The Last Mermaid Shana Abé.2008-04-29 Shana Abé has entranced countless readers with her passion-filled novels of adventure, intrigue, and romance. Now the author of *The Secret Swan* delivers a gift from the sea: three hauntingly beautiful tales connected by a legend, a locket, and a love beyond time. 531 a.d.: The tiny island of Kell is said to be enchanted, inhabited by an extraordinary creature who comforts shipwrecked sailors passing into the next world. Prince Aedan of the Isles believes in no such nonsense—until he awakens on Kell itself and meets the sensuous siren who rescued him from the sea. 1721: Ronan MacMhuirich, Earl of Kell, is the target of an unlikely assassin: Leila, a mysterious woman from an exotic land. But his irresistibly beautiful would-be slayer is in just as much danger as Ronan when she falls for this man with a magic of his own. 2004: What do you do when you inherit a Scottish island you never knew existed—and find yourself pursued by a handsome stranger who wants to buy it from you? That’s what happens to Ruri Kell when she accepts Iain MacInnes’s invitation to visit her birthright, and listens to a proposition as sinfully tempting as everything else about him. Three seductive love stories, three passionate couples, all linked by one of the most romantic myths of all.

Small Graces Kent Nerburn.2010-10-14 In twenty elegant pieces, writer, sculptor, and theologian Kent Nerburn celebrates the daily rituals that reveal our deeper truths. A companion piece to Kent Nerburn’s book *Simple Truths*, *Small Graces* is a journey into the sacred moments that illuminate our everyday lives. Through the exploration of simple acts, he reminds us to chart a course each day that nourishes the soul, honors the body, and engages the mind. *Small Graces* asks us to observe life’s quiet rhythms, the subtle shifts in perception and changes in light, the warm comfort of family voices; to feel the blessing of birdsong, the solitude of a falling leaf, the echo of footfall in snow-covered woods. By inviting us to recognize the hidden power of the ordinary, *Small Graces* reveals the mystical alchemy of the mundane made profound by the artistry of a well-lived life.

I Found Love Doug Bender.2021-01-12 From the influential and ever-growing movement *I Am Second*, a remarkable collection of stories of people searching for and finding love. When *I Am Second* launched in 2008, the organization intended simply to tell stories of lives changed utterly by people placing God first and themselves second. Although the organization has exploded in size and influence since, that original mission has remained the same—and continues to have enormous power and influence today. *I Found Love* is the highly anticipated new book from *I Am Second*, gathering together stories of people who searched everywhere for fulfillment and wholeness and found it only when they surrendered to God. People whose stories appear include the following, among others: David and Tamela Mann Jason Castro Sean Lowe Stephen Baldwin Moving, compelling, and profoundly inspiring, the stories found here remind us that our hearts will always be restless until they find their rest in God and always unsatisfied until we find the love of God.

Moon-face and Other Stories Jack London.1906 JACK LONDON (1876-1916), American novelist, born in San Francisco, the son of an itinerant astrologer and a spiritualist mother. He grew up in poverty, scratching a living in various legal and illegal ways -robbing the oyster beds, working in a canning factory and a jute mill, serving aged 17 as a common sailor, and taking part in the Klondike gold rush of 1897. This various experience provided the material for his works, and made him a socialist. The son of the Wolf (1900), the first of his collections of tales, is based upon life in the Far North, as is the book that brought him recognition,

The Call of the Wild (1903), which tells the story of the dog Buck, who, after his master's death, is lured back to the primitive world to lead a wolf pack. Many other tales of struggle, travel, and adventure followed, including The Sea-Wolf (1904), White Fang (1906), South Sea Tales (1911), and Jerry of the South Seas (1917). One of London's most interesting novels is the semi-autobiographical Martin Eden (1909). He also wrote socialist treatises, autobiographical essays, and a good deal of journalism.

Dickens and Victorian Print Cultures Robert L. Patten. 2017-03-02 This volume places Dickens at the centre of a dynamic and expanding Victorian print world and tells the story of his career against a background of options available to him. The collection describes a world animated by outpourings of print materials: books, serials, newspapers, periodicals, libraries, paintings and prints, parodies and plagiarisms, censorship, advertising, as well as theatre and other entertainment, and celebrity. It also shows this period as driven by a growing and more literate population, and undergirded by a general conviction that writing was a crucial component of governance and civic culture. The extensive introduction and selected articles anchor Dickens's attempts to establish better conditions for writers regarding copyright protection, pay, status, recognition, and effectiveness in altering public policy. They speak about Dickens's life as playwright, journalist, novelist, editor, magazine publisher, theatrical producer, actor, lecturer, reader of his own works, supporter of charities for impoverished authors and fallen women, exponent of a morality of Christian compassion and domestic affections sometimes put into question by his own actions, proponent and critic of British nationalism, and champion of education for all. This selection of essays and articles from previously published accounts by internationally renowned scholars is of interest to all students and professionals who are fascinated by the composition, manufacture, finance, formats, pictorializations, sales, advertising and influence of Dickens's writing.

Twelve Years a Slave Solomon Northup. 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.
