Your Only Choice is to Become Rich! Skip Flanagan. 2012-01-16 "Your Only Choice is to Become Rich! This is a self help book. In this book I will examine the complexities of life as a felon or probationer. My observations in this book are also for the misinformed and misguided. This book is of relevance to those who feel like their situations are hopeless. For those that have had thoughts of giving up. Given that no one wants to hire convicted felons, How will they survive? Is a life in a criminal system the only way out? If so, life as an entrepreneur is inevitable. Yet, living legal vs. illegal is a dilemma that all U.S. citizens encounter each day. A die-hard decision to survive or not survive. Furthermore, psychological implications as a result of poverty and economic oppression are only a few obstacles that these individuals must face. Stereotypes and prejudices leave only one option to overcome. To be successful. To be wealthy. To be rich. Yet, figuring out a way to become rich after one has made a mistake is an even harder dilemma. Being able to still have faith in the American system and accepting the consequences of ones' actions is even more difficult. Yet, with GOD and the truth, one can only be patient as his/her day in the sun is just down the road.

Happiness comes simple and less frequent now, but is still accessible. Yet, someone has to guide you now. Someone has to show you how to get on track and stay on track. Someone has to show you that you still are American. Someone has to show you that the "American Dream" still includes you. You will forever be a possible recipient of this great prize. It's just going to be a little harder now. You have to get Rich. By legal means. By your own means. Believing and knowing no matter your race, creed, or religion that success is a jungle and a couple of misfortunes away. Last, in this book I will simply challenge some of the problems present in today's society. Explain this system of democracy. I will then offer my insights. You are then ok to form an opinion based on this literature. My hope is that you come away with a sense of pride and understanding of what it takes to become successful. Success has long meant the unlimited accumulation of material possessions. Rich means a lot more than what meets the eye. What's in you?

Your Black Success J K Martin. 2021-04-24 You, as a Black person in America, want to stop feeling

like and being treated as a second-rate citizen. You want to feel proud of who you are, where you have come from, and what you accomplish in your life. You want to feel loved, admired, and respected by your children, friends, family, coworkers, and strangers. However, it is not your fault that you do not have everything you want in life; no one has properly taught you how. This book seeks to help provide that training to you, so you can achieve all the dreams and happiness you want in life. One problem our Black customers deal with is advancing their careers and getting higher-paying jobs. The villain of lack of training is making Black people feel helpless and hopeless in their lives. It is just plain wrong for Black people to be burdened with this problem because every human on Earth should have equal rights to achieve their desires in life, and it is insidious that just a lack of training hides the real path to wealth and happiness from people. Through decades of experience in upper levels of management in multi-billion-dollar companies, we have successfully helped multitudes of Black people continually advance their careers and earn much more money than they ever expected possible. Here are the 6 steps towards achieving your career advancement, earning more money, and transforming your life story into You being the Hero: 1.) read this book, 2.) decide to accept a new story about your life that makes you a Hero, 3.) make a dream board 4.) agree to take ownership of the results in your life, 5.) learn how to accelerate your career and grow wealth, 6.) love other Black people by spreading success through the Black community and by giving Black people more opportunities faster. If you buy and use this book to increase your success, there is really nothing you can lose and nothing to fear. If you don't use this book for increasing your success, you risk continuing your current pains in life. Buy this book now. Read it and apply it. If you are not sure, buy the book and read it. Then, if you think the actions in the book are not for you, simply return the book for a refund. There is no risk for you, only potential success for taking action now. If you read the book and take the actions, you will benefit from changes and improvements in your wealth, happiness, relationships, admiration from others, and pride. If you do not use this book, then you will continue experiencing the painful feelings of helplessness and hopelessness for future success and increased happiness. Before using this book, our customers felt angry about themselves for being stuck and not being able to succeed more in life. After using this book, you will become the hero in your own life that everyone around you will admire because they see your growing success and happiness in your life.

