The split between “free public domain ebooks” and “free original ebooks” is surprisingly even. A big chunk of the public domain titles are short stories and a lot of the original titles are fanfiction. Still, if you do a bit of

digging around, you’ll find some interesting stories. All the books are listed down a single page with thumbnails of the cover image and direct links to Amazon. If you’d rather not check Centsless Books’ website for updates, you can follow them on Twitter and subscribe to email updates. ManyBooks is one of the best resources on the web for free books in a variety of download formats. There are hundreds of books available here, in all sorts of interesting genres, and all of them are completely free. One of the best features of this site is that not all of the books listed here are classic or creative commons books. ManyBooks is in transition at the time of this writing. A beta test version of the site is available that features a serviceable search capability. Readers can also find books by browsing genres, popular selections, author, and editor's choice. Plus, ManyBooks has put together collections of books that are an interesting way to explore topics in a more organized way. From romance to mystery to drama, this website is a good source for all sorts of free e-books. When you're making a selection, you can go through reviews and ratings for each book. If you're looking for a wide variety of books in various categories, check out this site. The Online Books Page features a vast range of books with a listing of over 30,000 eBooks available to download for free. The website is extremely easy to understand and navigate with 5 major categories and the relevant sub-categories. To download books you can search by new listings, authors, titles, subjects or serials. On the other hand, you can also browse through news, features, archives & indexes and the inside story for information. Since Centsless Books tracks free ebooks available on Amazon, there may be times when there is nothing listed. If that happens, try again in a few days. FreeComputerBooks goes by its name and offers a wide range of eBooks related to Computer, Lecture Notes, Mathematics, Programming, Tutorials and Technical books, and all for free! The site features 12 main categories and more than 150 sub-categories, and they are all well-organized so that you can access the required stuff easily. So, if you are a computer geek FreeComputerBooks can be one of your best options. Booktastik has free and discounted books on its website, and you can follow their social media accounts for current

updates. If you're having a hard time finding a good children's book amidst the many free classics available online, you might want to check out the International Digital Children's Library, where you can find award-winning books that range in length and reading levels. There's also a wide selection of languages available, with everything from English to Farsi.
