy Lawton's prowess in front of goal he was a magnet for spectators at a host of top-level clubs. Prior to the war, he served Burnley and Everton with distinction; enlisted to the British army for the war effort, he guested for a host of clubs. After VE Day he maintained his career average of more than one goal every other game - with Everton, Chelsea, Notts County, Brentford, as player manager, and Arsenal; before another spell as player boss at Kettering. In 46 England games either side of the war and including wartime fixtures, he plundered 46 goals. Those impressive stats would surely be even more so but for the war. Deadly in the air or with either foot, and renowned for his sportsmanship - he was never booked throughout his career - *Head and Shoulders Above the Rest* is an ode to a swashbuckling centre-forward and the man Stanley Matthews described as: 'Quite simply, the greatest header of the ball I ever saw.'