[The Black Attack](#) J K Martin.2021-04-12 Black people in America, want to stop feeling like and being treated as second-rate citizens. They want to feel proud of who they are, where they have come from, and what they accomplish in their life. They want to feel loved, admired, and respected by their children, friends, family, coworkers, and strangers. The root cause of Black people not achieving all the success and admiration they want is their false ego. The false ego subconsciously blinds people from seeing their own faults in not achieving success and instead seeks to blame people and circumstances outside themselves. One problem our Black customers deal with is advancing their careers and getting higher-paying jobs. The villain false ego is making Black people feel helpless and hopeless in their lives. It is just plain wrong for our Black customers to be burdened with this problem because every human on Earth should have equal rights to achieve their desires in life, and it is insidious that the false ego distorts reality and hides the real path to wealth and happiness from people. Each and every person can relate to some degree about the current plight of Black people in America because everyone has felt disadvantaged, hurt, harmed, helpless, and hopeless at some point in their lives. Through decades of experience in upper levels of management in multi-billion-dollar companies, we have successfully helped multitudes of Black people continually advance their careers and earn much more money than they ever expected possible. Here are the 6 steps towards achieving your career advancement, earning more money, and transforming your life story into You being the Hero. 1.) read this book 2.) decide to accept a new story about your life that makes you a Hero 3.) make a dream board 4.) agree to take ownership of the results in your life 5.) learn how to accelerate your career and grow wealth 6.) buy this book as a

gift for 12 other Black people to spread success through the Black community and give Black people more opportunities faster. If you buy and use this book to increase your success, there is really nothing you can lose and nothing to fear. If you don't use this book for increasing your success, you risk continuing your current pains in life. Buy this book now. Read it and apply it. If you are not sure, buy the book and read it. If you read the book and take the actions, you will benefit from changes and improvements in your wealth, happiness, relationships, admiration from others, and pride. If you don't use this book, then you will continue experiencing the painful feelings of helplessness and hopelessness for future success and real happiness. Before using this book, our customers felt angry about themselves for being stuck and not being able to succeed more in life. After using this book, you will become the hero in your own life that everyone around you will admire because they see your growing success, happiness, and unstoppable attitude about your life.

Think and Grow Rich .1996

Fortify Your Youthful Mind and Grow Rich Samuel Williams. 2017-11-27 This book is here for people who believe in themselves, and want to harvest their inner greatness to grow rich. Have you ever wondered why only 1% of your age mates seem to get everything easily, while others seem ordained for a swim in the ocean of wants and financial struggle? You may think the difference is due to their level of education, the number of qualifications, intelligence, employment, timing, opportunities, luck, contacts, investments, skills, inheritance, and smartness. This isn't factual! The only way to become a future leader, but not a potential burden to yourself and the society, is by getting to read this book fully and to study from your 'BIGGEST NOTEBOOK' in the world, because every living being cannot live or succeed without it. Learn how to identify your own money blueprint and how to maximize your riches, it is the lack of a plan and not lack of time because the 24 hour chronometer is for everyone. Black or white, rich or poor, young or old, able or disabled. The blueprint to success and prosperity depends on the power of your thoughts: this leads to the power of words, then the power of attraction, then action, choice, time and results. Become a generational THINKER for you have the power to do all things, you just have to believe you can and you will. NB: Fortifying your youthful mind and growing rich in your youthful days links up to a brighter future. You must always think like a winner, a hero, a leader and a wealthy man or woman. Do what they do and in no time you would become one too because whatsoever your mind shall conceive and believe shall be surely achieved. Reading and learning are the only remedies for ignorance and poverty.

Think & Grow Rich for Black People Book 4 Pharaoh Mitchell.2019-12-05 Ask most personal finance experts and they'll tell you the secret to becoming rich is no secret at all: Work hard, live below your means and save every dime. The nation's One Percenters, however, might disagree. There's no shame in a modest lifestyle -- even Warren Buffett lives frugally. But if your goal is to get rich, it's helpful to know these seven secrets the ultra-wealthy aren't likely to share.

