Paris Notebooks Mavis Gallant.2023 Enthralling essays on the expatriate experience in Paris and shrewd literary criticism by one of the twentieth century's finest writers. Mavis Gallant is revered as one of the great short story writers of her generation, but she was also an astute observer and formidable reporter. This selection of Gallant's essays and reviews written between 1968 and 1985 begins with her impressions of the Parisian student uprising in May 1968. Originally published in *The New Yorker*, *The Events in May* inspired Wes Anderson's film *The French Dispatch* and Gallant herself served as inspiration for the journalist portrayed by Frances McDormand. *Paris Notebooks* presents a whole range of subjects portraying French society, ranging from architecture and literature to the gripping story of Gabrielle Russier, a young French schoolteacher driven to imprisonment, madness, and suicide as the result of an affair with one of her students. Also included are Gallant's astute reviews of books by major figures such as Vladimir Nabokov, Simone de Beauvoir, Colette, and Günter Grass. No matter what form she's working in, Mavis Gallant's flawless prose is always full of wit and acuity. This Nonpareil edition includes a new introduction by acclaimed literary biographer Hermione Lee.

Diaghilev's Ballets Russes Lynn Garafola.1998 In the history of twentieth-century ballet, no company has had so profound and far-reaching an influence as the Ballets Russes. Under the direction of impresario extraordinaire Serge Diaghilev (1872-1929), the Ballets Russes radically transformed the nature of ballet—its subject matter, movement idiom, choreographic style, stage space, music, scenic design, costume, even the dancer's physical appearance. From 1909 to 1929, it nurtured some of the greatest choreographers in dance history—Fokine, Nijinsky, Massine, and Balanchine—and created such classics as *Les Sylphides*, *Firebird*, *Petrouchka*, *L'Après-midi d'un Faune*, *Les Noces*, and *Apollo*. Diaghilev brought together some of the leading artists of his time, including composers Stravinsky, Debussy, and Prokofiev; artists Picasso, Braque, and Matisse, and poets Hoffmansthal and Cocteau. Diaghilev's Ballets Russes is the most authoritative history of the company ever written and the first to examine it as a totality—its art, enterprise, and audience.

Combining social and cultural history with illuminating discussions of dance, drama, music, art, economics, and public reception, Lynn Garafola paints an extraordinary portrait of the company that shaped ballet into what it is today.

What Became of the White Savage François Garde.2015-05-05 Some time in the 1840s, Narcisse, a young French sailor is abandoned on the coast of Australia and given up for dead by his shipmates. Seventeen years later he is found living among aboriginal peoples, having apparently forgotten everything of his original identity, including his native French language. Octave de Vallombrun, a well-meaning geographer, takes him under his wing and sets out to bring Narcisse, now known as the white savage back to civilisation and to find out what happened during those seventeen years.Observing Narcisse's struggle to adjust to the ways of the

white man, Octave too begins to question his assumptions about what it means to be civilised, and to see in a new light the man known as the white savage.

Atlas: Tadao Ando .2021-09-07 This highly original and personal exploration of Tadao Ando's work, one of Japan's leading architects, traverses both the physical and spiritual world. In 2012, Philippe Séclier visited Tadao Ando's iconic Church of the Light, and was immediately compelled to journey around the world to further study the architect's buildings. This unique presentation of Ando's work is the result of what turned into a nine-year project to photograph 130 buildings. Walking around each structure, trying to find the proper framing, helped Séclier understand Ando's genius for siting and composition. Loosely organized by chronology, each building is represented in numerous black and white images, arranged like a mosaic on the page. These fragmented views correspond to Ando's own philosophy of the logic of structure and geometry. This "atlas" embraces not only the geographic but also thematic range of Ando's oeuvre—from transit stations in Tokyo and Kobe to art museums in Fort Worth, Texas and Provence, France; from an artists' retreat on the Mexican coast to the now-demolished Piccadilly Gardens in Manchester, England; from a theater in Milan, Italy, to an upscale restaurant in New York City. Séclier's photographs of Ando's numerous religious structures brilliantly illustrate his use of light and shadow to evoke spiritual depth and timelessness while his short texts offer concise observations of each building. A helpful appendix pinpoints the geographic diversity and range of Ando's oeuvre.

Tacky Rax King.2021-11-02 An irreverent and charming collection of deeply personal essays about the joys of low pop culture and bad taste, exploring coming of age in the 2000s in the age of Hot Topic, Creed, and frosted lip gloss—from the James Beard Award-nominated writer of the *Catapult* column *Store-Bought Is Fine*—Tacky is about the power of pop culture—like any art—to imprint itself on our lives and shape our experiences, no matter one's commitment to good taste. These fourteen essays are a nostalgia-soaked antidote to the millennial generation's obsession with irony, putting the aesthetics we hate to love—snakeskin pants, Sex and the City, Cheesecake Factory's gargantuan menu—into kinder and sharper perspective. Each essay revolves around a different maligned (and yet, Rax would argue, vital) cultural artifact, providing thoughtful, even romantic meditations on desire, love, and the power of nostalgia. An essay about the gym-tan-laundry exuberance of Jersey Shore morphs into an excavation of grief over the death of her father; in *You Wanna Be On Top*, Rax writes about friendship and early aughts girlhood; in another, Guy Fieri helps her heal from an abusive relationship. The result is a collection that captures the personal and generational experience of finding joy in caring just a little too much with clarity, heartfelt honesty, and Rax King's trademark humor.
