*Heir of Fire* Sarah J. Maas.2014-09-02 The heir of ash and fire bows to no one. A new threat rises in the third book in the #1 bestselling Throne of Glass series by Sarah J. Maas. Celaena Sardothien has survived deadly contests and shattering heartbreak, but now she must travel to a new land to confront her darkest truth. That truth could change her life-and her future-forever. Meanwhile, monstrous forces are gathering on the horizon, intent on enslaving her world. To defeat them, Celaena will need the strength not only to fight the evil that is about to be unleashed but also to

harness her inner demons. If she is to win this battle, she must find the courage to face her destiny—and burn brighter than ever before. The third book in the #1 New York Times bestselling Throne of Glass series continues Celaena's epic journey from woman to warrior.

**The Red Queen** Philippa Gregory.2011-06-07 The inspiration for the critically acclaimed Starz miniseries *The White Queen*, #1 New York Times bestselling author Philippa Gregory brings to life Margaret Beaufort, heiress to the red rose of Lancaster, who charts her way through treacherous alliances to take control of the English throne. Margaret Beaufort never surrenders her belief that her Lancaster house is the true ruler of England, and that she has a great destiny before her. Married to a man twice her age, quickly widowed, and a mother at only fourteen, Margaret is determined to turn her lonely life into a triumph. She sets her heart on putting her son on the throne of England regardless of the cost to herself, to England, and even to the little boy. Disregarding rival heirs and the overwhelming power of the York dynasty, she names him Henry, like the king; sends him into exile; and pledges him in marriage to her enemy Elizabeth of York's daughter. As the political tides constantly move and shift, Margaret masterminds one of the greatest rebellions of all time—all the while knowing that her son has grown to manhood, recruited an army, and awaits his opportunity to win the greatest prize in all of England. *The Red Queen* is a novel of conspiracy, passion, and coldhearted ambition, the story of a proud and determined woman who believes that she alone is destined, by her piety and lineage, to shape the course of history.

As Mare bears the weight of Silent Stone in the palace, her once-ragtag band of newbloods and Reds continue organizing, training, and expanding. They prepare for war, no longer able to linger in the shadows. And Cal, the exiled prince with his own claim on Mare's heart, will stop at nothing to bring her back. A Court of Silver Flames Sarah J. Maas.2021-02-16 Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta. Nesta Archeron has always been prickly-proud, swift to anger, and slow to forgive. And ever since being forced into the Cauldron and becoming High Fae against her will, she's struggled to find a place for herself within the strange, deadly world she inhabits. Worse, she can't seem to move past the horrors of the war with Hybern and all she lost in it. The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other. Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts. Against the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance-and healing-in each other's arms.