What Makes the Great Great Dennis Kimbro.1998-01-20 Part vocational pep rally, part how-to book, in *What Makes the Great Great*, bestselling author Dennis Kimbro explores the strategies and thought processes of successful African-Americans. *What Makes the Great Great* elaborates on the inspiring message Dennis Kimbro put forth in his first book *Think and Grow Rich--A Black Choice*. Through dozens of interviews and the inspirational stories of people like John H. Johnson, Publisher of *Ebony* magazine, Condoleeza Rice, Provost of Stanford University, and Ann Fudge, President of Maxwell House Coffee, Dr. Kimbro outlines the nine strategies that determine success. According to Dr. Kimbro, being great depends on a commitment to making dreams come true: All high achievers make choices, not excuses. We all have the seeds of greatness in us, and his book gives readers the tools to discover and nurture those seeds, showing them how to motivate themselves to master every aspect of their lives.

The 48 Laws of Power Robert Greene.2000-09-01 Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

Between the World and Me Ta-Nehisi Coates.2015-07-14 #1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME'S TEN BEST NONFICTION BOOKS

OF THE DECADE • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Toni Morrison as "required reading," a bold and personal literary exploration of America's racial history by "the most important essayist in a generation and a writer who changed the national political conversation about race" (Rolling Stone) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward.

The Wealth Choice Dennis Kimbro.2013-02-19 It's no secret that these hard times have been even harder for the Black community. Approximately 35 percent of African Americans had no measurable assets in 2009, and 24 percent of these same households had only a motor vehicle. Dennis Kimbro, observing how the weight of the continuing housing and credit crises disproportionately impacts the African-American community, takes a sharp look at a carefully cultivated group of individuals who've scaled the heights of success and how others can emulate them. Based on a seven year study of 1,000 of the wealthiest African Americans, *The Wealth Choice* offers a trove of sound and surprising advice about climbing the economic ladder, even when the odds seem stacked against you. Readers will learn about how business leaders, entrepreneurs, and celebrities like Bob Johnson, Spike Lee, L. A. Reid, Herman Cain, T. D. Jakes and Tyrese Gibson found their paths to wealth; what they did or didn't learn about money early on; what they had to sacrifice to get to the top; and the role of discipline in managing their success. Through these stories, which include men and women at every stage of life and in every industry, Dennis Kimbro shows readers how to:

- Develop a wealth-generating mindset and habits
- Commit to lifelong learning
- Craft goals that match your passion
- Make short-term sacrifices for long-term gain
- Take calculated risks when opportunity presents itself

The Secret Rhonda Byrne.2011-07-07 The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—*The Secret*—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of *The Secret* come together in an incredible revelation that will be life-transforming for all who experience it. In this book, you'll learn how to use *The Secret* in every aspect of your life—money, health, relationships, happiness, and in every interaction you have in the world. You'll begin to understand the hidden, untapped power that's within you, and this revelation can bring joy to every aspect of your life. *The Secret* contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By

applying the knowledge of *The Secret*, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.

The Think and Grow Rich Action Pack Napoleon Hill.1988-08-01 Published around the world, this book has become an undisputed classic in the field of motivational literature. Inspired by Andrew Carnegie, it has been cited by many as the calling card that propelled countless numbers to fame and fortune and is the standard against which all other motivational material is measured. *Think and Grow Rich* and *The Think and Grow Rich Action Pack* have single-handedly changed the lives of millions of men, women and young adults and produced a legacy of achievement that includes many of today's and yesterday's leaders in business, government and civic organizations. I knew Napoleon Hill in 1922 when I was a student in Salem College in the town of my birth. Mr. Hill came to our campus as the commencement speaker that year. As I listened to him, I heard something other than the words he spoke. I felt the substance—the wisdom—and the spirit of a man and his philosophy. Mr. Hill said the most powerful instrument we have in our hand is the power of the mind.' Napoleon Hill compiled this philosophy of American achievement for the benefit of all people. I strongly commend this philosophy to you for achievement and service in your chosen field. —Senator Jennings Randolph, West Virginia

