The Dominant Tara Sue Me.2013-08-06 The second tantalizing novel in Tara Sue Me's New York Times bestselling Submissive series... Nathaniel West doesn't lose control. As the playboy CEO of West Industries, he governs the boardroom during the day; as a strict dominant with exacting rules, he commands the bedroom at night. He never takes on inexperienced submissives, but when Abigail King's application comes across his desk, he breaks his own restrictions and decides to test her limits. Abby's combination of innocence and willingness is intoxicating, and Nathaniel is soon determined to collar her as his own. As long as she follows his orders and surrenders herself fully to him, no one will get hurt. But when Nathaniel begins falling for Abby on a deeper level, he realizes that the trust must go both ways—and he has secrets which could bring the foundations of their entire relationship crashing down...

Silently Seduced Kenneth M. Adams.2011-09-01 When a parent singles out a child for special privileges and attention, that child is often unaware that the relationship is unhealthy—even incestuous. As adults, these children struggle to feel validated, because while they have not been directly abused, they feel a sense of violation and crossed boundaries—usually done in the name of 'love' and 'caring.' The parent's love feels more confining than freeing, more demanding than giving, more intrusive than nurturing. Yet these children suffer from what psychologist Kenneth Adams calls The Silent Seduction—because there is nothing loving or caring about a close parent-child relationship that services the needs of the parent rather than the child. In this revised and updated 20th anniversary edition of his groundbreaking book *Silently Seduced*, Dr. Adams explains how 'feeling close,' especially with the opposite-sex parent, is not the

source of comfort the image suggests, especially when that child is cheated out of a childhood by being a parent's surrogate partner. He offers a framework to understand this covert incest and its effect on sexuality, intimacy, and relationships, and how victims can begin the process of recovery.

Seduced Randy Wayne White.2017-09-26 A five-hundred-year-old mystery and a twenty-year-old murder haunt Hannah Smith in a stunning adventure by the author of the New York Times-bestselling Doc Ford novels. A fishing guide and part-time investigator, Hannah Smith is a tall, strong Florida woman descended from many generations of tall, strong Florida women. But the problem before her now is much older even than that. And its consequences are lethal. Five hundred years ago, Spanish conquistadors planted the first orange seeds in Florida, but now the billion-dollar industry is in trouble. The trees are dying, weakened by infestation and genetic manipulation, and the only solution might be somehow, somewhere to find sample of the original root stock. No one is better equipped to traverse the swamps and murky backcountry of Florida than Hannah, but once word leaks out of her quest, the trouble begins. There are people who will kill to find a direct descendant of those first seeds, she is warned--and it looks like those words may be all too prophetic. That is, if the secrets she discovers in the Florida wild about a twenty-year-old murder don't kill her first. Or the fifteen-foot-long Burmese python.

immortal guards, no child has come of our decadent pleasures. But something else is happening. My magic courses through me uncontrollably. And as I lock my half-mortal body with their full-Sidhe blooded ones, the power surges like never before. It all began with the chalice. I dreamed of it, and it appeared, cool and hard, beside me when I awoke. My guards know the ancient relic well—its disappearance ages ago stripped them of their vital powers. But it is here with us now. My touch resonates with its force, and they're consumed with it, their Sidhe essences lit up by it. But even as they cherish me for this unexpected gift, there are those who loathe me for it. Me, a mongrel, only half fey and part mortal. The Unseelie court has suffered for so long, and there are some who would not have it weakened further by an impure queen. My enemies grow in number every day. But they do not know what I am capable of. Nor, for that matter, do I. . . . In *Seduced by Moonlight*, Laurell K. Hamilton brings the dark, erotic reign of the immortal fey to a startling new depth. Full of sensuality and the consuming anticipation of latent powers unleashed, this world of gods, shapeshifters, and immortal souls is unveiled in all of its supreme magnificence and its treacherous deceptions.

Fire Island Modernist Christopher Bascom Rawlins. 2013 In the Sixties, architect Horace Gifford executed a remarkable series of beach houses that transformed the terrain and culture of New York's Fire Island. Growing up on the beaches of Florida, Gifford forged a deep connection with coastal landscapes. Pairing this sensitivity with jazzy improvisations on modernist themes, he perfected a sustainable modernism in cedar and glass that was as attuned to natural landscapes as to our animal natures. Gifford's serene 1960s pavilions provided refuge from a hostile world, while his exuberant post-Stonewall, pre-AIDS masterpieces orchestrated bacchanals of liberation. Celebrities lived in modestly scaled homes alongside middle-class vacationers, all with equal access to Fire Island's natural beauty. Blending cultural and architectural history, this book ponders a fascinating era through an overlooked architect whose life, work and colorful milieu trace the operatic arc of a lost generation, and still resonate with artistic and historical import.