Think & Grow Rich For Black People Book 2 Pharaoh Mitchell.2019-12-14 You are not alone, there are millions of people who want to become successful entrepreneurs, but lack the necessary support. We are going to look at what steps you need to take in order to become a successful entrepreneur. There is a tremendous amount of inaccurate information circulating that claim you need to have money to make money or it is who you know not what you know. Granted having money and connections can help if you don't have the right mindset then all of the money in the world won't make you a success but if you follow the same habits that other successful entrepreneurs use then your chances of attaining success will grow exponentially. Here are the three top secrets that work for me. Everyone Can Be An Entrepreneur, Yes Everyone Including You! Entrepreneurs are not born they are made and if you are reading this then you have the ability to become an entrepreneur because you have exhibited one of the best qualities an entrepreneur can have and that is a healthy curiosity. We are going to look at what qualities a successful business leader has, some of these qualities you currently have and do not realize it. We will also look at what are some of the qualities that can hinder your success. Everyone has to start somewhere and today is the first day in the rest of your life so let's make it a great day! **The Power of Discovering Thinking Big** There is an adage, If you can dream it you can achieve it and this is one quality that all entrepreneurs have granted some of them are bigger dreamers than others, but they all share that common quality of envisioning themselves becoming very successful and then taking proactive steps towards that goal. **The Sum of Us** Heather McGhee.2021-02-16 NEW YORK TIMES BESTSELLER • LONGLISTED FOR THE NATIONAL BOOK AWARD • One of today's most insightful and influential thinkers offers a powerful exploration of inequality and the lesson that generations of Americans have failed to learn: Racism has a cost for everyone—not just for people of color. WINNER OF THE PORCHLIGHT BUSINESS BOOK AWARD • ONE OF THE BEST BOOKS OF THE YEAR: Time, The Washington Post, St. Louis Post-Dispatch, Ms. magazine, BookRiot, Library Journal “This is the book I’ve been waiting for.”—Ibram X. Kendi, #1 New York Times bestselling author of *How to Be an Antiracist* Look for the author's new podcast, *The Sum of Us*, based on this book! Heather McGhee's specialty is the American economy—and the mystery of why it so often fails the American public. From the financial crisis of 2008 to rising student debt to collapsing public infrastructure, she found a root problem: racism in our politics and policymaking. But not just in the most obvious indignities for people of color. Racism has costs for white people, too. It is the common denominator of our most vexing public problems, the core dysfunction of our democracy and constitutive of the spiritual and moral crises that grip us all. But how did this happen? And is there a way out? McGhee embarks on a

deeply personal journey across the country from Maine to Mississippi to California, tallying what we lose when we buy into the zero-sum paradigm—the idea that progress for some of us must come at the expense of others. Along the way, she meets white people who confide in her about losing their homes, their dreams, and their shot at better jobs to the toxic mix of American racism and greed. This is the story of how public goods in this country—from parks and pools to functioning schools—have become private luxuries; of how unions collapsed, wages stagnated, and inequality increased; and of how this country, unique among the world’s advanced economies, has thwarted universal healthcare. But in unlikely places of worship and work, McGhee finds proof of what she calls the Solidarity Dividend: the benefits we gain when people come together across race to accomplish what we simply can’t do on our own. The Sum of Us is not only a brilliant analysis of how we arrived here but also a heartfelt message, delivered with startling empathy, from a black woman to a multiracial America. It leaves us with a new vision for a future in which we finally realize that life can be more than a zero-sum game. **LONGLISTED FOR THE ANDREW CARNEGIE MEDAL**

Practical Wealth for Black Folk\$ Karen Lewis.2011-04-01 Practical Wealth for Black Folk\$ guides the reader from understanding how and why they never seem to have enough, into a specific plan of action to eliminate low income from their lives. It's a must read and must do book for every Black American with low or middle income and for those who make more but still live poor or unfulfilled. Practical Wealth for Black Folk\$ introduces three types of wealth and inspires individuals to choose how they want to live. The reader is guided to understand their purpose in life and how to design their own personal path towards fulfillment. The book will help you map out a plan to get from where ever you are now to where you want to be. The Key Questions the author asks are worth the price of the book alone! You are led to contemplate your life in ways you may never have before. You will think about your dreams, make them into realistic goals, and figure out how to make them come true. A wealth of resources are at the readers fingertips to take immediate advantage of topics from money management, business, career choices, and financing your education. The practicality of the book is most clearly illustrated in the free financial education course the author assembled from resources readily available on the Internet. Anyone completing the course will be more financially savvy than the overwhelming majority of all Americans. This is the Ultimate guide for Blacks (and anyone else) to discover: * their purpose for living and how to pursue it. * how changing your thinking can get you where you want to be. * what politicians and the government have to do with poverty. * why you aren't wealthy, yet. * the 3 levels of Practical Wealth and which one works for you. * how to change your financial future, make and manage money more effectively. * career, education and business options that can bring financial independence. Wake up everyday with a smile on your face excited about your life, your finances, relationships and new opportunities. Join the movement and spread the word for Black America to raise their economic level and live debt free. Invest in your own future, and that of your family by purchasing a copy for every teen and preteen in your home too. Make your own dreams come true!

Think & Grow Rich for Black People Book 5 Pharaoh Mitchell.2019-12-05 Does intelligence equal wealth? If you define intelligence as the ability to apply knowledge and skills, then intelligence can certainly help someone to accumulate wealth. However, there are many hardworking people who have studied hard and applied themselves only to find that their pay is average, and there is no advancement in sight. Educated people working in disappointing jobs is not a reflection of dire recessionary times. Rather, it's because financial rewards are tied to what a producer has to offer. Every individual competes in the labor marketplace, and intelligence plays a limited role. The marketplace is nothing more than the exchange of people's accumulated wants and desires. Much of what consumers collectively consider of great value in the marketplace has astonishingly little to do with intelligence. No one expects Earvin Magic Johnson Jr., retired professional basketball player and current president of operations at the Los Angeles Lakers, to offer proof of the Riemann hypothesis, yet his wealth is estimated to be half a billion dollars. In Johnson's case, he developed non-academic, unique skills that he could use to obtain a high salary. By saving that salary and investing, Johnson earned far more money through passive income than by active means.

Think & Grow Rich For Black Women Destiny S Harris.2023-10-06 Think & Grow Rich For Black Women: Mindset The first step in acquiring wealth and success requires an outlier-type mindset. The mindset that the average has is broke and founded in feelings and thoughts surrounding lack and limitation. To shift your financial and life outcomes, you will not be able to maintain your previous thought patterns and belief systems. Transforming and elevating your mindset is step one to creating your ideal financial trajectory. Focus on transforming and cultivating the right mindset to facilitate wealth and success.

Get Rich While Black ...: Without Being an Athlete, Entertainer Or Drug Dealer - REVISED EDITION - 2021 Chuck Starks.2021-10-12 This revised version of my critically-acclaimed book written in 2019, Get Rich While Black... without Being an Athlete, Entertainer or Drug Dealer was developed because of comments I received concerning the original version. Many people stated that the original book was too short. My normal reply was that the book had one purpose and one purpose only, to give Black Americans a viable option to becoming financially successful (millionaires) in America other than the difficult task of being an athlete, entertainer, or life of crime such as drug-dealing. I didn't write the book to entertain the reader. I wrote a very short and concise, to the point, book to prompt Black people to read it and enable them to develop a viable plan to becoming financially successful in a very racist America. America has a system to keep Black people poor and dependent. I told people many times that if they wanted to be entertained, there were many books, records, and movies out there they could buy, but none to my knowledge could help them develop a plan to become rich. Also, I revised my book to include the latest NCAA Ruling (backed by the Supreme Court) that allows student-athletes to receive money for their image and likeness. That ruling will change the financial prospects of many Black families in America within a very short period of time. Since students can get paid directly from sponsors, schools, and others, that income will translate into an increase in the median net worth of Black people as a whole. Most Black families have one or

more athletes in their family. Sports is what we do. Black Americans are the best in the world and we excel in sports at a younger age. I estimate that students as young as 12 years old will start receiving a monthly sponsorship (income) from schools, major sporting goods companies (Nike, New Balance, Adidas, etc.) as well as money from sports agents who will pay them for a first-right-of-refusal to represent them in the future if they go pro. This should equate to millions or possibly billions of dollars going directly into the hands of Black families each year. No longer will Black parents have to foot the entire bill to keep their children in sports and they could also use the money to bolster the family budget and increase their overall quality of life.

How They Got Rich Theron Cal, Pamela Harris. 2016-08-05 How 6 African-Americans embraced their Black Race & Culture rejecting the myth of White Supremacy and made a fortune. A guide to how Blacks who got rich did so by exploiting our unique Race and Culture. Called the Think & Grow Rich for Black millennials.
